In addition to categories of assurance provided the forward plan shows whether the source of assurance is primary or supporting. The forward plan has been refreshed for 2013/14 and minor changes have been made to reflect timing adjustments to some external audit reports.
- 2.2 Appendix A shows the categories and level of assurance the Audit Committee needs to fulfill its terms of reference and approve the council's audited accounts and Annual Governance Statement. A forward plan of reports for the Audit Committee to consider is shown in Appendix B.
