## 6. OUTCOMES OF INTEGRATED IMPACT ASSESSMENT (IF APPLICABLE)

6.1 Enabling individuals and communities across North Lincolnshire to become involved in sports, art, culture and heritage projects is an excellent way to encourage participation from a wide and diverse range of social, ethnic and cultural backgrounds in support of our diversity aims.

## 7. OUTCOMES OF CONSULTATION AND CONFLICTS OF INTERESTS DECLARED

7.1 Participating in sport at a national level and above is expensive. Sports governing bodies and applicants have consistently told us they need help with costs.

7.2 Funding community projects can often be difficult for community groups. Community organisations have told us that they need the Council's support to help get other grants for their projects.

## 8. RECOMMENDATIONS

8.1 That the Deputy Leader confirms the level of community grant support to be awarded as requested in Appendix 1.

8.2 That Deputy Leader approves the recommendation for a new grants model.
