Annual Report of the Audit Committee 2018/19

**North Lincolnshire Council
Audit Committee Annual Report**

2018/2019

**FOREWORD BY COUNCILLOR IVAN GLOVER
CHAIRMAN OF THE COMMITTEE**

I am pleased to introduce this annual report of the Council's Audit and Governance Committee.

The Audit Committee provides a key component of corporate governance. Over the past 12 months the committee have provided a high-level focus on assurance and the organisation's arrangements for governance, managing risk, maintaining an effective control environment, and reporting on financial and non-financial performance.

In my role as chair, I have also welcomed the development sessions that the committee have attended. These sessions provide the opportunity for members to receive a more in depth understanding of issues that we consider as part of our ordinary business such as Treasury Management, Counter Fraud arrangements and Risk Management. The presentation by the council's treasury advisors giving an independent, positive view of the finances of the Council in the context of our Borrowing and Investment Strategies, being of the opinion they were robust enough to meet any future downturn, was most reassuring.

I am confident that the Council operates within robust assurance and governance frameworks, providing a strong foundation upon which to deliver excellent outcomes for our residents. In conclusion, I would like to thank all Members of the Committee for their support and diligence during the year.

Cllr Ivan Glover
Chairman of the Audit Committee

4. AUDIT COMMITTEE SELF-ASSESSMENT

As part of the production of this report, members carried out, at the Audit Committee meeting on 27 March 2019, a self-assessment based on a self-assessment checklist developed by CIPFA in its report “*Audit Committees: Practical Guidance for Local Authorities and Police*” (2018). The self-assessment considered the scope of the Committee’s work and its effectiveness. It also considered the suggestion from CIPFA about whether the Audit Committee should include a co-opted independent member.

Members concluded that the Audit Committee operated in line with expected practice and was provided with good support from officers. It did, however, identify areas where further enhancements could be made;

- Promote the role and purpose of the audit committee across the council- *one suggestion was that the role of the audit committee should be included in Member induction*
- Increase the Committee’s knowledge of Partnerships and Collaboration and Value for Money - *Members will receive briefing sessions as part of the 2019/20 Audit Committee work programme*
- Invite managers with adverse internal audit reports to meet with the Committee to receive assurance on how they are dealing with the issues identified

Members considered the possibility of having a co-opted independent Member. Advantages and disadvantages were identified and consequently the Director of Governance and Partnerships has been asked to bring a report to a future committee meeting where this could be considered further.
