#### **Role of Committee**

The main role of the Standards Committee is to promote and maintain high standards of conduct, to set an example to other bodies it works with and to the community at large. The Standards Committee will promote, educate and support members in following the highest standards of conduct and ensuring that those standards are fully owned locally.

The role is not just about enforcing the Code it is also about relationships both internally between members and staff and externally with the public and other stakeholders.

Under the Council's Standards Arrangements, the committee convenes, as appropriate, sub committees in the form of Assessment Panels to consider complaints and Hearings Panels to determine complaints that have been investigated.

The Standards Arrangements also enable the Council to retain responsibility for receiving and determining complaints against Town and Parish Council members.

### **Code of Conduct**

Under its Standards Arrangements the Council has developed and adopted its own locally based Code of Conduct which is compliant with the Nolan principles and has incorporated the statutory requirements concerning Disclosable Pecuniary Interests. Although free to adopt their own Codes of Conduct, all of the Town and Parish Councils in the area have elected to adopt the Council's Code of Conduct which is encouraging uniform and consistent application across the area.

### **Complaints**

During the period covered by this report 22 new complaints were received involving members, compared to seven received last year. \*(Please note that one complaint refers jointly to elected members of North Lincolnshire Council and a Parish Council, which distorts the statistics below by one). 12 complaints were received regarding members of one Parish Council.

8 complaints relating to members of North Lincolnshire Council were considered by an Assessment Panel. At the time of writing, one complaint is to be heard by an Assessment Panel in due course.

15\* complaints relate to members of Town and Parish Councils (14 parish councils and one town council). One complaint was resolved informally by the Monitoring Officer, and 14 were considered by an Assessment Panel. None of the 14 were referred for investigation.

No complaints had been referred for external assessment.

The complaints related to a wide range of alleged breaches of the Code of Conduct usually including failure to treat with respect and courtesy; bullying or intimidation, disrepute, using their position as a member to improperly confer an advantage, compromising the impartiality of officers and failure to declare interests.

During the period an on going investigation into one complaint received in the previous year involving a North Lincolnshire councillor had been completed, considered by a Hearings Panel and breaches of the Code of Conduct found. Sanctions were also recommended by the panel in accordance with the council's Standards Arrangements.

## **Other Issues**

Last year's annual report was once again provided to all Town and Parish Councils and was referred to in associated further Standards Arrangements and Code of Conduct training provided for clerks, newly elected/coopted and other town and parish councillors at sessions provided by the Monitoring Officer on 26 and 29 June, and 7 October 2015. Sessions were well attended and received ,and similar future training will be provided on an annual basis.

The Monitoring Officer continues to meet regularly with the Monitoring Officer of North East Lincolnshire Council, and also the East Riding and Northern Lincolnshire Local Council's Association (ERNLLCA) and Mr J Goolden and Mr R Johnson (Independent Persons) to review existing practice and keep abreast of national and regional developments. The Monitoring Officer was invited to speak about the Council's code of Conduct and Standards Arrangements at ERNLLCA's annual conference on 23 October 2015.

The Council continues to be a member of the Standards Exchange a specialist website set up by ex-Standards for England investigators as a platform to share good practice and keep updated on national standards related developments.
