SUMMARY AND EXPLANATION

A1.01 THE COUNCIL'S CONSTITUTION

North Lincolnshire Council has agreed a Constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

The Constitution is divided into 16 Articles which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

A1.02 WHAT'S IN THE CONSTITUTION?

Article 1 of the Constitution commits the Council to the framework to achieve the Council's objectives and strategic ambition for the area.

The role of the Council is to work with citizens and partners in leading the area and promoting prosperity and wellbeing, whilst preventing harm and prioritising the most vulnerable, thus achieving better outcomes for the people and place of North Lincolnshire and being safe, well, prosperous and connected.

The Council Plan has been published for 2022 - 2025 [Council Plan - North Lincolnshire Council \(northlincs.gov.uk\)](https://www.northlincs.gov.uk/council-plan)

For 2022-25 the priorities for the Council are:

- Keeping people safe and well
- Enabling resilient and flourishing communities
- Enabling economic growth and renewal
- Providing value for money for local taxpayers

- Members of the Council [Article 2]
- Citizens and the Council [Article 3]
- The Council Meeting [Article 4]
- Chairing the Council [Article 5]
- Overview and Scrutiny of Decisions [Article 6]

A1.03 HOW THE COUNCIL OPERATES

The Council comprises 43 Councillors elected every four years. Councillors are democratically accountable to residents of their wards. The overriding duty of councillors is to the whole community but they have a special duty to their constituents.

Councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties. The Standards Committee trains and advises them on the Code of Conduct.

All councillors meet together as the Council. Meetings of the Council are normally open to the public. Here the councillors decide certain of the Council's policies and set the budget each year. The functions and operation of the Council are described in more detail in Article 4. However, the key roles of Council are the debating and approval of the budget, the promotion of community engagement and the receipt and confirmation (where necessary) of minutes of meetings of Committees.

A1.04 HOW DECISIONS ARE MADE

The Executive is the part of the Council which is responsible for most day to day strategic and operational decisions, some of which are delegated to officers. The Executive is made up of the Leader and a Cabinet of councillors appointed by the Leader. When major decisions are to be discussed or made, details are published on the Council's website insofar as they can be anticipated. If these major decisions are to be discussed at a meeting of the Executive, this will generally be open for the public to attend, except where personal or confidential matters are being discussed. The Executive has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

A1.05 OVERVIEW AND SCRUTINY

There are three Overview and Scrutiny Panels called "Scrutiny Panels" (although more may be appointed if necessary) which support the work of the Executive and the Council as a whole. They allow citizens to have a greater say in council matters by holding public enquiries into matters of local concern. These lead to reports and recommendations which advise the Executive and

the Council as a whole on its policies, budget and service delivery. Scrutiny Panels also monitor the decisions of the Executive. They can “call in” a decision which has been made by the Executive but not yet implemented. This enables them to consider whether the decision is appropriate. They may recommend that the Executive reconsider the decision, or refer the decision to full Council. They may also be consulted by the Executive or the Council on forthcoming decisions and the development of policy.

A1.06 THE COUNCIL’S STAFF

The Council has people working for it called “officers” to give advice, implement decisions and manage the day-to-day delivery of services. Officers have a duty to ensure that the Council acts within the law and uses its resources wisely. The Chief Financial Officer and Monitoring Officer have specific duties in this regard. A protocol governs the relationships between officers and members of the Council.

A1.07 CITIZENS’ RIGHTS

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights whilst others depend on the Council’s own processes. Local agencies/advice centres can advise on the legal rights of individuals.

Where members of the public use specific council services, for example as a parent of a school pupil or as a council tenant, they have additional rights. These are not covered in this Constitution.

Citizens have the right to:-

- Vote at local elections if they are registered.
- Contact their local councillor about any matters of concern to them.
- Obtain a copy of the Constitution.
- Attend meetings of the Council and its Committees except where, for example, personal or confidential matters are being discussed.
- Petition to request a referendum on a Mayoral form of Executive.
- Find out from the Executive what major decisions are to be discussed by the Executive or decided by the Executive or officers, and when.
- Attend meetings of the Executive where key decisions are being discussed or decided.
- See reports and background papers and any record of decisions made by the Council and Executive.
- Complain to the Council about a standard of service provided by the Council in accordance with the Council’s Complaints Procedure.

- Complain to the Local Government Ombudsman if they think the Council has not followed its procedures properly. However, they should only do this after using the Council's own Complaints Process
- Complain to the Monitoring Officer of the Council if they have evidence which they think shows that a Councillor has not followed the Council's Code of Conduct
- Inspect the Council's accounts and make their views known to the Council's external auditor.

Citizens are required to treat members and officers with respect. Citizens must not abuse Council staff or members and must not bully or harass them.

The Council welcomes participation by its citizens in its work. For further information on your rights as a citizen please contact the Council at the Church Square House, High Street, Scunthorpe or at any of its Local Link offices.

- Respect for human rights
- A presumption in favour of openness
- Clarity of aims and desired outcomes
- Taking into account all relevant considerations
- Ensuring that decisions are properly recorded

B13.03 TYPES OF DECISION

Decisions reserved to Full Council. Decisions relating to the functions listed in Article B4.02 will be made by the Full Council and not delegated.

Key Decisions:

- (a) A key decision means an executive decision which is likely
 - (i) to result in the Council incurring expenditure or the making of savings (including the receipt or loss of income) over £350,000 in any one financial year; or

- (ii) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the local authority

B13.09 DECISION MAKING BY OFFICERS

Officers are authorised to take both executive and non-executive decisions under the Council's Constitution and through decisions by members from time to time in relation to specific matters or projects. The following Regulations apply to such decisions taken by officers.

Under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations, 2012 ('2012 Regulations') and the Openness of Local Government Bodies Regulations, 2014 ('2014 Regulations') a written record of officer decisions made in connection with the discharge of certain executive and non-executive functions must be published and made available for inspection by members of the public as soon as reasonably practicable after they are made, along with any background papers.

Executive decisions taken by officers

Regulation 13 (4) of the 2012 Regulations requires that as soon as reasonably practicable after an officer has made an executive decision, the officer must produce a written statement which must include:

- a record of the decision including the date it was made;
- a record of the reasons for the decision;
- details of any other options considered and rejected by the officer when making the decision;
- a record of any conflict of interest declared by any executive member who is consulted by the officer in relation to the decision; and
- in respect of any declared conflict of interest, a note of dispensation granted by the relevant local authority's Chief Executive.

Guidance issued by DCLG, August 2014 requires that decisions taken by officers following an express authorisation by the council's executive should be recorded but those types of decision that are purely operational or administrative in nature do not need to be recorded.

DCLG recommends that decisions to allocate social carers to particular individuals, to review housing benefit or to allocate market stalls to traders are examples of the type of decision that do not need recording under the 2012 Regulations. Whereas, decisions taken by officers to award contracts above specified values (see the Council's requirements below) or to exercise compulsory purchase powers, to award discretionary rate relief or to change the opening hours of libraries are cited as the type of decision taken by an officer that should be recorded.

The Council expects that decisions to award contracts to the value of £100k and above under the contract procedure rules to be recorded, save those

contracts relating to placements for individuals care and support or such other categories of contract that are exempted by the Director: Governance and Communities.

Officers should complete the Officer Decision Record developed by Democratic Services and seek advice from Democratic Services if in any doubt as to whether a decision they are proposing to take falls within the 2012 Regulations.

Non-executive decisions taken by officers

Regulation 7 (3) of the 2014 Regulations requires an officer to produce as soon as reasonably practicable after a 'decision' has been taken a written record containing the following information:

- the date the decision was taken;
- a record of the decision taken along with reasons for the decision;
- details of alternative options, if any, considered and rejected; and
- where the decision falls under Regulation 7 (2) (a), the names of any member of the relevant local government body who has declared a conflict of interest in relation to that decision.

Regulation 7 (2) provides that a 'decision' falls within these requirements, if it would otherwise have been taken by the relevant local government body or committee or sub-committee of that body but it has been delegated to an officer either:

- (a) under a specific express authorisation; or
- (b) under a general authorisation to officers to take such decisions and, the effect of the decision is to –
 - (i) grant a permission or licence;
 - (ii) affect the rights of an individual; or
 - (iii) award a contract or incur expenditure which, in either case, materially affects that relevant local government body's financial position.

Guidance issued by DCLG, August 2014 recommends that purely routine administrative decisions and those of a day to day operational nature do not need to be recorded or those decisions that require to be published by other legislation, provided the record published includes the date the decision was taken and the reasons for the decision.

DCLG cites decisions to award contracts above a specified value (see the Council's requirements below), decisions to carry out major road works and those determining licensing or building control applications as the type of decision taken by an officer that should be recorded.

The Council expects that decisions to award contracts to the value of £100k and above under the contract procedure rules to be recorded, save those contracts relating to placements for individuals care and support or such other

categories of contract that are exempted by the Director: Governance and Communities.

Officers should complete the Officer Decision Record developed by Democratic Services and seek advice from Democratic Services if in any doubt as to whether a decision they are proposing to take falls within the 2014 Regulations.

Background papers that have been relied upon under either category of decision must be made available for public inspection, subject to the usual rules relating to confidential or exempt information.

B13.10 DECISION MAKING DURING RECESS

Notwithstanding any other provisions contained within this constitution the following provisions shall apply during any council recess.

- (a) A Cabinet Member may take any decision which in his or her opinion must be taken during the period of any council recess and which falls within their delegated powers but shall consult the chair and vice chair of the relevant scrutiny panel before doing so.
- (b) The Leader may take any decision which in his or her opinion requires to be taken during the period of the recess and falls within the delegated powers of the Cabinet but before doing so shall consult the chair and vice chair of the relevant scrutiny panel.
- (c) The Chief Executive may take any decision which in his or her opinion requires to be taken during the period of the recess and does not fall within the delegation to the cabinet or any cabinet member but prior to doing so shall consult the Leader, Deputy Leader and the Leader of the opposition party.

B13.11 RECORDING DECISIONS

As soon as reasonably practicable after any meeting of a decision-making body at which an executive decision was made, the proper officer, or if the proper officer was not present, the person presiding, must ensure that a written statement is produced for every executive decision made.

The statement must include:

- (a) a record of the decision including the date it was made;
- (b) a record of the reasons for the decision;
- (c) details of any alternative options considered and rejected by the decision-maker when making the decision;
- (d) a record of any conflict of interest relating to the matter decided which is declared by any executive member of the decision-making body which made the decision, or consulted if the decision is made by an officer; and

(e) in respect of any declared conflict of interest, a note of dispensation granted by the Chief Executive.

The decision record must be made available for public inspection along with any background papers (except to the extent that exempt or confidential information would be disclosed) as soon as reasonably practicable after the decision is made.

If the motion be carried, then, if the question before the Council is the original motion or a first amendment, the Mayor shall call upon the mover of the original motion to reply before putting the question.
- (n) Upon a motion for an adjournment, all the speakers shall limit their observations to the question of adjournment. After a motion for adjournment of a debate, or adjournment of the Council has been rejected, another motion for the same or like purpose shall not be moved within thirty minutes, except by consent of the Council, to be given by show of hands without debate. On resuming an adjournment debate the member who moved the adjournment shall be entitled to speak first.

A point of order shall relate only to an alleged breach of a Rule or statutory provision and the member shall specify the Rule or statutory provision and the way in which in the Member's opinion it has been broken. A personal explanation must relate to a speech already made by the member in the debate on the

motion or amendment before the Council which may have been misunderstood. The ruling of the Mayor on a point of order or on the admissibility of a personal explanation shall not be challenged.

- (b) If a Member persistently disregards the ruling of the Mayor by behaving improperly or offensively or deliberately obstructs business, the Mayor or any other member may formally move that the member be not heard further. If seconded, the motion will be voted on without discussion.
- (c) If the member continues to behave improperly after such a motion is carried, the Mayor or any other member may move that either the member leaves the meeting or that the meeting is adjourned for a specified period. If seconded, the motion will be voted on without discussion.

- (b) If an electronic voting system is used members will have a period of 30 seconds in which to register their votes. At the expiry of the period of 30 seconds the votes then registered will be binding, unless a member immediately indicates to the Mayor that his/her vote has not been registered or has been incorrectly registered whereupon the Mayor will ask for the vote to be retaken by show of hands. Members who have not registered a vote at that time will be taken to have abstained.

A recorded vote may be taken using an electronic voting system or by a manual roll call. In the case of a manual roll call a period of 30 seconds shall be permitted to allow members to take their places in the meeting room immediately after which the votes shall be taken. The name or vote of any member taking his or her place after the vote shall have commenced, shall not be recorded.
- (e) If there are an equal number of votes for and against a proposal, the proposal shall not be carried unless the Mayor/Chairman chooses to use his/her second or casting vote to break the deadlock. The decision on whether or not to exercise a second or casting vote is that of the Mayor/Chairman alone. He/she retains the legal right to proceed as he/she sees fit. Exercise of a second or casting vote will not invalidate the decision. (A second vote from Mayor/Chairman means that he/she has voted in the original vote which resulted in tied numbers and votes again to break the deadlock. A casting vote is exercised when the Mayor/Chairman did not take part in the original vote and casts a vote in favour or against in order to break the deadlock).
- (f) Immediately after any vote is taken at a budget decision meeting (as defined in the Local Authorities (Standing Orders) (England) (Amendment) Regulations 2014 the voting shall be recorded in the minutes so as to show whether each member present voted for or against the decision or abstained from voting.

D1.35 PETITIONS

The council welcomes petitions and recognises that they are one way in which people can indicate their views and request that action be taken. The council will treat something as a petition if it is identified as being a petition, or if it seems to us that it is intended to be a petition.

(a) What are the guidelines for submitting a petition?

- (i) Petitions (paper or an e-petition) submitted to the council must include:
 - a clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the council to take
 - the real names and addresses/valid post codes and signatures of [10] ten or more persons supporting the petition who are on the Register of Electors for the area of North Lincolnshire Council
- (ii) Petitions should be accompanied by contact details, including a real name, address and postcode (and email address/phone number), for the petition organiser. This is the person the council will contact to explain how the council will respond to the petition and who the council will regard as having the representative authority of the other petitioners. The contact details of the petition organiser will not be placed on the website. If the petition does not identify a petition organiser, we will try to contact signatories to the petition to agree who should act as the petition organiser
- (iii) Petitions, which are considered illegal, irregular, improper, vexatious, abusive, outside of the council's powers or otherwise inappropriate, will not be accepted. In the period immediately before an election or referendum, the council may need to deal with your petition differently – if this is the case an explanation, with reasons will be given, and a revised timescale may be applied. If a petition does not follow the guidelines set out above, the Director: Governance and Communities may decide not to do anything further with it and you will be informed in writing of the reasons.
- (iv) The closing date for a paper petition (signatures should not be collected over more than a three-month period), which is running concurrently with a corresponding e-petition should coincide with the closing date specified by the petition organiser for the e-

petition. (Both petitions should then be submitted to the council, please see paragraph g (iii) and/or delivered to the Service Manager: Democracy). The number of signatures will be aggregated to give the total number. Both the e-petition and the paper petition will be cross checked to ensure that there is no duplication of signatures and that the petitioners are on the Register of Electors for the area of North Lincolnshire.

(b) What will the council do when it receives my petition?

- (i) An acknowledgement will be sent to the petition organiser within 7 working days of receiving the petition. It will let the petition organiser know what the council plans to do with the petition and when they can expect to hear from us again.
- (ii) If the council can do what your petition asks for, the acknowledgement may confirm the action requested and the petition will be closed. The acknowledgement will confirm how the petition will be heard and where and when this will take place. This will be based upon the validation of the signatories against the Register of Electorsⁱ. If the petition needs more investigation, the response will tell you the steps the council plans to take.
- (iii) If the petition applies to a planning or licensing application, is a statutory petition (for example requesting a referendum on having an elected mayor), or on a matter where there is already an existing right of appeal, such as council tax banding and non-domestic rates, other procedures apply.
- (iv) The council will not take action on any petition which we consider illegal, irregular, improper, vexatious, abusive, outside of the council's powers or otherwise inappropriate and will explain the reasons for this in our acknowledgement of the petition. A petition will not be considered when it is repetitious. Where a petition on the same or similar issue and seeking the same or similar outcome has been received within the last six months, whether or not from the same petition organiser it will not be considered.

(c) How will the council respond to petitions?

- (i) All valid petitions will be considered by the council, how the council responds to a petition will depend on what a petition asks for and how many people have signed it based upon a proportion of the registered electorate of North Lincolnshire (see paragraphs (d), (e) and (f) below), but may include one or more of the following:

- taking the action requested in the petition
- considering the petition at a council meeting
- holding an inquiry into the matter
- undertaking research into the matter
- holding a public meeting
- holding a consultation
- holding a meeting with petitioners
- referring the petition for consideration by an overview and scrutiny panel*
- writing to the petition organiser setting out our views about the request in the petition

*Overview and scrutiny panels are committees of councillors who are responsible for scrutinising the work of the council.

- (ii) In addition to these steps, the council will consider all the specific actions it can potentially take on the issues highlighted in a petition.
- (iii) If your petition is about something over which the council has no direct control or outside its powers (for example local railway services or social housing services) we will consider making representations on behalf of the community to the relevant body or if your petition is about something that a different council is responsible for we will forward the petition to the other council, and notify you of the action we have taken.

(d) Petition Panel

- (i) Where the validated petition contains 10 signatures or more (see (a) above and (e) and (f) below) it will be referred to a petition panel for consideration. If the petition organiser so requests a deputation comprising not more than three signatories to the petition may present it to a panel comprising the appropriate cabinet member, lead member and a member of the opposition group. Ward members where appropriate will also be invited. The panel will receive a report from a relevant Director on the issues raised by the petition. The petition organiser (or their representative) will also be in attendance. One member of the deputation shall be permitted to address the panel for not more than 5 minutes.

- (ii) At the discretion of the Panel, and subject to the agreement of the petitioners, the public/press may be allowed into the panel meeting to observe the proceedings.

Note: Petition panel hearings are not formal meetings of the Council and the requirements of the Access to Information Regulations do not therefore apply.

- (iii) The cabinet member shall be responsible for responding to the issues raised by the petition. If the cabinet member so wishes they may refer the petition to the full Cabinet.

(e) **Panel with Senior Officer evidence**

- (i) Where the validated petition contains 3300 up to 6499 (2.5% of the electorateⁱⁱ) validated signatures, a relevant senior officer will give evidence at a public meeting of the relevant scrutiny panel. You should be aware that the panel may decide that it would be more appropriate for another senior officer to give evidence instead of any officer named in the petition - for instance if the named officer has changed jobs. The panel may also decide to call the relevant cabinet member or other councillor to attend the meeting. Panel members will ask the questions at this meeting, but you will be able to suggest questions to the Chairman of the panel by providing details up to three working days before the meeting. (Use of these at the meeting are at the Chairman's discretion).

(f) **Full Council debates**

- (i) If a validated petition contains more than 6500 signatures (5% of the electorateⁱⁱⁱ) it will be debated by the full council unless it is a petition asking for a senior council officer to give evidence at a public meeting. This means that the issue raised in the petition will be discussed at a meeting, which all councillors can attend. The council will ordinarily endeavour to consider the petition at its next meeting, although on some occasions, this may not be possible and consideration will then take place at the following meeting. Prior to the petition being formally included on the council agenda, the Service Manager: Democracy will liaise with the nominated petition organiser to clarify or confirm whether they that wish to proceed with the petition, notwithstanding that there may have been a material change in circumstances from when the petition was first received by the council. If the petition proceeds the petition organiser will be given five minutes to present the petition at the meeting and it will then be discussed by councillors for a maximum of 15 minutes. The council will decide how to respond to the petition at this meeting. They may decide to take the action the petition requests,

not to take the action requested for reasons put forward in the debate, or to commission further investigation into the matter. Where the issue is one on which the council executive are required to make the final decision, the council will decide whether to make recommendations to inform that decision. The petition organiser will receive written confirmation of the decision. This confirmation will also be published on our website.

(g) E-petitions

- (i) The council welcomes e-petitions, which are created and submitted to the council. E-petitions must follow the same guidelines as paper petitions (please see paragraphs (a), (b), (c), (d), (e) and (f) above). The petition organiser will need to provide us with their real name, postal address/post code and e-mail address when submitted, so we are able to contact them.
- (ii) Anyone who is on the Register of Electors for the area of North Lincolnshire Council can start an e-petition on line at www.change.org (<http://www.change.org>). Real names and addresses/valid post codes/email addresses should be used. It would be helpful to inform the council of the title of the petition as soon as possible when you start an e-petition using the email address petitions@northlincs.gov.uk. The council will then be able to advise upon accepting the petition in accordance with paragraph (a) (iii) of this procedure rule.
- (iii) Once you have collected your signatures over your specified period of time (three months maximum), you will need to submit your e-petition to the council using the email address petitions@northlincs.gov.uk (or in hard copy format).

(h) How do I 'sign' an e-petition?

- (i) You can sign an e-petition online at www.change.org

(i) What can I do if I feel my petition has not been dealt with properly?

- (i) If you feel that the council has not dealt with your petition properly, the petition organiser has the right to request that a scrutiny panel should review the steps that the council has taken in response to your petition. It is helpful to everyone, and can improve the prospects for a review if the petition organiser explains the reasons why the council's response is not considered adequate.

- (ii) The panel will endeavour to consider your request at its next meeting, although on some occasions, this may not be possible and consideration will take place at the following meeting. Should the panel determine the council has not dealt with your petition adequately, it may use any of its powers to deal with the matter. These powers include instigating an investigation, making recommendations to the council Executive and arranging for the matter to be considered at a meeting of the full council. Once the 'appeal' has been considered the petition organiser will be informed of the results within seven working days. The results of the review will also be published on our website.

ⁱ For each Municipal Year, the Electoral Register that closed on the preceding 1 December will be used to calculate the thresholds and validate petitions.

ⁱⁱ As at 1 December 2023, there were 129,549 residents on the electoral register: 2.5% rounded up to nearest 100 is 3,300 signatures

ⁱⁱⁱ As at 1 December 2023, there were 129,549 residents on the electoral register: 5% rounded up to nearest 100 is 6,500 signatures

D1.35b The following arrangements shall apply to meetings of the Planning Committee (public speaking and site visits) and the Licensing Committee

- (i) Any member of the public (other than persons wishing to represent town or parish or other public bodies) may address the committee on any agenda item in respect of which the Planning Committee has delegated functions.
- (ii) Any member of the public who wishes to speak must notify the Director: Governance and Communities at least 48 hours prior to the start of the committee at which the matter is to be determined, even if they have previously notified the Group Manager : Development Management that they wish to speak when consulted on the application.
- (iii) Members of the public wishing to speak shall identify themselves prior to the beginning of the meeting.
- (iv) No more than one member of the public shall be allowed to speak in support of, or objecting to, any item on the agenda unless the application constitutes major development, as defined in the General Development Procedure Order 1995. If more than one supporter or objector wishes to speak on the same item, the chair will request that a spokesperson be appointed to represent the views of the supporters or objectors, as the case may be. In the event that the proposed speakers do not agree on the appointment of a spokesperson the first person to have

contacted the Director: Governance and Communities will be offered the opportunity to speak.

- (v) If a member of the public speaks in support of or objecting to an agenda item the chair shall, in the interests of fairness, allow one member taking the contrary view a right of reply even if that member of the public has not given prior notice of their wish to speak.
- (vi) If the application constitutes major development, up to five members of the public may speak in support of the application and up to five members of the public may speak objecting to the application.
- (vii) No member of the public shall speak for longer than 5 minutes unless the application constitutes major development. In such a case, if there are more members of the public wishing to object to the application than to support it, or vice versa, the chair may at his discretion adjust the period allowed for the exercise of the right of reply to ensure parity of debate.
- (viii) No member of the public shall distribute any photograph or other document at or prior to the commencement of any meeting of the committee or leave any documents in the room where the meeting is to be held.
- (ix) If consideration of the agenda item is deferred for any reason members of the public wishing to speak may do so at any meeting when the item is considered.
- (x) Nothing in this rule shall affect the right of any member of the council attending the meeting of the committee under the provisions of any other rule to speak, if so invited, save and subject to where such member has an interest falling within either Procedure Rule D1.28 (b) Prejudicial Interest or Procedure Rule D1.28 (c) Disclosable Pecuniary Interest

Site Visits

- (a) With the exception of applications constituting major development, any member of the planning committee proposing a site visit must in so doing identify the benefit which will accrue from such a visit. The motion shall be seconded and voted upon in accordance with the council's procedure rules.

- (b) The committee should not resolve to hold a site visit unless the benefit is substantial. The reasons for holding a site visit will be recorded in the minutes of the meeting.
- (c) In the case of applications constituting major development, a site visit will take place in advance of the meeting of the Planning Committee at which the application is to be heard.
- (d) The following principles will govern the conduct of site visits:
 - (i) The purpose of the site visit is for members of the committee to visit and inspect the site and its surroundings. Councillors representing wards in which site visits are to take place will be informed of the site visit and, subject to (iii) below, will be permitted to attend those visits.
 - (ii) Applicants and/or their agents will be informed of arrangements for site visits but, except where there is a need to arrange access to the site or for members to be escorted around it, they will not be invited to join members on the visit.
 - (iii) Members will be informed of the proposed schedule for site visits. The letter advising of arrangements for site visits does not however constitute a formal Notice of Meeting and whilst the first visit on any one day will not commence until the stated time, subsequent timings can only be approximate. Members wishing to ensure that they are present at any one visit are therefore advised to join the committee at the start of the day's visits.
 - (iv) There is to be no discussion on the merits of the application. The council is particularly concerned:
 - that the inspection is conducted in an orderly manner;
 - that there are not distractions preventing a proper inspection;
 - that the inspection is conducted at arm's length from applicants and objectors, thus ensuring fairness and impartiality
 - (v) No member of the public (including any applicants) shall be allowed to address members at the site visit. Consideration of the planning merits of the case will take place at the subsequent meeting of the committee which will be held at a different venue from the site to be inspected. The right of the public to speak at

meetings of the committee is set out in Procedure Rule D1.35b (i) to (x).

- (j) **The following arrangements shall apply to meetings of the Licensing and any other committee(s) which may be established by the council.**

Any petition shall be brought to the attention of the committee or sub-committee responsible for the function of the council to which the subject matter of the petition relates, in the following manner.

- (ii) Provided that 5 clear days notice in writing is given to the Director: Governance and Communities a deputation comprising not more than 3 persons may present a petition to the chair of the committee or sub-committee immediately after the business necessary for the meeting to begin or, if appropriate, immediately after the report of the receipt of any petitions, and one member of the deputation shall be permitted to address the meeting for not more than 5 minutes on the subject matter of and the background to the petition.
- (iii) Any member of the Council may present a petition sent to them and the arrangements set out in (ii) above shall apply.
- (iv) A committee or sub-committee to which a petition is presented, or to which receipt of is reported, shall note the receipt or presentation and may call for a report on the subject matter if considered necessary. Members may ask questions or discuss the subject of the petition at its presentation or the report of its receipt for a period not exceeding 10 minutes subject to this not prejudicing a full debate on the subject as an agenda item at that meeting.

D1.36 VOTING IN COMMITTEES AND SUB-COMMITTEES

- (a) Voting at meetings of committees or sub-committees will be by show of hands or using an electronic voting system (if one is available in the meeting room) at the discretion of the Chair. If there is no dissent the Chair may take the vote by the affirmation of the meeting. Members must be seated when the vote is taken.

- (b) If an electronic voting system is used members will have a period of 30 seconds in which to register their votes. At the expiry of the period of 30 seconds the votes then registered will be binding, unless a member immediately indicates to the Chair that his/her vote has not been registered or has been incorrectly registered whereupon the Chair will ask for the vote to be retaken by show of hands. Members who have not registered a vote at that time will be taken to have abstained.
- (c) Where any member requests immediately after the vote is taken, their vote will be recorded in the minutes to show whether they voted for or against the question or abstained from voting.
- (d) If four members present at the meeting rise and demand it prior to the vote being taken, the voting shall be recorded so as to show whether each member present voted for or against the question or abstained from voting. A recorded vote may be taken using an electronic voting system or by a manual roll call. In the case of a manual roll call a period of 30 seconds shall be permitted to allow members to take their places in the meeting room immediately after which the votes shall be taken. The name or vote of any member taking his or her place after the vote shall have commenced, shall not be recorded.
- (d) If there are an equal number of votes for and against a proposal, the proposal shall not be carried unless the Mayor/Chair chooses to use his/her second or casting vote to break the deadlock. The decision on whether or not to exercise a second or casting vote is that of the Mayor/Chair alone. He/she retains the legal right to proceed as he/she sees fit. Exercise of a second or casting vote will not invalidate the decision. (A second vote from the Mayor/Chair means that he/she has voted in the original vote which resulted in tied numbers and votes again to break the deadlock. A casting vote is exercised when the Mayor/Chair did not take part in the original vote and casts a vote in favour or against in order to break the deadlock).

D2.27 PROTOCOL FOR FILMING, AUDIO RECORDING AND REPORTING PUBLIC COUNCIL MEETINGS

27.1 The council supports the principle of transparency and encourages the filming, audio recording and reporting by social media of its meetings that are open to the public. This includes the meetings of full council, committees, scrutiny panels, sub committees and cabinet.

To facilitate these arrangements and to ensure that everyone has an equal opportunity the following arrangements will apply -

- (a) The filming and audio recording and reporting by internet and social media, of all public meetings whilst those meetings are open to the public is permitted in line with the Openness of Local Government Bodies Regulations 2014 and accompanying DCLG guidance.
- (b) Those wishing to film or audio record proceedings should, out of courtesy, inform the chair (or member of democratic services) of the meeting of their intentions to record prior to the start of the meeting.
- (c) Film or audio recordings by members of the public (including press) may only be taken overtly from the area(s) designated for the public and:
 - (i) Recording devices must be in silent mode;
 - (ii) No flash or additional lighting is permitted; and
 - (iii) Recordings must be taken from a position so as not to obstruct others from observing proceedings and focus on those participating in the meeting.

be permitted where the contributions are material to the decisions to be made).

Whilst the council is keen to work within the spirit of the Regulations and encourages transparency, it does however ask that those recording proceedings act reasonably and responsibly in so doing by not editing any film or audio record in such a way that could lead to misinterpretation of the proceedings. This includes refraining from editing an image or views expressed in a way that may ridicule, or show a lack of respect towards those being filmed and recorded.

At the beginning of each meeting, the chair will make an announcement that the meeting may be recorded and reported. Meeting agendas will also carry this message as will notices displayed in prominent positions at the meeting venue. All those attending meetings will be deemed through their attendance to consent to being recorded and reported.

In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within seven working days of the request by the overview and scrutiny committee. At the meeting it will receive a report of the decision or proposals and the advice of the Chief Financial Officer and/or the Monitoring Officer. The Council may either:

Any member of the public who wishes to speak must notify the Director: Governance and Communities in writing/by email/by phone or in person prior to the start of a meeting. The Director: Governance and Communities in consultation with the chair of the relevant panel, will confirm receipt and arrangements with the individual requesting to speak. They may also (in exceptional circumstances) decide and inform an individual that their request is not appropriate (giving reasons) and refuse the opportunity to speak. Any request to speak at a panel meeting by a member of the public shall remain at the discretion of the chair of that panel.

- (ii) A member of the public shall address a scrutiny panel for a reasonable period of time, which shall be at the discretion of the chair. Speakers should confine the content of their remarks to the issue they have raised. They should not be repetitive, irrelevant, or make personal remarks. The chair of the meeting will intervene should they attempt to do so, and at their discretion, stop the individual from speaking.

- (iii) After the individual has stopped speaking or been requested to stop speaking by the chair, the chair at their discretion, shall invite other members of the scrutiny panel to comment or ask questions of the member of the public who has spoken.

- (a) **'Added items'** shall be a standard agenda item for each meeting and the following procedure used for discussion -
 - (i) Any member of any scrutiny panel, including statutory co-opted members shall be entitled to request in writing to the Director: Governance and Communities that he/she/they wish an item relevant to the functions of the council, (post policy making decisions) and/or in the interests of the local community, to be included on the agenda for a future scheduled meeting of the panel. A member(s) shall at the time of the request give clear reasons why the item has been requested and also identify the subject matter and nature of any questions likely to be asked at a future meeting when the item is discussed
 - (ii) A relevant report or briefing paper (with any background papers) shall be submitted by the Chief Executive, and/or Director(s) for inclusion as part of that meeting's agenda.
 - (iii) Consideration of these added items shall be held in public, unless exclusion of access by the public and media is applicable, in accordance with the Constitution's Access to Information Procedure Rules, this being at the discretion of the panel.
 - (iv) To assist with the efficient management of business a limit of one individual 'added item' shall be included on the panel's agenda for each meeting.
 - (v) The chair of the panel will agree the item to be considered at individual panel meetings in consultation with the Director: Governance and Communities on the basis of the order in which requests to include items are received.
 - (vi) The chair of the panel will report to each meeting on those requests received which will not be considered at that particular panel meeting because of the limit on the number of items. The chairman will inform the panel at which scheduled meeting a particular item is likely to be considered by the panel.
 - (vii) For all 'added items' the Chief Executive and/or Director(s) (or his/her representative) shall be invited to attend the meeting. It is at the discretion of the panel whether they are required to speak to their report, provide information and respond to the

panel's questions. (Officers are in attendance to deal with the factual content of their report, not to comment upon decisions taken by members). It is also at the discretion of the panel, whether any other individual including cabinet members are invited to attend the meeting to speak to an added item, if required. (Holding the cabinet/cabinet member to account for a decision made, but not yet implemented, is a matter for the 'call-in' procedure, paragraph D5.22 refers).

(viii) Where requests to include 'added items' have been agreed they should be dealt with at a meeting of the scrutiny panel as follows, also applying the requirements of paragraph D5.19 of these procedure rules:-

- The chair to introduce the item and the scrutiny panel to decide whether the Chief Executive and/or Director(s) are required to summarise his/her corresponding report or briefing paper.
- The chair shall require the scrutiny panel member(s) that requested the item to initiate discussions on it and ask questions of the Chief Executive and/or Director(s) (or any other relevant chairman/cabinet member/or member) present at the meeting.
- The chair shall invite any other scrutiny panel member or other members present at the meeting to ask questions of the Chief Executive and/or Director(s) (or any other relevant chairman/cabinet member/or member) present at the meeting.
- The panel to determine how to deal with the item. The panel shall either note the item, recommend a specific course of action, and/or recommend that further work, or an overview or full scrutiny review be carried out by an appropriate scrutiny panel, under its terms of reference, as part of its annual work programme.
- The chair to conclude business and move on to the next item on the agenda for that meeting.

(b) **Cabinet Member Service Area Priorities Meetings**

Scrutiny Panels shall meet at least every two months with relevant Cabinet Member(s) to consult, discuss and consider business within his/her service area portfolio and/or a scrutiny panel's terms of reference. However, cabinet members may be invited to attend meetings on a more ad-hoc basis should scrutiny panels seek further insight, clarification or explanation to policy changes or service

development or other specific issues identified by the panel. This business may include -

- (i) discussion of items prior to decision; (post decision, refer to 'Added Items' in paragraph D5.12(a).
- (ii) opportunities for Cabinet Members to discuss and possibly refer appropriate business to a relevant scrutiny panel for consultation, and/or consideration for inclusion in its work programme;

Business to be consulted on, discussed and considered by a scrutiny panel shall be at the discretion of the chair, the relevant cabinet member(s) and in consultation with the Director of Governance and Communities.

- (c) (i) **'Performance Monitoring and Assessment'** – Scrutiny Panels shall monitor and evaluate the progress of implementation, effectiveness and performance of action taken or to be taken by the council's cabinet and cabinet members, known as the 'Executive'. The panel shall 'hold the Executive' and/or external partners/partnerships to account' on the performance of selected corporate, service, strategic and budgetary issues. The following performance information and plans (along with others as and when identified) may be used –
 - Performance Indicators and targets
 - Budget Monitoring Reports
 - Benchmarking data
 - Executive Action Plans for previous overview and scrutiny reports
 - Appropriate internal and external audit action plans.
 - Value for money reports.
- (ii) Performance monitoring issues shall be held in public, unless exclusion of access to the public and media is applicable in accordance with the Constitution's Access to Information Procedure Rules, this being at the discretion of the panel.
- (iii) The panel shall report its findings in public giving an 'overview' of the key issues and responses of cabinet members and officers involved. The panel shall also comment upon, form conclusions, and make recommendations suggesting any necessary improvement action which should be carried out by the Executive using an action plan.
- (iv) The panel's report and recommendations shall be submitted to the next available Cabinet meeting for debate, consideration and action. (see paragraph D5.21)

- (v) When conducting the above performance monitoring 'overview' reviews the panel shall, where possible, use the following suggested procedure -

First Stage - Receive a report from the Chief Executive and/or Director(s) containing the relevant performance document/action plan, comments and evidence supporting achievements, implementation, improvements and targets met or otherwise, with appropriate explanations.

- The Chief Executive and/or Director(s) and cabinet member(s) shall attend the meeting to inform and respond to question from the panel.

Second Stage - Findings and evidence from the first stage shall be collated and presented to the panel for discussion and evaluation. The panel, if no further 'overview' information is required, shall agree any comments and recommendations for inclusion in a succinct draft report.

- If the panel has significant major concerns it may recommend that a full scrutiny review (Policy Review and Development Procedure) be carried out by an appropriate scrutiny panel as part of its work programme.

Third Stage - A succinct draft report containing the panel's key findings, comments and recommendations shall be received, considered and approved for submission to the Cabinet/cabinet member for action.

- (vi) The length and depth of the above procedure can be varied if required, with the agreement of the panel and as advised by the Director: Governance and Communities.

- (d) (i) 'Executive Action Plans for previous scrutiny reports' - Approximately 12 months following the adoption of an Executive Action Plan for a previous scrutiny report, the Chief Executive and/or Director(s) at the request of a relevant scrutiny panel shall prepare and submit a brief report to it outlining progress in implementing the plan, its effectiveness and identifying any particular problems encountered.

If the relevant scrutiny panel has any concerns about progress or effectiveness of implementation of above plans, it can undertake an 'overview review' as part of its work programme as soon as possible. (A relevant scrutiny panel may wish to include members who carried out the original scrutiny review).

When a relevant panel decides to carry out an overview review the procedure set out in paragraph D5.12c(v) above of these procedure rules shall be adopted.

(e) Policy Review and Development

- (i) Policy review and development shall be carefully project managed and, at the discretion of a panel, focus upon selected cross cutting services, or be service specific (within its Terms of Reference). External issues and joint scrutiny may also be considered in the interests of the local and wider community.

Policy Review is likely to focus on examining whether intended or current policy outcomes have been achieved and/or have been effective. Take up of services, awareness, procedures involved and other factors may be explored.

Policy Development is likely to involve shaping the formulation of new or existing policy by examining options, alternatives and preferences balanced against resources, needs, best practice, potential outcomes and other factors.

(It is impossible to separate completely policy development from policy review. Undertaking policy review usually leads to making recommendations for developing policy)

- (ii) Having agreed topics for inclusion in its work programme, a scrutiny panel shall conduct both policy review and policy development scrutiny reviews using the following suggested procedure also applying the requirements of paragraph D5.19 of these procedure rules. This shall be applied and varied, with the agreement of the panel, as advised by the Director: Governance and Communities and to suit the nature, complexity and length of a scrutiny review:-

Scrutiny Review Procedure

Objectives and recommendations of scrutiny reviews approved by relevant scrutiny panels shall be SMART (Specific, Measurable, Achievable, Realistic and Timely). Also they shall address value for money and potential financial savings..

The stages of the scrutiny review procedure shall aim to be flexible and include half-day scrutiny panel meetings for evidence gathering, interviewing and analysis for example, as agreed by the scrutiny panel, to ensure that reviews are completed in a reasonable period of time – approximately two months. (subject to agreed variation by the scrutiny panel in consultation with the Director: Governance and Communities.

- First Stage

 - Background information/presentation on subject area and key issues.
 - Scoping sessions identifying review aims, realistic objectives, approaches and possible impact and outcomes in order to proceed.
 - Second Stage

 - Information/evidence gathering and fact finding using research, analysis, evaluation and assessment techniques - usually identifying the national and council's position, policies, resources and performance; applying relevant legislation, guidance and good practice; using statistics, benchmarking and comparisons with other local councils, and organisations and consulting key stakeholders, service providers, users, partner organisations, politicians, employees and members of the public, for example.
 - Workshop sessions with and site visits to the above.
 - Third Stage

 - Interviewing (and evaluation of feedback) from witnesses including key stakeholders, experts, advisers, assessors, representatives of government, local councils partner organisations, service providers and users, politicians, employees and members of the public, for example.
 - Fourth Stage

 - Drafting and consideration of findings, conclusions and recommendations.
 - Consideration and approval of draft scrutiny review report for submission to cabinet.
- (iii) The panel shall report its agreed findings, conclusions and recommendations formally for each scrutiny review to the cabinet for consideration and action.

(An illustrated version of the above procedure is set out for ease of reference in Table one at the end of these procedure rules)

- (iv) The panel following consultation with the Director: Governance and Communities may appoint or co-opt (with non-voting rights) experts, advisers or assessors to assist them. It may commission research, conduct public surveys, and do all other things that are reasonably considered necessary to inform its deliberations. The panel may ask key stakeholders and expert witnesses to provide written evidence and/or attend meetings to address members on any matter under consideration (see paragraph D5.16).

External experts, advisers, assessors or witnesses may be paid a reasonable fee and/or expenses for their attendance.

- (v) On occasions and where necessary a scrutiny panel may request a short informal pre-meeting/briefing prior to a scheduled meeting of a panel, where individuals, groups and representatives have been invited to interview or consultation for example.

D5.13 HEALTH SCRUTINY

- (a) (i) The Health Scrutiny Panel shall scrutinise any matter relating to the planning, provision and operation of health services provided or commissioned by local National Health Services (NHS) bodies within the council's area, or services provided outside the council's area for inhabitants within it. These include services which promote health or prevent ill-health and provide treatment for individual patients which are managed, arranged and provided by appropriate health agencies.

The panel shall also scrutinise any issue which may have a wider effect on people's health, to address health inequalities and seek improvements to people's physical and mental wellbeing. This may involve a number of public and private organisations and agencies including the council, NHS bodies and the voluntary and community sectors.

- (ii) Having agreed topics for inclusion in its work programme, following consultation with members and officers of the council, local NHS bodies, Healthwatch and relevant voluntary sector organisations, the panel shall conduct health scrutiny reviews using a similar suggested procedure as outlined in paragraph D5.12 (e) (ii) and applying the requirements of paragraph D5.19 of these procedure rules.

- (iii) The panel may co-opt non-voting individuals onto the panel with an interest in, or knowledge of an issue being scrutinised. They shall remain a co-opted member of the panel for the duration of the issue being scrutinised, unless the panel decides otherwise. On occasions it may be preferable for the individual to act as an adviser to the panel, rather than be co-opted formally.

(b) Making Reports and Recommendations to the relevant NHS Body

The Health Scrutiny Panel has no power to make decisions or to require that others act upon their suggestions (although an NHS Body is required, on request, to respond in writing to recommendations made). The panel shall make reports and recommendations to the council's cabinet, relevant NHS bodies or other local agencies on any appropriate matter it reviews or scrutinises in accordance with the Health and Social Care Act, 2001 the Health and Social Care Act, 2012 and associated legislation. - the views of the NHS body on the recommendations;
- the proposed action in response to the recommendations, and
- any reason for inaction to the recommendations made.

(iv) Where a health scrutiny review has implications for, comments upon or makes recommendations to any service provided by the council, the panel shall submit the report to the council's cabinet for debate, consideration and any action. A similar suggested procedure set out in paragraph D5.22 of these procedure rules shall then be applied where appropriate.

(c) **Consultation by NHS Bodies**

- (i) Each local NHS body has a duty to consult the Health Scrutiny Panel on any proposal it has under consideration for a substantial development of the health service(s), or a substantial variation in the provision of a service(s) in the council's area.
- (ii) The relevant NHS body is likely to discuss any proposals for the above changes with the panel at an early stage, in order to agree whether or not the proposal is considered substantial. The discussions should also include agreement of how long the consultation shall last and how it is to be carried out, taking into account local community needs, relevant documentation, communication with and response from interested parties, and their analysis and evaluation.
- (iii) An NHS body undertaking a consultation shall, if necessary, be invited to attend a meeting(s) of the Health Scrutiny Panel upon request to explain and answer questions on the rationale behind the proposals and the options for change being considered.
- (iv) Having considered the above proposals and local evidence gathered, the panel shall prepare and submit its comments (if any) to the relevant NHS body(ies). If the panel has any comments it shall respond within the time-scale specified by the NHS body.

it may report the issue to the Secretary of State in writing making its reasons and conclusions clear. The panel shall not consider any referral to the Secretary of State until the relevant NHS body(ies) has had an opportunity to respond to the panel's comments, and if it so wishes, an effort has been made to resolve the matter locally.

- (vi) Where referral has been made to the Secretary of State he/she may ask an Independent Reconfiguration Panel (IRP) to advise him/her on the matter before direction is given to the NHS body and/or Health Scrutiny Panel on the above matters.
- (vii) Responses to consultations by NHS bodies shall be made available in public, unless the matter is exempt for reasons defined in the council's Constitution, Access to Information Procedure Rules or by Patient Confidentiality legislation.

(d) **Joint Committees/Panels**

- (i) Joint scrutiny committees/panels may be required to be established by two or more appropriate local authorities where -
 - a specific scrutiny review is planned, reviewed and undertaken of a NHS health service provided and spanning more than one local council area, and

The report should aim to be consensual. The NHS body receiving the report must respond in writing to any requests for responses to the report or recommendations, within 28 days of receipt of a request.

- (c) In accordance with the Health and Social Care Act 2001 and the Health and Social Care Act, 2012 and subsequent statutory regulations, local National Health Service (NHS) bodies must provide a scrutiny panel with such information about the planning, provision and operation of health services in the area of the panel's local authority as the panel may reasonably require to undertake effective overview and scrutiny. (A number of exceptions to this requirement are detailed in Part 1 of Schedule 1 of the Health and Social Care Act, 2001).

Where a local NHS body relates to more than one overview and scrutiny panel and a joint committee/panel has been established, it will have fulfilled its duty in providing information to all those committees/panels by providing it to the joint committee/panel.

- (iv) The draft action plan will also be submitted to the relevant scrutiny panel for comment before consideration by the Cabinet. Any comments will then be included in a corresponding report containing the draft action plan, to be submitted and considered by the Cabinet or relevant cabinet member(s) for approval.

This report will explain clearly why any recommendation contained in the scrutiny panel's report cannot be implemented. The action plan will give target dates when all other recommendations are likely to be implemented. Call-in should only be used in exceptional circumstances. These are where members of the appropriate scrutiny panels have evidence which suggest that the cabinet or decision maker did not take the decision in accordance with the principles set out in Article 13 of the Constitution. (Call-in is of a decision made, but not yet implemented).

- (a) When decisions are made by the cabinet, an individual member of the cabinet or a committee of the cabinet, or a key decision is made by an officer under delegated authority (or under joint arrangements), those decisions shall be published, including wherever possible by electronic means, and shall be available at the main offices of the council normally within two working days of being made.
- (b) Chairs and vice-chairs of all scrutiny panels will also be sent copies of the records of all such decisions within the same timescale by the

person responsible for publishing the decision, i.e. the proper officer of the council or his representative.

- (c) On publication of decisions in accordance with the council's executive arrangements, those decisions which can be subject to call-in as detailed in paragraph D5.22 (a) will come into force and may then be implemented on the expiry of two working days after publication, unless a scrutiny panel objects to a particular decision and calls it in.
- (d) During the period referred to in (c) above, the Director: Governance and Communities shall call in a decision for scrutiny by the relevant scrutiny panel if so requested by the chairman or any two members of any scrutiny panel, and shall then notify the decision taker of the calling in of a particular decision. The request shall also give clear reasons why the decision has been called in. (A proforma is available electronically from the Head of Democracy).
- (e) Where a decision has been called in, any action to implement that decision will be suspended until it may be made in accordance with the following provisions of this procedure rule.
- (f) In consultation with the chair of the relevant scrutiny panel, the Director: Governance and Communities shall call a meeting of that panel on such a date and at such time to be determined within five working days of the decision to call-in. The relevant cabinet member (together with the Chief Executive and/or Director(s)) shall be requested to be available to attend the meeting in order to respond to any questions from the panel on or relevant to the decision.
 - An agenda for the meeting to consider the called in decision will be sent to members of the scrutiny panel with a copy of the request for call-in, a copy of the decision and a copy of the report on which the decision was based.
 - At the meeting of the panel the chair or a nominee of the members who have requested the call-in, shall be required to present the reasons why the decision has been called in and initiate any questioning of the relevant cabinet member(s), together with the Chief Executive and/or Director(s), on or relevant to the decision.
 - The chair shall then invite other members of the panel to ask the relevant cabinet member (together with the Chief Executive and/or Director(s)) any further questions on or relevant to the decision.
 - The panel will then consider whether it has sufficient material before it on which to decide the next course of action i.e. to take no further action on the decision, refer it back to the decision

maker for reconsideration or (in limited circumstances) to refer it to the council (see paragraphs (g) - (m) below).

- If the panel decides that it needs further information and/or the attendance of particular persons in order to reach a decision it shall arrange a further meeting to enable the information and/or persons to be available.
 - The decision will remain suspended until the scrutiny process has been completed and one of the outcomes set out in paragraph (g) has been achieved.
- (g) If, having considered the decision, the relevant scrutiny panel is still concerned about it, then it may -
- (i) recommend (with any representations), that the decision be reconsidered by the body or person that made it, or
 - (ii) arrange for the full council to consider the decision and, where necessary, ask the executive or decision maker to reconsider it.

If the decision is referred back to the decision maker or decision-making body, that decision should be reconsidered within a further five working days.

- (h) Where the decision maker or decision-making body reconsiders the decision it could -
- (i) confirm the original decision, or
 - (ii) agree to change that decision having considered the representations made by the scrutiny panel.
- (i) If, following an objection to a particular decision, the panel does not meet, or does meet but does not refer the matter back to the decision-making person or body, that decision shall take effect on the date of the scrutiny meeting, or the expiry of that further five working day period referred to in paragraph (f) above, whichever is the earlier.
- (j) The relevant scrutiny panel may exercise its power in section 21(3)(b) of the Local Government Act 2000 to refer a matter to the council only if the panel considers that the decision is contrary to the policy framework or contrary to, or not wholly in accordance with the budget.
- (k) If a matter is referred to the full council in accordance with paragraph (j) above, the Director: Governance and Communities in consultation with the Mayor shall call an extraordinary meeting of the council within seven working days.

- (l) If the council does not object to a decision which has been made, then no further action is necessary and the decision will become effective on the date of that council meeting. However, if the council does object it has no power to make decisions in respect of an executive decision unless it is contrary to the policy framework, or contrary to or not wholly consistent with the budget. Unless that is the case, the council will refer any decision to which it objects back to the decision-making person or body, together with its views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the cabinet as a whole or a panel of it, a meeting will be convened to reconsider that decision within five working days of the council request. Where the decision was taken by an individual cabinet member, that individual should reconsider the decision within five working days of the council request.
- (m) If the council does not meet, or if it does but does not refer the decision back to the decision-making person or body, that decision will become effective on the date of the council meeting or expiry of the period in which the council meeting should have been called, whichever is the earlier.
- (n) The call-in procedure set out above shall not apply where the decision being taken by the Executive is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the council's or the public's interests. The record of the decision, and notice by which it is made public shall state whether in the opinion of the decision-making person or body, the decision is an urgent one, and therefore not subject to call-in. In the case of a key decision the provisions of Part D Rule 2.17 must be observed before the decision is taken. Such key decisions taken as a matter of urgency must be reported in accordance with Part D Rule 2.18 (2).
- (o) The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to council with proposals for review if necessary.
- (p) In order to ensure that call-in is not abused, nor causes unreasonable delay, but at the same time to ensure that there is an appropriate balance between effectively holding the Executive to account, being able to question decisions before they are implemented and allowing effective and efficient decision making by the Executive within the policy framework and budget agreed by the council, the following limitations have been placed on its use -
 - (i) Call-in of any Executive decision must be within two working days of the publication of a decision.
 - (ii) The chair or any two members of any overview and scrutiny panel are needed for a decision to be called in.

- (iii) Overview and scrutiny panels may call-in fifteen Executive decisions in total in the twelve-month period, annual meeting to annual meeting.

(An illustrated version of the 'Call-in' procedure is set out for ease of reference in Table two at the end of these procedure rules).

D5.23 COUNCILLOR CALL FOR ACTION PROTOCOL

(a) Introduction

- (i) The "Councillor Call for Action"(CCfA) was introduced under section 119 of the Local Government and Public Involvement in Health Act 2007, and came into force on 1 April 2009.
- (ii) The Act enables any member of the Council to refer to an appropriate scrutiny committee/panel any local government matter or any crime and disorder matter which affects their ward.¹ In North Lincolnshire, CCfAs regarding local government matters shall be referred to and dealt with by the relevant scrutiny panel as defined by its terms of reference. Crime and disorder matters shall be referred to and dealt with by the council's Crime and Disorder Committee as stated in the Police and Justice Act 2006, Crime and Disorder (Overview and Scrutiny) Regulations. This will be deemed to be the Places Scrutiny Panel. However, all referrals to either panel shall apply this protocol.
- (iii) The power to refer a matter as a CCfA is available only where the matter is of direct concern to the ward which the councillor represents. A councillor can refer a matter even if no citizen has asked him/her to consider it, and there is no requirement for councillors in multi-member wards to agree - any of them can refer a matter.

(b) Limitations

- (i) It is important to recognise that CCfA is a 'last resort' and is also not guaranteed to solve a given problem. CCfA can provide a method for discussing such problems and through discussion, trying to overcome them.

(c) Issues excluded from referral as a CCfA

- (i) The Overview and Scrutiny (Reference by Councillors) (Excluded Matters) (England) Order 2008 excludes the following matters from referral as a CCfA:
 - Individual complaints concerning personal grievances or commercial issues.
 - Any matter relating to an individual or entity where there is already a statutory right to a review or appeal (other than the right to complain to the Local Government Ombudsman), for example;

Planning and licensing applications and appeals, Council Tax/Housing Benefits complaints and queries, and issues currently under dispute in a court of law.

- Any matter which is vexatious, discriminatory or not reasonable to be included on the agenda for, or to be discussed at, a meeting of the appropriate scrutiny panel. (or its sub-groups)².

1. For definitions of a local government matter and a local crime and disorder matter please see explanatory notes pages at appendix 2.

2. For definitions of vexatious, discriminatory and not reasonable please see explanatory notes pages at Appendix 2.

(ii) In addition to the above, a matter which is the same or substantially similar to one which has been the subject of a CCfA within the period of twelve months shall be regarded as an excluded matter.

(iii) A referral, provided it is not an excluded matter (see above), will ensure that the matter can be considered by the scrutiny panel. It is then up to the panel to decide whether or not to take the matter further as a CCfA.

(iv) Advice and determination of exclusions will be given by the Head of Democracy and ultimately the Monitoring Officer.

(d) Steps to be taken prior to making a Councillor Call for Action referral

(i) Prior to a councillor referring a matter as a CCfA to the scrutiny panel, a councillor must have tried to resolve the issue/problem themselves using all mechanisms and resources available to them at ward level. Councillors should:

- If a local crime and disorder matter, have raised the issue through the North Lincolnshire Safer Neighbourhoods Partnership and Neighbourhood Action Teams to find a way to resolve it.
- Ensure that all relevant partner organisations have been informed of the issue and have been given enough time to attempt to resolve it, for example, through formal letters written on behalf of constituents, discussion at public meetings, petitions, communication with local MPs, parish and town councils and especially Neighbourhood Action Teams.
- Ensure that all relevant and potential routes to solution within the council have been followed, for example informal/formal

discussions with officers and/or cabinet members, questions at committees and petitions.

- Ensure that it is not an issue that is currently being or should be pursued via the Council's complaints procedure or any other appropriate complaints procedure.
- Ascertain whether or not any other form of local scrutiny is investigating the issue, (for example, Standards and Audit Committees).

(e) How to make a Councillor Call for Action referral

(i) After carrying out the above, and if the issue/problem is still not resolved, the councillor can refer it to the scrutiny panel as a "Councillor Call for Action ". To do this the councillor should complete and submit to the Head of Democracy a 'CCfA Request Form' outlining what the issue is and what steps have been taken towards a resolution. The request form is available from the Head of Democracy (electronically or hard copy). See Appendix 1. The request form for a CCfA should include:

- The name of the councillor and ward they represent
- Title of the CCfA and date of submission
- Why the councillor thinks the issue should be looked at by the appropriate scrutiny panel
- A brief synopsis of what the main areas of concern are
- What evidence the councillor has in support of their CCfA
- Which areas or community groups are affected by the CCfA
- What the councillor has done to try and resolve the issue prior to requesting a CCfA (Any letters, emails etc should be attached to the form as evidence of what has been tried to resolve the issue).
- Whether the CCfA is currently the subject of legal action by any party (to the councillor's knowledge) or is being examined by a formal complaints process
- Whether there are any deadlines associated with CCfA of which the appropriate scrutiny panel needs to be aware.

(ii) The Head of Democracy shall receive the referral form, log it to track its progress, and following the advice of the monitoring officer, shall assess the issue to ensure that it is not a matter excluded from referral to the scrutiny panel.

(iii) Following confirmation by the Monitoring Officer, or Head of Democracy shall inform the chair of the appropriate scrutiny

panel that the request has been received and whether it shall be an agenda item for consideration by the panel. The referring councillor(s) shall also be informed whether or not their referral has been successful.

- (iv) A successful referral will ensure that the CCfA shall be placed on the next agenda of the scrutiny panel (public meeting). It is then up to the panel to decide whether or not to take the matter further. (see timescales, page 5)

(f) Decision of the Scrutiny Panel whether to take the matter further

- (i) In deciding whether or not to take the matter further the panel shall consider:

- Any work that the councillor has done in relation to this matter; and
- Representations made by the councillor as to why the panel should take the matter up; Councillors are expected to present their CCfA and to submit a brief covering statement setting out their views, for consideration by the scrutiny panel. Any statements prepared by councillors shall be circulated with the agenda alongside the CCfA referral form (This information will need to take account of the disclosures of exempt information as described in Part 1 of Schedule 12A of The Local Government Act 1972 (as amended))

- (ii) In considering the CCfA the chairman of the scrutiny panel may invite the relevant cabinet member (or other member) the Chief Executive, or Director(s) or external organisation or any other witnesses to discuss the issue with the panel and answer any questions. Appropriate notice should be given. All those invited should make every effort to attend (or send an appropriate representative).

- (iii) The criteria the scrutiny panel shall use to decide whether or not to take the matter further shall include:

- Is the scrutiny panel satisfied that all reasonable attempts have been made to resolve the issue by the ward councillor? Do the responses received by the referring councillor demonstrate that the matter is not being progressed?
- Has the scrutiny panel considered a similar issue recently - if yes have the circumstances or evidence changed?
- Is there a similar or related issue which is the subject of a overview/review on the current scrutiny work programme? (It may be more appropriate to link the new issue to an existing

review, rather than hold a separate CCfA hearing. Relevant time pressures on resolving the CCfA should be taken into account)

- Have all relevant service areas or partner organisations been informed and been given enough time to resolve the issue? What response has the councillor received?
- Is this a case that is being or should be pursued via the Council's corporate complaints procedure or any other complaints process?
- Is the issue part of an individual's own personal agenda (an issue of genuine local concern should have an impact on the ward's local community)?
- Is this an issue currently being looked at by another form of local scrutiny, (for example, a Standards or Audit Committee)?
- And as with all overview and scrutiny, does the matter referred have the potential for scrutiny to produce recommendations which can realistically be implemented and lead to improvements for anyone living or working in the referring member's ward?

(g) Considering the CCfA

- (i) If the panel decides not to accept the CCfA referral it must inform the referring councillor(s) and provide reasons in writing.
- (ii) If the panel decides to accept the CCfA referral, it must agree how and when it intends to take the matter forward and include the CCfA in its annual work programme.
- (iii) The panel should agree how the CCfA is dealt with (possibly using a sub-group if necessary) and which members, witnesses, partners, officers, co-optees be invited, following advice received from the Head of Democracy.
- (iv) The councillor(s) shall be informed in writing that the referral has been successful and the course of action to be taken.

(h) Potential outcomes

- (i) Following consideration after CCfA investigations, there are the following possible outcomes from the appropriate scrutiny panel:

- The scrutiny panel write a report and make recommendations on the CCfA to the cabinet and/or relevant partners organisations.
 - The scrutiny panel could determine that it is a complex issue that requires further investigation and commissions a full policy review and development scrutiny review of the issue:
- (ii) Once the scrutiny panel has completed its work on the CCfA referral the councillor who made the CCfA referral, shall receive a copy of any report and recommendations made. The report shall also be made available on the council's website, unless the matter was an exempt item, in which case the report may not be made public.
 - (iii) Once published the report should be referred to the cabinet where its recommendation should be considered and an action plan agreed (see 9.4 below).

(i) Timescales

- (i) Once a CCfA has been assessed as not being a matter which is excluded from referral to the scrutiny panel, the item will be included on the next scrutiny panel's (public meeting) agenda. If a meeting of the scrutiny panel is not scheduled within 28 days of receipt, a special meeting may be arranged following consultation with the chairman.
- (ii) If the scrutiny panel decides to accept the referral as a CCfA, it will agree how to take the matter forward (following advice received from the Head of Democracy) and include it within its annual work programme.
- (iii) Should a CCfA hearing result in a report and recommendations to the cabinet being made, the cabinet shall consider these together with an action plan at its next appropriate meeting.
- (iv) Should a CCfA hearing result in recommendations to partner organisations, such organisations shall be requested to make a response (with action to be taken) to the report and recommendations within one month.
- (v) The action/outcomes of the CCfA will be revisited by the appropriate scrutiny panel within 6-8 months of above response/agreed action plan.

Appendix 2 - Explanatory Notes

1. Definition of a local government matter and a local crime and disorder matter

Local government matter

For the purpose of the Act a local government matter, in relation to a member of a local authority is one which:

- Relates to the discharge of any function of the council,
- Affects all or part of the electoral area for which the referring member is elected or any person who lives or works in the area (i.e. it must be specific to a particular locality); and
- Is not an excluded matter.

However, the guidance produced by the Centre for Public Scrutiny and Improvement and Development Agency advises that, to give full effect to CCfA, the interpretation of "local government matter" needs to be broader. This includes issues relating to the Council's partners, in line with the area focus of Comprehensive Area Assessment (CAA), and the fact that an authority's duties increasingly impact on other organisations, and involve partners within and outside the Local Strategic Partnership (LSP).

Local crime and disorder matter

A local crime and disorder matter, in relation to a member of a local authority, has been defined to mean a matter concerning:

- (a) crime and disorder (including in particular forms of crime and disorder that involve anti-social behaviour or other behaviour adversely affecting the local environment); or
- (b) the misuse of drugs, alcohol and other substances that affects the electoral area represented by the member, or the people who live or work in that area.

2. Definitions of "vexatious", "persistent", "discriminatory" and "not reasonable"

Statutory regulations deal with matters that can be excluded from CCfA, stating that "any matter which is vexatious, discriminatory or not reasonable to be included on the agenda for, or to be discussed at, a meeting of the scrutiny committee is to be excluded".

Vexatious/Persistent

Deciding whether a request is vexatious is a flexible balancing exercise, taking into account all the circumstances of the case. There is no rigid test or definition, and it will often be easy to recognise. The key question is whether the request is likely to cause distress, disruption or irritation, without any proper or justified cause.

Issues around persistency are implied by this definition. However, a persistent request may well be entirely valid - it may relate to a systematic problem that has not been effectively resolved.

CCfAs need to be looked at on their merits, rather than on the basis of who is bringing them, or whether somebody thinks there is an ulterior motive for them being brought.

Where a request for a CCfA is clearly vexatious, detailed reasons for coming to this decision will be given to the councillor concerned. There could, however, be instances where changes to the scope of the CCfA, or its focus, could make it more acceptable while still meeting the councillor's requirements.

Discriminatory

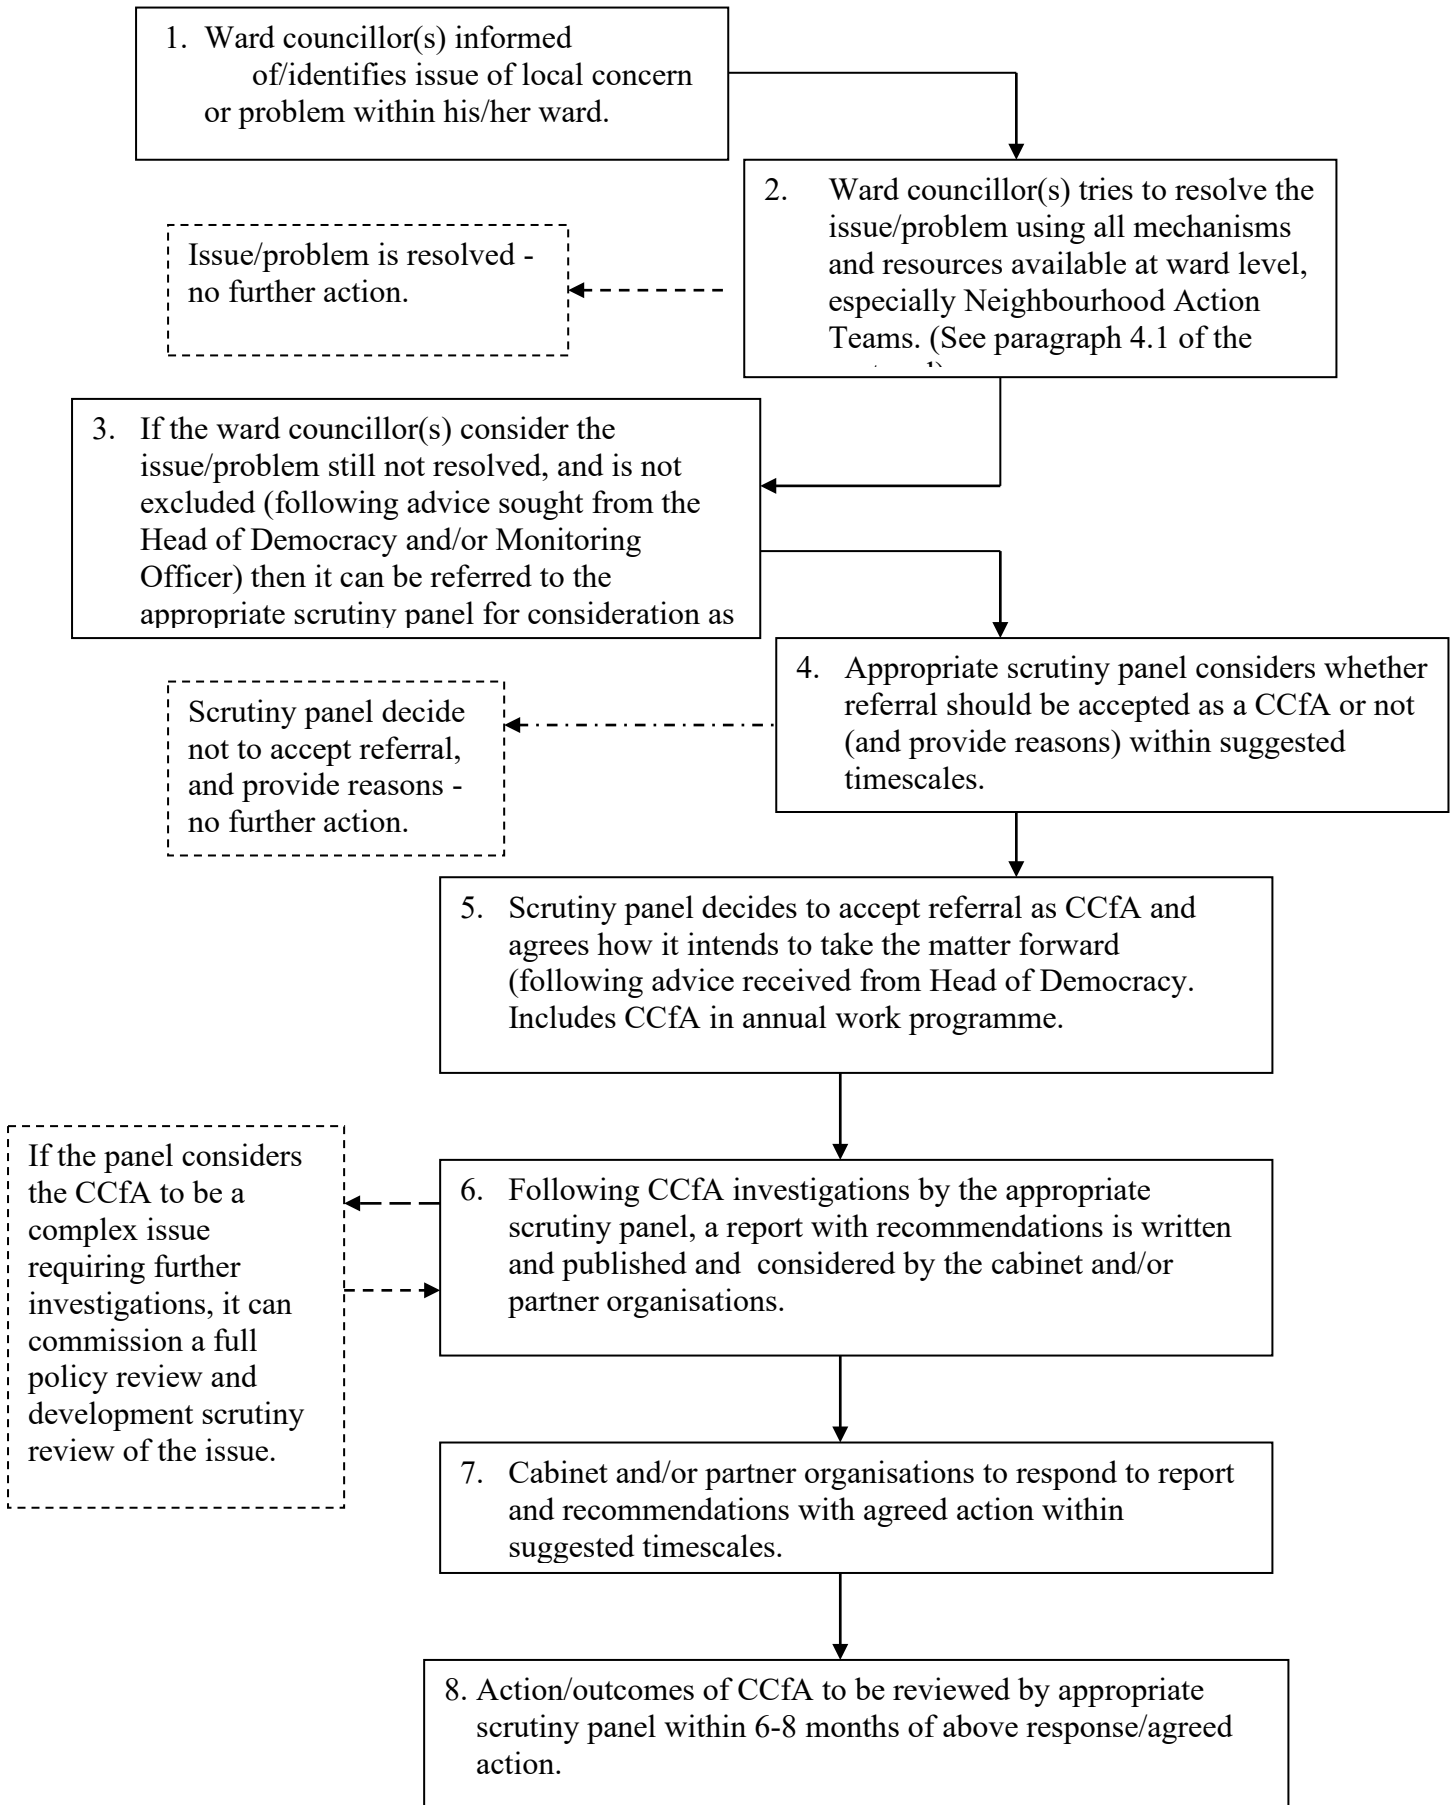

A modern interpretation of the word "discrimination" is provided at Section 45 of the Equality Act 2006, in relation to religion and belief, as follows:-

A person (A) discriminates against another (B) if on the grounds of the religion or belief of B or of any other person except A, A treats B less favourably than he treats others. This definition can easily be amended to deal with other forms of discrimination, such as discrimination for reasons of sex and/or race. So a discriminatory CCfA might be one which implies or states that a group of people or an area receives better, or worse, services on account of that group's predominant religion, race, sex or other characteristic, as covered by discrimination legislation.

Not reasonable

It is suggested that, in the interests of transparency, authorities do not interpret "not reasonable" as being the same as the legal word "unreasonable". It is best to consider it as a qualifier to the word "vexatious", as a vexatious request is likely not to be reasonable and a request that is not reasonable is likely to be vexatious.

Appendix 3 - Summary of CCfA Process

D5.24 SCRUTINY OF THE CRIME AND DISORDER REDUCTION PARTNERSHIP

(a) Introduction

- (i) In accordance with Part 3 of the Police and Justice Act 2006, local authorities have the power to scrutinise the Crime and Disorder Reduction Partnership in their area (in North Lincolnshire this is the Safer Neighbourhoods Partnership) and make reports and recommendations to the Local Authority and the partnership. In North Lincolnshire, this is undertaken by the Governance Scrutiny Panel, which has been designated the “Crime and Disorder Committee” under Paragraph 1, Section 19 of Part 3 of the Act.
- (ii) This Protocol has been produced between North Lincolnshire Council, The Governance Scrutiny Panel and the respective partners comprising the North Lincolnshire Safer Neighbourhoods Partnership. The publication of Regulations and good working practice has shaped this Protocol which may be revised by agreement between all the interested parties in order to continually improve the scrutiny process.

(b) Principles of Scrutiny Operation

- (i) Scrutiny in North Lincolnshire is positive, objective and constructive. It acknowledges good practice and recommends improvements where it feels that these would be of benefit. Scrutiny concentrates on service outcomes and seeks to add value to each service that it considers.
- (ii) Community safety and freedom from crime and disorder for the people of North Lincolnshire is dependant upon many factors including the services provided in partnership by partners in the Safer Neighbourhoods Partnership. This shared responsibility will be acknowledged by scrutiny and will feature in scrutiny reviews.
- (iii) Scrutiny of the reduction of crime and disorder will only be truly successful if key organisations work and co-operate together in an atmosphere of mutual respect and trust with an understanding and commitment to its aims.
- (iv) The key organisations involved in scrutiny of crime and disorder must be willing to share information, knowledge and reports which relate to the delivery and success of services in North Lincolnshire and carry out duties that would be reasonably expected of them to enable crime and disorder scrutiny to be successfully undertaken.
- (v) At all times both officers and members of the organisations involved in crime and disorder scrutiny, representatives and members of the public will be treated with respect and courtesy. Matters of confidentiality will be treated with respect.

- (vi) Crime and disorder scrutiny will be open and transparent. Any person involved in crime and disorder scrutiny will always declare any personal or other pecuniary interest that they have either in a scrutiny exercise or during a meeting of the scrutiny panel in accordance with the Code of Conduct relating to standards of conduct and ethics.
- (vii) The North Lincolnshire Governance Scrutiny Panel, whilst working in partnership, is independent of the respective partners comprising the North Lincolnshire Safer Neighbourhoods Partnership.
- (viii) Scrutiny of Crime and Disorder will try to maximise the involvement of the community and will work with other agencies representing the public.
- (ix) Scrutiny of Crime and Disorder will be focused on improving services and service provision for the people of North Lincolnshire and will concentrate on outputs that are intended to help improve community safety and reduce the fear of crime in North Lincolnshire.

(c) The North Lincolnshire Governance Scrutiny Panel

- (i) All dates and times of meetings of the Scrutiny Panel, agendas, minutes and reports will be circulated to members and the North Lincolnshire Safer Neighbourhoods Partnership in accordance with the Local Government Act 2000 or subsequent legislation.
- (ii) The North Lincolnshire Safer Neighbourhoods Partnership will be consulted on Annual Work Programmes and informed in advance of scrutiny exercises that the Scrutiny Panel is intending to undertake. They will also be informed of the scope of all scrutiny exercises and will be given adequate notice of invitations to attend meetings of Scrutiny Panels and any required information.
- (iii) The North Lincolnshire Safer Neighbourhoods Partnership will be consulted on any draft reports before they are published. Final reports will be presented to North Lincolnshire Council, the North Lincolnshire Safer Neighbourhoods Strategy Board, be published on the Council's website and circulated in accordance with the regulations on scrutiny of crime and disorder.
- (iv) Crime and disorder scrutiny is not to be used as a complaints procedure. Case studies may however be used as part of supporting information for scrutiny exercises.
- (v) The North Lincolnshire Safer Neighbourhoods Partnership will be informed of any press releases relating to crime and disorder scrutiny although the council's Public Relations Service may speak to the press

in advance of meeting to brief them about forthcoming Scrutiny Panel meetings.

- (vi) The Governance Scrutiny Panel will at all times comply with the Constitution of North Lincolnshire Council.

(d) North Lincolnshire Safer Neighbourhoods Partnership

- (i) The North Lincolnshire Safer Neighbourhoods Partnership will work in partnership with the Governance Scrutiny Panel to provide objective and effective scrutiny of crime and disorder in North Lincolnshire.
- (ii) The Safer Neighbourhoods Partnership will provide information relating to the planning and operation of crime and disorder reduction activities and strategies that is required by the Scrutiny Panel so that it can undertake its required scrutiny reviews. This excludes information reasonably likely to prejudice legal proceedings or current or future operations of the responsible authorities, whether acting together or individually, or of the co-operating persons or bodies.
- (iii) Information provided to the Scrutiny Panel shall be depersonalised unless the identification of an individual is necessary or appropriate in order to enable the Scrutiny Panel to properly exercise its powers (not withstanding the paragraph above).
- (iv) The Safer Neighbourhoods Partners will provide the Scrutiny Panel with such information within 20 working days of the receipt of the request, in line with Freedom of Information legislation. The partners will endeavour to provide such information as soon as it is practicable.
- (v) The North Lincolnshire Safer Neighbourhoods Partnership will respond to crime and disorder scrutiny reviews by written, considered response as soon as practicable and otherwise within a maximum of twelve weeks. The Safer Neighbourhoods Partnership will provide acknowledgement of the report and an initial response within four weeks of the presentation of the report, if a considered response is not ready at that time.
- (vi) A separate protocol and procedure will be agreed to cover references to the Scrutiny Panel from the elected members via the Councillor Call for Action.
- (vii) The Safer Neighbourhoods Partnership will nominate a main contact person for each crime and disorder scrutiny exercise and maintain regular contact with the Scrutiny Panel, attending in person when invited.

- (viii) The Safer Neighbourhoods Partnership will ensure that staff members attending Scrutiny Panel meetings are able to answer questions openly and are given appropriate support by their line managers.
- (ix) The Safer Neighbourhoods Partnership will be proactive and suggest potential topics and items of interest for inclusion on the Governance Scrutiny Panel's work programme.
- (x) The Safer Neighbourhoods Partnership will contribute where appropriate to other cross-cutting reviews that have incidental impact on Crime and Disorder matters.
- (xi) The Humberside Police and Crime Panel will be fully engaged in the Governance Scrutiny Panel where crime and disorder matters are being considered.

- 1.1 The council has appointed the Director: Governance and Communities the officer responsible for the proper administration of the council's financial affairs under Section 151 of the Local Government Act 1972.
- 1.2 The following Financial Regulations are based on the requirements of the Accounts and Audit Regulations 2015 and subsequent amendments and all employees of the council are required to comply with the regulations and any detailed manuals of instruction, accounting instructions, or points of procedure, issued by the Director: Governance and Communities.
- 1.3 To enable the Director: Governance and Communities to meet these responsibilities all members and Directors are required to consult the Director: Governance and Communities with respect to any matter which is liable to materially affect the resources of the council, before any commitment is incurred, or a report made to any formal decision-making process.

- 1.5 Prudential Code - When considering capital investment decisions which affect council borrowing the Director: Governance and Communities will report to council the indicators required by the Local Government Act 2003 and the CIPFA Prudential Code. This will normally be to the special council meeting which sets the annual budget and council tax. He/she will ensure that these are monitored regularly and revised where necessary. Reports will be made to council or cabinet periodically during the year, and in all cases when changes have been made.

- 3.2 All officers of the council shall advise the Director: Governance and Communities of any reports or statements which they propose to submit, or take to a meeting of cabinet, cabinet member, a committee, or of council, which could have financial implications. Financial consequences shall include both capital and revenue, and changes to either expenditure or income, or both. This regulation shall be subject both to the cash limits in regulation 4.3 and to the budget transfer requirements in regulation 4.7.
- 4.6 Expenditure may be incurred within the budget approved by the council without further reference to any formal decision-making process unless specifically required by cabinet or the appropriate service cabinet member.
- 4.7 The necessary approval for a revenue or capital budget transfer depends on the value of the transfer.

4.10 Directors are also required to report as part of established budget monitoring and reporting arrangements anticipated budget underspends or details of additional income to the Director: Governance and Communities on:

Contract Procedure Rules

1.1. Introduction

- 1.1.1. The Local Government Act 1972 section 135 requires the Council to have standing orders setting out for how it will enter into contracts. These Contract Procedure Rules (CPRs) are the framework of mandatory procurement procedures that must be followed by officers and members when entering into contracts on behalf of the Council. They form an integral part of the Council’s Constitution.
- 1.1.2. These CPR’s govern **ALL** purchases of works, goods, services, and supplies across the whole Council, which must be adhered to by Council officers, duly authorised third persons and members.
- 1.1.3. All Council procurements **MUST** demonstrate true and fair competition, public accountability, an open, fair, and transparent process, seek to prevent bribery and corruption, whilst ensuring probity. All procurements **MUST** demonstrate a full audit trail.
- 1.1.4. If the Council fails in its duty to adhere to these CPR’s and legislative requirements, a potential supplier may have justifiable cause for complaint. The Council may be required to pay compensation if such a complaint were upheld.

In addition, a contract or framework agreement may be rendered ineffective, either in whole or in part, and civil financial penalties may be imposed on the Council. Officers and members also have a personal responsibility to comply

with these CPRs. Procurement practices are scrutinised by bidders and government (The Public Procurement Review Service).

1.1.5. These CPRs:

- help the Council obtain value for money so that, in turn, value for money services may be provided to the public;
- ensure the Council complies with the law governing spending of public money and the policy on transparency regarding Council expenditure;
- provide a legal and auditable framework for the Council's procurement activities;
- protect Council officers and members from undue criticism or allegation of wrongdoing; and
- support the delivery of commissioning strategies.

1.2. Compliance and Application

- 1.2.2. Maintained Schools shall procure or purchase goods, works, suppliers or services in accordance with the Scheme for Financing Schools and the Procurement Regulations (when appropriate).

An audit trail for all procurements should be maintained and where they are over the threshold level (identified within paragraph 1.5.1) specific decisions and verifications must be recorded and be available throughout the procurement and after the contract has been awarded in line with the

Procurement Regulations and UK Legislation requirements.

- 1.2.5. No member or officer of the Council acting without proper authority shall enter, either orally or in writing, into any contract in the Council's name.
- 1.2.6. Where a partner organisation acts on behalf of the Council and needs to purchase or assign goods or services, any such assignment must be undertaken in line with these CPR's unless otherwise exempted in writing by the Assistant Director: Governance and Partnerships.
- 1.2.7. Where the Council is procuring jointly with North East Lincolnshire Borough Council, this must be done in accordance with the terms of the Joint Procurement Agreement. A Joint Project Initiation Document must be completed and signed by both authorities at the beginning of the procurement exercise.
- 1.2.8. Where the Council is procuring with any other body (such as any other Council or an Integrated Care Board or other health body), then a legally binding agreement must be entered into with that body to secure the actions or contributions of all parties, such terms of the agreement must be approved by the Monitoring Officer.

1.5. Pre-Procurement Requirements

1.5.1. Calculating the Contract Value and Procedural Thresholds

- It is important to ensure that the correct procedure is adopted and where there is a risk of a requirement falling above a threshold, the process for the higher threshold should be applied. Any procurement exercise or contract valued within 10% of the relevant threshold, the Service Area Lead should consider following a tendering process in accordance with the Procurement Regulations.
- The thresholds that apply will be those advised by the Cabinet Office, as detailed below and as may be amended from time to time. The current thresholds set out below are valid from 1 January 2022:

Public Sector Contracting Authorities (excluding Schedule 1 authorities)						
Supplies	Services	Light Touch Regime	Concessions	Works	Utilities (Works)	Utilities (Services)
£213,477	£213,477	£663,540	£5,336,937	£5,336,937	£5,336,937	£426,655

- In determining which threshold applies, the whole-life costing including the cost of maintenance, spares, upgrades, decommissioning, and disposal inclusive of VAT of the proposed contract or framework agreement must be considered. Any option to extend and potential future modifications to a contract must also be considered as to whether the thresholds would be exceeded with the extension value included, even if the option to extend or the foreseen modifications is not eventually exercised.
- Where the duration of the contract is unknown or uncertain, its total cost over a four-year period should be estimated and the relevant procedure then followed to award the contract. Where requirements include a mix of supplies, services and/ or works elements, advice should be sought from Strategic Procurement and Contracts as to which threshold is applicable and to determine the process to be followed.
- The Council must not disaggregate or sub-divide like or similar works by procuring multiple smaller or charter contracts to avoid the requirements of these CPRs, the Procurement Regulations or UK Legislation.

- All monetary thresholds referred to in this document include VAT and all applicable taxes and charges.

1.5.2. Planning and Approvals

- Service Area Leads must allow sufficient time to carry out a procurement exercise in order to be compliant with these CPR's and the Procurement Regulations.
- For any procurement exercise or contract that is over the value of the procedural thresholds set out at paragraph 1.5.1 above, Service Area leads are advised to establish a project team based on the complexity and risk. As a minimum it is advised that the following is to be included within the project team:
 - the Services Area Lead responsible for the managing and delivering the procurement exercise and contract;
 - a representative from Strategic Procurement and Contracts;
 - a representative from Legal Services;
 - a representative from Finance;
 - a representative from Business Services where the contract or procurement relates to construction and highways works; and
 - a representative from Human Resources.
- Prior to commencing any procurement exercise the relevant approval should be obtained in accordance with the governance requirements set out at paragraph 1.4 above or paragraph 1.5.5. below for a call off under a Council-Wide Contract, Framework Agreement or DPS.
- A timetable, for all procurement exercises, should be established and must consider all mandatory timeframes, set out in paragraph 1 and 2 of these CPR's. It should also cover all pre-procurement planning, which includes everything from governance approval up to award of the contract.
- The Service Area are responsible for the delivery of the procurement exercise, including ensuring contract management once the contract has been awarded.

1.5.3. Pre-Market Consultation

- The Council encourages all Services Areas to consider undertaking Pre-Market Consultation, prior to defining the specification requirements of any procurement exercise where there is a need for:
 - market research; and/or

- benchmarking; and/or
- a new approach to service delivery; and/or
- developing or evolving service delivery need.
- Undertaking Pre-Market consultation can help inform the specification, the evaluation criteria, and conditions of contract to ensure the Council's objectives can be best met by the market.
- In all pre-market consultations, full regard should be had to the principles of equal treatment, transparency, proportionality, and non-discrimination to ensure an effective competition can take place once the procurement has commenced.

1.5.4. Identifying the right procedure and form of contract

It is important to ensure that any procurement exercise is undertaken under the most appropriate procedure for the Council to achieve the best possible outcome to meet its needs. The paragraphs below set out the procedures and contracts that can be used or followed, as appropriate, with advice from the Strategic Procurement and Contracts and Legal Services.

1.5.5. Council-wide Contracts and Frameworks or DPS

Where a Council-Wide Contract exists for supplies, services, or works, it must be used except in the following circumstances where the requirement;

- cannot be obtained through a council-wide contract; or
- cannot be obtained in the required timescale through a council-wide contract;
- cannot be obtained with the required specification through a council-wide contract; or
- for higher value purchases (£25k+) wider competition would have a high benefit of value for money.
- The following categories of supplies, services or works are managed on a council-wide basis:
 - Building Works, Accommodation & Facilities Management
 - Civil Engineering & Non-Building Construction Works
 - Cleaning Services
 - Clinical and non-clinical Personal Protective Equipment

- Where a Service Area are to undertake a procurement exercise using the Council-Wide Highways and Construction Framework or the Professional Services Framework, they must do so in accordance with the Highways and Construction and Professional Services Framework Requirements table which can be found on the Strategic Procurement and Contracts TOPdesk page.
- Advice and approval should be obtained from Strategic Procurement and Contracts should a departure from the use of council contracts be considered.
- Where possible Framework Agreements or Dynamic Purchasing Systems (“DPS”) either established by Central Purchasing Bodies or other contracting authorities (as defined by the Procurement Regulations) must be used.
- Prior to calling off under any established Framework Agreement or DPS and advice from Strategic Procurement and Contracts must be sought.
- The governance approvals for calling off any established Framework Agreement or DPS are as follows:

1.5.6. Reserved Contracts

- Certain contracts can be reserved so that the competition is not available to the wider market and is limited to certain types of providers, such as SMEs and Voluntary, Community and Social Enterprises, and/or based on supplier location, in order to allow the Council to further meet its objectives.
- The threshold values for a reserved contract are £122,976 for supplies and services and £4,733,252 for works, inclusive of VAT. The list of 'qualifying organisations' which can be subject to reserved contracts is prescribed and is predominately made up of health, social care, or education services. Advice must be sought from Strategic Procurement and Contracts where there is an intent to reserve a contract and an exception should be obtained in accordance with paragraph 3 of these CPR's.

1.5.7. Dynamic Purchasing Systems

- A DPS is a completely electronic system which may be established to purchase commonly used supplies, services or works and must operate for a defined duration. It does not guarantee any services to the providers who may be admitted to it.
- Advice from Strategic Procurement and Contracts must be sought should a DPS be established.

1.5.8. Framework Agreements

- A Framework Agreement is a closed list of providers who have been ranked following a tender exercise and can be awarded contracts in line with the framework terms.
- All Framework Agreements must comply with the following:
 - maximum length of 4 years (unless exceptional and approved by the Monitoring Officer in writing)
 - identify all Contracting Authorities that can access the agreement; and
 - provide an estimated value of all potential call-offs by all contracting authorities
- No contractual commitment attaches from the creation of a framework itself, however contracts are formed when requirements are called-off under a purchase order or a call-off contract.
- Any Framework Agreement must be established in accordance with the requirements of these CPRs and/or the Procurement Regulations. Service Areas must not disaggregate purchases to avoid them, and guidance should be sought from Strategic Procurement and Contracts and Legal Services.

1.5.9. Light Touch Regime

- The light-touch regime (“LTR”) is a specific set of rules for certain service contracts that tend to be of low interest to potential tenderers. Those service contracts mainly centre around social, health and education services.
- The use of LTR must be undertaken on the advice of Strategic Procurement and Contracts .

1.5.10. Concession Contracts

- Concession contracts are governed by the Concession Contracts Regulations 2016. They are used where the Council engages a third party to provide a service or works, with or without a fee payable by the Council.
- Consideration for the service is in the form of the concessionaire being given a right to charge for the services being provided.
- Advice from Strategic Procurement and Contracts must be sought before engaging in any procurement exercise relating to a concession contract.

1.5.11. Open, Competitive Dialogue, Negotiated Procedures, and Innovation Partnerships

- The Open procedure should be used for all contracts and procurement exercises where the Service Area can clearly identify its requirements and the requirements can suitably be met by the market.
- The use of Competitive Dialogue can be used for procurement exercises where there are complex service requirements, and the preferred delivery option cannot be determined from preliminary market consultation.
- The Negotiated Procedure can be used in limited circumstances, principally where it is not clear at the outset that the Council cannot adequately specify its requirements as they need to be developed with the market.
- The use of Innovation Partnerships can be for inherently innovative development such as core research or new technical advancement.

- Part two of these CPR's sets out the process for undertaking an Open procurement exercise (except for the supply of Works over £100,000 up to the relevant threshold) and the advice of Strategic Procurement and Contracts and Legal Services should be sought where the Service Area wishes to use any of the other procedures as set out above.

1.5.12. Transfer of Undertaking (Protection of Employment) Regulations 2006 (as amended) (TUPE)

- Careful consideration must be given as to whether TUPE shall apply at commencement of any procurement exercise.
- Where a procurement exercise may involve the TUPE transfer of Council officers, the advice of the Strategic HR Lead and Legal Services must be obtained prior to the start of the procurement.
- Any procurement exercise involving the TUPE transfer of Council officers must be approved by the relevant Director on the advice of the Director Governance & Communities.
- The application of TUPE should also be considered in respect of staff employed by existing contractor(s) when the Council is looking to re-procure the service currently provided by such contractor(s). Written guidance should be sought from the Legal Services.
- An anonymised table of TUPE information and, where relevant, pension information, must be available for release with the tender documentation, using the TUPE matrix template which is available from Strategic Procurement and Contracts or TOPdesk. Further information can be shared with interested parties on the successful completion of the appropriate non-disclosure agreement.

1.6. Contract Templates, Signing, Extending and Modification

1.6.1. In all instances the Council's standard terms and conditions must be used except where:

- a Council Wide Contract is being used;

- an established Framework Agreement or DPS is being used;
 - any Contract under the value of £25,000; or
 - the relevant Director, in consultation with the Assistant Director Governance and Partnerships, has confirmed it is appropriate for alternative terms and conditions to be used.
- 1.6.2. The Council's standard terms and conditions for contracts with a value of up to £100,000, can be accessed via Strategic Procurement and Contracts portal on TOPdesk. Advice from Legal Services should be sought for:
- contracts over the value of £100,000;
 - Framework Agreements and DPS (where they are not established);
 - IT contracts; and
 - low value contracts, where there is a specific need or bespoke requirement.
- 1.6.3. Pursuant to paragraph 2.6 of the Council's Scheme of Delegation, all Directors are authorised to sign contracts that do not exceed the value of £100,000, provided that:
- the conditions set out in paragraph 2.6 of the Council Scheme of Delegation have been complied with; and
 - it does not require the affixation of the Common Seal.
- 1.6.4. Directors may seek to delegate their authority to sign contracts (as set out at paragraph 1.6.3) provided such delegation is undertaken in writing in accordance with the Council's Constitution, a copy of such delegation is provided to the Head of Democracy and follows the Authorisation of Orders levels set out in the Council's Finance Manual.
- 1.6.5. The Assistant Director: Governance and Partnerships is authorised to sign contracts that exceed the value of £100,000 and unless they determine otherwise, such contracts shall be executed by way of deed, under the electronic Common Seal of the Council.
- 1.6.6. The Assistant Director Governance and Partnerships is authorised to affix the electronic Common Seal of the Council to such contracts using the Council's electronic signature software.
- 1.6.7. Where a Contract is required (in accordance with paragraph 1.6.5 and 1.6.6) to be executed by the Assistant Director: Governance and Partnerships the Service Area Lead shall complete a Contract Signature Form on the Legal and Democracy TOPdesk Page to arrange for the contract to be signed and completed.

FOR THE AVOIDANCE OF DOUBT, the Service Area Lead shall not send the contract directly to the Assistant Director: Governance and Partnerships either by email or through the council's electronic signature software.

1.6.8. Contracts that do not need to be executed by the Assistant Director: Governance and Partnerships are to be signed electronically using the Council's electronic signature software. Services Areas are encouraged to contact IT Applications Team to ensure they have appropriate access to the electronic signature software prior to signing or completing any contract.

1.6.9. Legal Services shall send all contracts that are electronically sealed to Property Services for storage and retention. All other contracts which are either:

- electronically signed by the Assistant Director: Governance and Partnerships; or
- electronically signed by any other Director

must be stored in the Council's electronic central contract store, and it is the relevant Services Area's responsibility to upload the contract to the central storage by completing the MS Form on TOPdesk. It is also the Service Area's responsibility to retain the electronic contracts within the electronic central contract store in accordance with the Council's retention policy.

1.6.10. A Contract can be extended provided that:

- the original contract included a specific provision to allow for it to be extended in both duration and value; and
- it is appropriate to do so given the performance of the contract which has been identified through contract management by the Service Area.

1.6.11. Any Contract extension or variation during its term cannot cause:

- the aggregated value of the contract to breach the thresholds set out at paragraph 1.5.1.2, where it was procured as a below threshold:
- a breach of UK Legislation (such as the Procurement Regulations); and/or
- the value would exceed what was original advertised by more than 50%.

1.6.12. Where the Contract does not include an extension advice should be sought from Strategic Procurement and Contracts and Legal Services.

1.6.13. Under limited circumstances, the Procurement Regulations permit contract modifications during their term (regulation 72) and must be within the scope, or similar to the original specification and contract. Advice must be sought from Strategic Procurement and Contracts and Legal Services for such modifications.

1.6.14. Changes to contracts and/or terms and conditions must be authorised by:

- the relevant Assistant Director:
- and if substantial (i.e. material) changes to contracts and/or terms and conditions which result in the value of over £100,000 relevant Director: and
- In consultation with the Assistant Director: Governance and Partnerships where the changes to the contracts and/or terms and conditions are at the value of the relevant threshold set out at paragraph 1.5.1.2 .

1.7. Award Letters

1.7.1. All contracts let that are valued 10% under the relevant threshold (as identified at paragraph 1.5.1.2 above) are to be awarded on YORtender using the contract details page. There is no specific requirement to issue an additional award notice to the tenderers who were unsuccessful, but this can be done should the Service Area consider it to be appropriate.

1.7.2. All contracts let on or over the relevant threshold (as identified at paragraph 1.5.1.2 above):

- must be awarded on YORtender using the contract details page;
- all candidates and/or tenderers must be issued with a Pre-Award Letter and Notice via YORtender; and
- a standstill period must be applied.

1.7.3. All Pre-Award Letters and Notices must:

- be on the Council's standard template; and
- approved and signed by the Assistant Director Governance and Partnerships.

1.7.4. The Assistant Director: Governance and Partnerships will not authorise or sign any Pre-Award Letters without first seeing the Decision to Award.

1.7.5. Where a request for further feedback or a potential challenge to a Pre-Award Letter is received advice from Strategic Procurement and Contracts and/or Legal Services must be obtained

2. North Lincolnshire Borough Council Procurement Requirements

 - specify the nature and purpose of the contract;
 - outline how to submit a compliant tender;

acting reasonably, have their tender rejected.

Advice must be sought from Strategic Procurement and Contracts and Legal Services prior to rejecting any tender submission.

2.1.4. Late Tender or e-Sourcing Suite Access Errors

- The Council will not accept any late tender, other than where:
 - the tenderer can prove that a system access error has occurred;

2.1.5. Omissions, Ambiguities, and Inconsistencies

- All clarifications, by the Council or tenderers, must be raised via YORtender. Guidance from Strategic Procurement and Contracts is recommended in all circumstances but mandated where the issue, error, omissions, or inconsistency is linked to price or potentially creates a material change.
- Where there is an omission, ambiguity, or inconsistency in a tender (including an arithmetical error), the Council reserves the right to contact the tenderer in writing via YORtender, setting out the ambiguous or inconsistent part and the alternative interpretations of it.
- The tenderer will be required to clarify within an appropriate time limit, via YORtender, which of the interpretations are correct and submit or complete relevant information or documentation, provided that such requests are made in compliance with the principles of equal treatment and transparency. Clarification is not an opportunity to alter or improve a bid it is only to clarify submissions.

2.1.6. Abnormally low tenders

Where a tender has been received and it is considered by the Service Area to be abnormally low, explanations from tenderers must be sought. The Council may reject the tender where the explanation does not satisfy the concerns.

2.1.7. Prevention of corruption and the Bribery Act 2010

Requests for quotations and invitation to tenders must inform prospective tenderers of the Council's whistle blowing policy.

All contracts must contain a clause to the effect that the Council will be entitled to cancel the contract and to recover from the contractor the amount of any loss resulting from such cancellation if:

- the contractor, his employees, or agents, shall have offered or given or agreed to give to any persons any gift or consideration of any kind as an inducement or reward in any way relating to the contract or any other contract with the Council; or

D9.12 APPENDIX - REMOTE MEETING PROTOCOL

Introduction

The protocol provides guidance on the application of the 'Remote Meetings Procedure Rules' and for preparing and managing remote meetings accordingly. It also provides essential 'meetings etiquette' to be adopted by those participating in remote meetings. These can be adapted to suit the different requirements and functions of meetings, but the principles of which should remain similar and be adhered to.

1. Remote Meeting Preparation.

- (a) In accordance with statutory timescales (at least five clear working day's) notice will be given by email/electronic invitation to members (and officers) of the date and time of the remote meeting. This notice will also identify the electronic platform the remote meeting will be held on (Microsoft Teams). It should also identify how to, or provide a link to 'join the meeting' which should be saved in the participants electronic calendar for access, and any other information relating to arrangements/instructions/ etiquette for the remote meeting (see paragraph 2 below).

Similarly, the above information should be provided to any external participants (outside of the council) who will be attending the remote meeting, together with any other information/instructions/etiquette for remote meetings. (This may also include browser and Microsoft Teams app requirements to access the meeting).

- (b) In accordance with statutory timescales (at least five clear working day's) an electronic version of the agenda and all accompanying reports to be considered at the remote meeting will be circulated to all members and officers (and where applicable external participants). These will then also be published where appropriate (not where confidential/exempt) on the council's website. (The agenda will identify whether all or part of the meeting is likely be held in public, whether there is likely to be exempt business or not, and consequently, consideration should be given to IT Services disconnecting the 'public access' link to the meeting on the website at the required time, or whether to send a further remote meetings invitation to members so only they (and relevant officers) can gain access to the 'confidential/exempt' part of the remote meeting).
- (c) If the remote meeting is to be held in public (some licensing hearings, employment and admission/exclusion appeals are not) the 'public access link' should be created and set up as soon as practicable alongside the details of the remote meeting on the appropriate pages of the council's website (with any instructions on how to access the meeting). This provides the requirement to observe/listen to the remote meeting.
- (d) All member substitute notices shall be given as early as possible (at least 24 hours) before the meeting to enable substitute members to prepare for and to receive the invitation to join the meeting. Any other members attending the remote meeting under procedure rule D1.37b and/or Ward members for the Planning Committee for example, should also inform the relevant Democratic Services Officer by email of their intention to join the meeting as early as possible (at least 24 hours before). These members will require the meetings invitation so that they can attend/participate in the meeting. (Members may still wish to observe/listen to the meeting through the 'public access link' on the council's website but this *will not* be recorded as attending the meeting under the D1.37b procedure rule).

- (e) If any Members and officers invited to attend the meeting have any concerns or issues about joining/aspects of the meeting, they should contact the relevant Democratic Services Officer at least 48 hours before the meeting as usual.

2. Remote Meetings Etiquette

- (a) Members and officers (and external participants) should be and are asked to adhere to the following etiquette during remote attendance at a remote meeting:
- Members and officers should join the meeting promptly no later than ten minutes before the start to allow themselves and the meetings facilitator - Democratic Services Officer(s) the opportunity to test equipment, confirm attendance and to avoid any unnecessary interruptions. (External participants should be invited to join the meeting by the facilitator/Democratic Services Officer(s) when appropriate – Please see paragraph 5 below.
 - Any camera (video-feed) of a participant should show an appropriate/neutral background (or, where possible a virtual background) and all should be careful not to allow exempt or confidential papers to be seen.
 - All the committee, sub-committee or panel members participating in the remote meeting to have their camera turned ON and microphones muted by the start of the meeting.
 - All other members, officers and participants to have their camera OFF and microphones muted by the start of the meeting.
 - All members, officers and participants are to speak only when invited to do so by the chair, and before speaking, turn their microphones on, (and their camera on if not already on, and if so asked by the chair) – all should state their name before speaking.
 - Only one person may speak at any one time.
 - The chair may also mute everyone speaking except himself or herself at any time.
 - Rather than raising one's hand Members should also avail themselves of the remote process for requesting to be heard. Members should use the 'chat facility' to indicate to the chair that they wish to speak. The chair may also ask each member in turn if they wish to speak or/comment on a particular item. Members will unmute their microphone and turn their cameras on when the Chair invites them to speak. **The 'chat facility' must not be used for private conversations** between members, and external participants shall not use the chat facility for members of the meeting for any purpose unless invited by the chair.
 - The Chair will follow the rules set out in the Council's Constitution Procedure Rules when determining who may speak, as well as the order and priority of speakers and the content and length of any speeches in the normal way.
 - When participants are speaking and referring to a specific report, page, or slide, they should mention the report, page, or slide so that all members/participants have a clear understanding of what is being discussed at all times.

- The chair, or upon his instruction the Democratic Services Officer(s) may mute or turn off the camera of any participant at any time (and similarly turn them on for them to speak and then to switch them off afterwards).
- The chair, in accordance with relevant procedure rules, may remove anyone from the meeting for inappropriate behaviour.
- The chair following advice, or upon his instruction the Democratic Services Officer(s) with IT support, may pause (adjourn) the meeting by taking down the live stream from 'public access' and then reconvene and resume the live stream. (this is likely to be required for confidential/exempt business or any other required adjournment).
- The chair's ruling on any etiquette for remote meetings (in accordance with related procedure rules) is final.

3. The Remote Meeting.

- (a) The Democratic Services Officer(s) shall confirm with the IT Support Officer that the 'public access' live link on the website is activated and working before the remote meeting, together with any recording facility (for internal administrative requirements only).
- (b) The Democratic Services Officer(s) and chair should liaise with each other at least 20 minutes before the start of the remote meeting to confirm/discuss any matters before joining the meeting at least ten minutes before.
- (c) If any IT connection to the remote meeting is not working for any member, officer and external participant they should email/contact the Democratic Services Officer(s) presenting the meeting as soon as possible.
- (d) The chair (or appointed chair) of the remote meeting will chair the meeting. The chair will follow the agenda previously circulated and applying speaking and voting procedures below. The Democratic Services Officer(s) (and any other relevant officer) present may also set up a private chat facility with the chair (through Skype for example) to advise on any business/matter during the remote meeting.
- (e) The chair at the start of the meeting will introduce themselves and welcome everyone to the meeting (naming it). The chair will remind/ confirm the remote meeting is live to the public through an audio web link (or not if applicable). They should also update the meeting on any matter if so required and remind participants of any etiquette requirements.
- (f) The chair will then -
 - (i) Request the Democratic Services Officer to inform the meeting of any substitute members joining the meeting.
 - (ii) Request members to confirm that they are present by asking them to state they are through a 'roll call' carried out by the Democratic Services Officer. (This may also include members who have given notice of attendance under Procedure Rule D1.37b or as Ward Members. (Officers may also be invited to confirm their attendance).

- (iii) Request all members in attendance to make any Declarations of Disclosable Pecuniary Interests and Personal and Personal and Prejudicial interests (or lobbying or whipping etc.) through a further 'roll call' by the Democratic Services Officer. (If members have none, they should state none, and also because of the nature of their declaration, state that they will not be participating or voting on a particular item).

(Members are reminded that if they are required through any declaration to 'leave' the remote meeting that before that item commences they should mute their microphone, turn their camera off and play no part in the remote meeting for that item. The Democratic Services Officer(s) if required will notify the member when they can re-join the remote meeting.

- (iv) Request that the minutes of the previous meeting(s) be approved, further requesting each member in turn if they are agreed. (The chair may move this and then request a seconder).
- (v) Take each item on the agenda in order (or follow any hearing procedure for example, for licensing sub-committees) inviting the relevant Director/service officer present to introduce the report or update the meeting on any matters on the report.

(Please see paragraph 5 below for public participation at the Planning Committee (to be adapted for remote meetings of Licensing Sub-Committees, and for other remote meetings involving public participants as required).

- (vi) Request all members in turn to ask any questions/comments on the report, which will be answered by the Director/service officer present. (If members have none, they should state none).
- (vii) Upon any request received, consider and invite any other member in attendance under the provisions of 1.37b to speak at the remote meeting *(this is at the chair's discretion.)*
- (viii) As soon as the above is completed, the chair will ask all members present whether there are any proposed motions or amendments to the officer's recommendations/report. If any, these will be stated clearly by the named mover, and then seconded by a named seconder. If not, the chair can move the officer recommendations and ask for them to be seconded.

The chair will then proceed to the vote on the item, requesting the Democratic Services Officer through a further roll call as to how each member is voting, whether for, against or abstaining.(motions and amendments will be voted on in accordance with usual voting procedures). Once the vote is completed, the Democratic Services Officer will confirm/announce the result of the vote. *(The chair and Democratic Services Officer will have to be aware of any earlier*

declarations made by member who may not be participating in any vote).

- (ix) The chair will then move on to the next item on the agenda and apply the above stages (v) to (viii).
- (x) Once all business on the agenda has been completed, the chair will confirm that the business is concluded, the meeting is closed and thank all those present for joining the meeting.
- (xi) Where the remote meeting has to consider confidential/exempt business, the usual resolution to exclude the press and public will need to be made in public. Then, if applicable, IT Services can disconnect the 'public access' link to the meeting on the website at the required time, or the meeting can be adjourned and then members (and relevant officers) access the further remote invitation already sent, so only they (and relevant officers) can gain access to the 'confidential' part of the remote meeting).

The Democratic Services Officer(s) will confirm through the chair, what action will be taken.

- (xii) Each Member in remote attendance for exempt/confidential business must ensure and verbally declare (through another Democratic Services Officer roll call on the instruction of the chair) that there are no other persons present who are not entitled to be (either hearing or seeing) consideration of such items, and/or recording the proceedings.

4. After the Meeting

- (a) Minutes of the meeting will be prepared by the Democratic Services Officer in the usual way and be published on the relevant pages of the council's website.
- (b) The IT Support Officer will provide the Democratic Services Officer with the recording of the remote meeting (for internal administrative purposes only).

5. Public Participation at Remote Meetings of the Planning Committee (to be adapted for remote meetings of Licensing Sub-Committees, and for other remote meetings involving public participants as required).

- (a) Members of the public who have contact Democratic Services 48hours before the meeting in the usual way and requested to speak in accordance with procedure rule D1.35 (Planning Committee –public speaking), should be informed at that time that the meeting is a remote meeting. They should be informed that public participation is through Microsoft Teams and receive

instructions how they will prepare for and join the meeting through an 'email invitation link' to speak, together with any other processes/timings. This should include any browser and Microsoft Teams requirements, and associated remote meetings etiquette. (Speaker adjustments must be monitored as only those listed to speak will be allowed to participate in the remote meeting).

- (b) Two Democratic Services Officers will facilitate the remote meeting, one as the 'public participation facilitator' and the other as the more 'clerk/advisor' to the meeting and supporting the chair. IT Support will also be required as outlined in paragraph 3(a) above.
- (c) On the day of the meeting public participants/speakers will have been requested to join the meeting half an hour to 15 minutes before the meeting. Only those speakers who provide the correct name matched against the list of speakers held by Democratic Services Officer/'public participation officer' will be allowed to participate in the meeting. Eligible speakers will be held in the Microsoft Teams 'lobby' until allowed to join the meeting by the Democratic Services Officer/'public participation facilitator'.
- (d) Public participants/speakers having joined the meeting should apply the required meetings etiquette (mute microphones and switch off cameras) until asked to speak by the chair. Public participants/speakers should also be able to observe/listen to the meeting even after having spoken, until they leave the remote meeting. Once they have left the meeting they will not be able to re-join the remote meeting (unless asked to do so for any required reason by the chair).
- (e) If any public participant/speaker is unable to join the meeting due to connection difficulties procedure D9.06(b) should be considered and applied by the chair.
- (f) The Democratic Services Officer(s) (and any other relevant officer) present may set up a 'private' chat facility with each other and the chair (for example through Skype) to advise on any speaker issues/business/matter during the remote meeting.
- (g) The remote meeting should then follow the above paragraphs 3(a) to 3f(iv) above.
- (h) From thereon the following adjustments should be applied;

Planning Committee-

Paragraph 3 above should be followed until 3f (iv) where the following should be replace 3f(v) to (xi), with any appropriate adaptations -

The chair will then:-

- (v) Take each item/application on the agenda in order and where applicable, inviting the relevant Director/service officer(s) present to introduce the report or update the meeting on any matters on the report.
- (vi) At the point in the meeting where public speakers are invited to speak the chair will welcome the public speakers to the meeting and inform them that they will be able to address the meeting for no longer than 3 minutes. The chair from the public speakers list (as advised by the Democratic Services Officers) request the relevant speakers in turn to turn on their microphone/camera and address the committee. The chair will inform the speakers when the 3 minutes has finished and thank them for joining the meeting. (The speakers will still be able to listen to the debate and decision on the relevant application, but have no right to reply).

Any members who are then invited by the chair to exercise speaking rights (as Ward members for example) are also limited to 3 minutes whether speaking under Procedure Rules D1.35 (b) (x) or D1.37 (b). When requested by the chair they should turn on their cameras and microphones and address the committee.

The Democratic Services Officer/'public participation facilitator' will monitor the speakers use of the microphones/cameras and adjust where applicable (following any instruction by the chair) so that they can/cannot be heard or seen.

- (vii) Request all members in turn to ask any questions on the report, which will be answered by the Director/service officer(s) present. (If members have none, they should state none).
- (viii) As soon as the above is completed, the chair will ask all members present whether there are any proposed motions or amendments to the officer's recommendations/report. If any, these will be stated clearly by the named mover, and then seconded by a named seconder.
- (ix) The chair will then proceed to the vote on the item, requesting the Democratic Services Officer/'clerk/advisor' through a further roll call as to how each member is voting, whether for, against or abstaining.(motions and amendments will be voted on in accordance with usual voting procedures). Once the vote is completed, the Democratic Services Officer will confirm/announce the result of the vote. (*The chair and Democratic Services Officer(s) will have to be aware of any earlier declarations made by member who may not be participating in any vote*).
- (x) The chair will then move on to the next item on the agenda and apply the above stages (v) to (viii) again, where applicable.
- (xi) Once all business on the agenda has been completed, the chair will confirm that the business is concluded, the meeting is closed and thank all those present for joining the meeting.

Licensing Sub-Committees

- (i) For the above sub-committees (which are quasi-judicial bodies) the above paragraphs should be applied and adapted where applicable. However, notice will have been received from applicants/licence holders and other parties of their request to speak in accordance with statutory or licensing policy provisions. Their 'right to speak' and participate in such remote meetings should also be facilitated through Microsoft Teams and information and instructions how to do so be given in a similar way to above.
- (k) For Licensing Sub-Committee remote meetings, the adopted 'hearings procedures' will be applied for applicants/licence holders relevant to the Licensing (Activities) Sub-Committee and Licensing (Miscellaneous) Sub-Committee.
- (l) Consideration should be given as to whether or not the whole of the hearing/remote meeting will be conducted in public or not and apply or remove any 'public access' requirements on the council's website. (Similar consideration should be given to any required adjournments of the hearing/remote meeting for sub-committee deliberations, how this should be done, and any necessary provisions to continue or pause any 'live public access link').

Public Participants at other Remote Meetings

- (m) The above paragraphs should be applied, adapted and their principles implemented for other statutory remote meetings where public participants may be required to attend. Also, the associated requirement for 'public access' to remote meetings through the 'live link' on the council's website should be considered at all times.
- (n) This protocol as part of the 'Remote Meetings Procedure Rules' shall be reviewed regularly as experience of remote meetings is developed and other associated requirements so determine any necessary adjustments.

PART E CODE 5 – GOOD PRACTICE GUIDE FOR ALL MEMBERS AND OFFICERS INVOLVED WITH PLANNING APPLICATIONS AND RELATED MATTERS

E5.01 GOOD PRACTICE GUIDE

- (a) This Good Practice Guide was produced after taking into account current advice and examples of good practice. In particular it incorporates the resolutions made by the Development and Environment Committee in January 1998 in the light of the Report on Standards of Conduct in Local Government (“The Nolan Report”) and the Royal Town Planning Institute Report on the Role of Elected Members in Plan-making and Development Control. It will be reviewed from time to time to ensure it remains up-to-date but may be varied only by formal resolution of the Council. This latest revision has been prepared to reflect the changes in legislation notably the Localism Act 2011 and the Council’s Constitution.
- (b) This Guide is intended to supplement the Council’s **Codes of Conduct for Members and Officers**. The provisions of this Guide continue to have full force and effect in relation to all **members and officers** involved with planning matters.
- (c) In this Good Practice Guide, unless otherwise stated, the word “committee” means the Planning Committee or any other committee of the Council that has responsibility for the determination of planning applications. “Planning application” means any application for permission, consent or approval under the provisions of the Town and Country Planning Acts and related legislation.

E5.02 BACKGROUND

- (a) In 1997, the Third Report of the Committee on Standards in Public Life (known as the Nolan Report) resulted in pressures on councillors to avoid contact with developers in the interests of ensuring probity. In today’s place-shaping context, early councillor engagement is encouraged to ensure that proposals for sustainable development can be harnessed to produce the settlements that communities need.
- (b) This Guide is intended to reinforce councillors’ community engagement roles whilst maintaining good standards of probity that minimizes the risk of legal challenges.
- (c) Planning decisions are based on balancing competing interests and making an informed judgement against a local and national policy framework.

- (d) Decisions can be controversial. The risk of controversy and conflict are heightened by the openness of a system which invites public opinion before taking decisions and the legal nature of the development plan and decision notices. Nevertheless, it is important that the decision-making process is open and transparent.
- (e) One of the key aims of the planning system is to balance private interests in the development of land against the wider public interest. In performing this role, planning necessarily affects land and property interests, particularly the financial value of landholdings and the quality of their settings. Opposing views are often strongly held by those involved.
- (f) Whilst councillors must take account of these views, they should not favour any person, company, group or locality, nor put themselves in a position where they may appear to be doing so. It is important, therefore, that planning authorities make planning decisions affecting these interests openly, impartially, with sound judgement and for justifiable reasons.
- (g) The process should leave no grounds for suggesting that those participating in the decision were biased or that the decision itself was unlawful, irrational or procedurally improper.

E5.03 THE GENERAL ROLE AND CONDUCT OF COUNCILLORS AND OFFICERS

- (a) Councillors and officers have different but complementary roles. Councillors and officers are responsible to both the public and the electorate, whilst officers are responsible to the Council as a whole. Officers advise councillors and the Council and carry out the Council's work. They are employed by the Council, not by individual councillors. A successful relationship between councillors and officers will be based upon mutual trust, understanding and respect of each other's positions. Any Committee member who wishes to attend the Planning Chairman's briefing, may do so upon request being made and approval given by the Chairman.
- (b) Officers act as part of a management structure and therefore councillors should only discuss a planning matter, with a Head of Service or those officers who are authorised by their Head of Service to deal with the proposal at a councillor level.
- (c) Both councillors and officers are guided by codes of conduct. Members are covered by the Code of Conduct which was adopted on 1 July 2012. Officers are bound by the Code of Conduct for Employees adopted in 2005 which is incorporated in their terms and conditions of employment.
- (d) Staff who are chartered town planners are subject to the Royal Town Planning Institute (RTPI) Code of Professional Conduct, breaches of which may be subject to disciplinary action by the Institute.

- (e) In addition to these codes, the Council's Constitution sets down rules which govern the conduct of council business.
- (f) Councillors and officers should be cautious about accepting gifts and hospitality and should exercise their discretion. The requirements for members are set out in the Code of Conduct and those for officers in the Code of Practice for Gifts and Hospitality. Copies of, and advice on, these codes can be obtained from Democratic Services.
- (g) Officers and councillors must not act as agents for people pursuing planning matters within their authority even if they are not involved in the decision making on it.
- (h) Whilst the determination of a planning application is not a 'quasi-judicial' process (unlike, say, certain licensing functions carried out by the local authority), it is a formal administrative process involving the application of national and local policies, reference to legislation and case law as well as rules of procedure, rights of appeal and an expectation that people will act reasonably and fairly. All involved should remember the possibility that an aggrieved party may seek a Judicial Review and/or complain to the Ombudsman on grounds of maladministration or a breach of the authority's code.

E5.04. TRAINING

- (a) Training on planning procedures and issues, particularly important new or changed policies and procedures, will be provided each year and will include events presented by officers with the help of experts from outside the Council where appropriate. In accordance with the recommendation of the Nolan Committee, all members of the Planning Committee must attend and members who have not undergone training will not be eligible to sit on the committee as a substitute.
- (b) An induction course for new members of the committee will be prepared for presentation by Council officers.
- (c) Planning officers responsible for the preparation of written reports and for advising members at committee meetings will be qualified to an appropriate level in Town Planning. They will be required to undertake continuing professional development to a level required of its members by the Royal Town Planning Institute (RTPI) whether or not they are actual RTPI members.
- (d) Other officers of the Council may attend the committee to give appropriate advice from time to time. Such officers may possess qualifications in some or all of the following disciplines: archaeology, conservation, environmental health, highways, and law (this list is not exhaustive).

E5.05. REGISTRATION AND DISCLOSURE OF INTERESTS

- (a) Chapter 7 of the Localism Act 2011 places requirements on councillors regarding the registration and disclosure of their pecuniary and other interests and the consequences for a councillor taking part in consideration of an issue in the light of those interests. The definitions of disclosable pecuniary interests are set out in The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012. A failure to register a disclosable pecuniary interest within 28 days of election or co-option or the provision of false or misleading information on registration, or participation in discussion or voting in a meeting on a matter in which a councillor or co-opted member has a disclosable pecuniary interest, are criminal offences.
- (b) It is always best to identify a potential interest early on. If a councillor thinks that they may have an interest in a particular matter to be discussed at planning committee he or she should raise this with the monitoring officer as soon as possible.
- (c) Councillors are referred in particular to the Council's Code of Conduct to be found at Part E of the Council's Constitution which sets out the interests that councillors need to register and declare
- (d) Appendix 1 illustrates how interests should be dealt with.

E5.06 PREDISPOSITION, PREDETERMINATION, OR BIAS

- (a) Members of the committee need to avoid any appearance of bias or of having predetermined their views before taking a decision on a planning application or on planning policies.
- (b) The courts have sought to distinguish between situations that involve predetermination or bias on the one hand and predisposition on the other. The former is indicative of a 'closed mind' approach and likely to leave the committee's decision susceptible to challenge by Judicial Review.
- (c) Clearly expressing an intention to vote in a particular way before a meeting (predetermination) is different from where a councillor makes it clear they are willing to listen to all the considerations presented at the committee before deciding on how to vote (predisposition). The latter is acceptable, the former is not and may result in a Court quashing such planning decisions.
- (d) Section 25 of the Localism Act 2011 also provides that a councillor should not be regarded as having a closed mind simply because they previously did or said something that, directly or indirectly, indicated what view they might take in relation to any particular matter.

- (e) This reflects the common law position that a councillor may be predisposed on a matter before it comes to Committee, provided they remain open to listening to all the arguments and changing their mind in light of all the information presented at the meeting. Nevertheless, a councillor in this position will always be judged against an objective test of whether the reasonable onlooker, with knowledge of the relevant facts, would consider that the councillor was biased.
- (f) For example, a councillor who states

"Windfarms are blots on the landscape and I will oppose each and every windfarm application that comes before the committee" will be perceived very differently from a councillor who states: "Many people find windfarms, ugly and noisy and I will need a lot of persuading that any more windfarms should be allowed in our area."
- (g) If a councillor has predetermined their position, they should withdraw from being a member of the committee. This would apply to any member of the planning committee who wanted to speak for or against a proposal, as a campaigner (for example on a proposal within their ward). The member concerned may wish to consider being substituted for the relevant meeting.

E5.07 APPLICATIONS CONCERNING MEMBERS, SENIOR OFFICERS OR THEIR SPOUSES/PARTNERS

- (a) Where a planning application is submitted by any of the following: -
 - (i) A member of the Council;
 - (ii) a senior officer (which in this context means any officer at or above Unit Manager level)
 - (iii) any officer responsible to the Director Operations
 - (iv) or the spouse or partner of any of the foregoing who resides at the same address

or relates to any land in which any of the foregoing have an interest, that application will be reported to the committee for decision.
- (b) In these circumstances it is the responsibility of both the applicant and of the member or officer concerned, provided he or she has been served with the requisite notice, to draw the Local Planning Authority's attention to the existence of such an interest at the time that the application is made
- (c) The officer's report will include reference to these particular circumstances.

E5.08 PLANNING APPLICATIONS MADE BY THE COUNCIL

- (a) Where the committee is considering such planning applications it shall base its decision on planning policy and other material planning considerations only and shall disregard all other considerations, however worthy. Decisions relating to the Council in its role of landowner are the responsibility of the relevant cabinet member(s).
- (b) Proposals for the Council's own development should be treated with the same transparency and impartiality as those of private developers.

E5.09 LOBBYING OF AND BY COUNCILLORS

- (a) Lobbying is a normal part of the planning process. Those who may be affected by a planning decision, whether through an application, a site allocation in a development plan or an emerging policy, will often seek to influence it through an approach to their ward member or to a member of the planning committee.
- (b) As the Nolan Committee's 1997 report stated: "It is essential for the proper operation of the planning system that local concerns are adequately ventilated. The most effective and suitable way that this can be done is through the local elected representatives, the councillors themselves".
- (c) Lobbying, however, can lead to the impartiality and integrity of a councillor being called into question, unless care and common sense is exercised by all the parties involved.
- (d) As noted earlier in this Guide, the common law permits predisposition but nevertheless it remains good practice that, when being lobbied, councillors (members of the planning committee in particular) should try to take care about expressing an opinion that may be taken as indicating that they have already made up their mind on the issue before they have been exposed to all the evidence and arguments. In such situations, they could restrict themselves to giving advice about the process and what can and can't be taken into account.
- (e) Councillors can raise issues which have been raised by their constituents, with officers. If councillors do express an opinion to objectors or supporters, it is good practice that they make it clear that they will only be in a position to take a final decision after having heard all the relevant arguments and taken into account all relevant material and planning considerations at committee.
- (f) Any councillor, not being a member of the committee, who attends the committee meeting and speaks on behalf of a lobby group should consider withdrawing once any public or ward member speaking opportunities had been completed in order to counter any suggestion that

members of the committee may have been influenced by their continuing presence.

- (g) It is very difficult to find a form of words which conveys every nuance of these situations and which gets the balance right between the duty to be an active local representative and the requirement when taking decisions on planning matters to take account of all arguments in an open-minded way. It cannot be stressed too strongly, however, that the striking of this balance is, ultimately, the responsibility of the individual councillor.
- (h) Planning committee members should in general avoid organising support for or against a planning application, and avoid lobbying other councillors

E5.10 GROUP MEETINGS

- (a) There is nothing either in law or in the Code of Conduct to prohibit political group meetings being held prior to committee meetings, the consideration of planning applications should not, however, be discussed at such meetings. Decisions should not be made until the actual committee meeting, when all material information is to hand. Any group meeting that is held must not be used to decide how members will vote.
- (b) Planning decisions cannot be made on a party political basis in response to lobbying; the use of political whips to seek to influence the outcome of a planning application is likely to be regarded as maladministration.

E5.11 PRE-APPLICATION DISCUSSIONS

- (a) Pre-application discussions between a potential applicant and the council can benefit both parties and are to be encouraged. However, it would be easy for such discussions to become, or be seen by objectors to become, part of a lobbying process on the part of the applicant.
- (b) In the past concerns have been raised about probity issues with regard to the involvement of councillors in pre-application discussions in that councillors may be accused of predetermination when the subsequent application came in for consideration. Now, through the Localism Act 2011 and previously the Audit Commission, it is recognised that councillors have an important role to play in pre-application discussions, bringing their local knowledge and expertise, along with an understanding of community views. Involving councillors can help identify issues early on, helps councillors lead on community issues and helps to make sure that issues don't come to light for the first time at committee.
- (c) The Localism Act 2011, and in particular Section 25, by endorsing this approach, has given councillors much more freedom to engage in pre-application discussions. Nevertheless, in order to avoid perceptions that councillors might have fettered their discretion, such discussions should take place within the following guidelines. (NB Although the term 'pre-

application' has been used, the same considerations should apply to any discussions which occur before a decision is taken).

- Clarity at the outset that the discussions will not bind the council to making a particular decision and that any views expressed are personal and provisional. By the very nature of such meetings not all relevant information may be at hand, nor will formal consultations with interested parties have taken place.
 - An acknowledgement that consistent advice will be given by officers based upon the development plan and material planning considerations.
 - Officers should be present with councillors in pre-application meetings. Councillors should avoid giving separate advice on the development plan or material considerations as they may not be aware of all the issues at an early stage. Neither should they become drawn into any negotiations, which should be done by officers (keeping interested councillors up to date) to ensure that the authority's position is co-ordinated.
 - Confirmation that a written note should be made of all meetings. An officer should make the arrangements for such meetings, attend and write notes. A note should also be taken of any phone conversations, and relevant emails recorded for the file. Notes should record issues raised and advice given. The note(s) should be placed on the file as a public record. If there is a legitimate reason for confidentiality regarding a proposal, a note of the non-confidential issues raised or advice given can still normally be placed on the file to reassure others not party to the discussion.
 - A commitment that care will be taken to ensure that advice is impartial, otherwise the subsequent report or recommendation to committee could appear to be advocacy.
 - The scale of proposals to which these guidelines would apply. Councillors talk regularly to constituents to gauge their views on matters of local concern. The Nolan Committee argued that keeping a register of these conversations would be impractical and unnecessary. However thought should be given as to when discussions should be registered and notes written.
- (d) Similar arrangements can also be used when authorities are looking at new policy documents and particularly when making new site allocations in emerging development plans and wish to engage with different parties, including councillors, at an early stage in the process.
- (e) The Statement of Community Involvement sets out the council's approach to involving communities and other consultees in pre-application discussions.

E5.12 MEETINGS INVOLVING PLANNING OFFICERS

- (a) Officers will inevitably meet applicants and third parties as part of their normal duties. They will:
- (i) record any significant contacts on the relevant application file along with the outcome, if any;
 - (ii) report orally to the committee any significant contacts made subsequent to the report being prepared;
 - (iii) be prepared to offer their professional opinion, but in so doing will avoid giving, or appearing to give, a commitment as to the likely outcome and will make it clear that any views expressed are their own and not necessarily those of the Council;
 - (iv) not disclose the content of the officer's report until after publication with the agenda for the relevant committee meeting.

E5.13 OFFICER REPORTS TO COMMITTEE

- (a) As a result of decisions made by the courts and ombudsman, officer reports on planning applications must have regard to the following:
- Reports should be accurate and should include the substance of any objections and other responses received to the consultation.
 - Relevant information should include a clear assessment against the relevant development plan policies, relevant parts of the National Planning Policy Framework (NPPF), any local finance considerations, and any other material planning considerations.
 - Reports should have a written recommendation for a decision to be made.
 - Reports should contain technical appraisals which clearly justify the recommendation.
 - If the report's recommendation is contrary to the provisions of the development plan, the material considerations which justify the departure must be clearly stated. This is not only good practice, but also failure to do so may constitute maladministration or give rise to a Judicial Review challenge on the grounds that the decision was not taken in accordance with the provisions of the development plan and the council's statutory duty under s38A of the Planning and Compensation Act 2004 and s70 of the Town and Country Planning Act 1990.
- (b) Any oral updates or changes to the report should be recorded.

- (c) Councillors should not put pressure on officers for a particular recommendation or decision, and should not do anything which compromises, or is likely to compromise, the officers' impartiality or professional integrity.

E5.14 PUBLIC SPEAKING AT COMMITTEE MEETINGS

- (a) Applicants and third parties, or their representatives, are permitted to address the committee in accordance with Procedure Rule D.1. 35b.

E5.15 DECISIONS WHICH DIFFER FROM A RECOMMENDATION

- (a) The law requires that decisions should be taken in accordance with the development plan, unless material considerations (which specifically include the NPPF) indicate otherwise (s38A Planning & Compensation Act 2004 and s70 of the Town and Country Planning Act 1990).
- (b) This applies to all planning decisions. Any reasons for refusal must be justified against the development plan and other material considerations.
- (c) The courts have expressed the view that the committee's reasons should be clear and convincing. The personal circumstances of an applicant or any other material or non-material planning considerations which might cause local controversy will rarely satisfy the relevant tests.
- (d) Planning committees can, and often do, make a decision which is different from the officer recommendation. Sometimes this will relate to conditions or terms of a S106 obligation. Sometimes it will change the outcome, from an approval to a refusal or vice versa. This will usually reflect a difference in the assessment of how a policy has been complied with, or different weight ascribed to material considerations.
- (e) The committee should consider taking the following steps before making a decision which differs from the officer recommendation:
- discussing the areas of difference and the reasons for that with planning officers beforehand (as part of a standard 'call-over' meeting where all items on the agenda are discussed).
 - recording the detailed reasons as part of the mover's motion.
 - adjourning for a few minutes for those reasons to be discussed and then agreed by the committee.
 - where there is concern about the validity of reasons, considering deferring to another meeting to have the putative reasons tested and discussed.
- (f) If the planning committee makes a decision contrary to the recommendation of the officers (whether for approval or refusal or

changes to conditions or S106 obligations), a detailed minute of the committee's reasons should be made and a copy placed on the application file. Councillors should be prepared to explain in full their planning reasons for not agreeing with the officer's recommendation. Pressure should never be put on officers to 'go away and sort out the planning reasons'.

- (g) The officer should also be given an opportunity to explain the implications of the contrary decision, including an assessment of a likely appeal outcome, and chances of a successful award of costs against the Council, should one be made.
- (h) All applications that are clearly contrary to the development plan must be advertised as such, and are known as 'departure' applications. If it is intended to approve such an application, the material considerations leading to this conclusion must be clearly identified, and how these considerations justify overriding the development plan must be clearly demonstrated.
- (i) The application may then have to be referred to the relevant Secretary of State, depending upon the type and scale of the development proposed (s77 of the Town and Country Planning Act 1990). If the report of the officer recommends approval of such a departure, the justification for this should be included, in full, in that report.
- (j) Where a decision taken contrary to the officer's recommendation results in an appeal, particularly one to be heard at a public inquiry or hearing, it will be necessary for all Council members and officers to work together to determine the best way of supporting the committee's decision in a unified manner and in the best interests of the Council. In certain circumstances it may be determined that evidence is best presented by expert witnesses from outside the Council and/or by members. Planning officers representing the Council in these circumstances will do so to the best of their ability without prejudice to their professional integrity.
- (k) Once the committee's decision has been taken all Council officers and members should not express views that may compromise the outcome of any appeal.
- (l) Copies of appeal decisions will be sent to the Group offices as soon as practical after they have been received.

E5.16 SITE VISITS

- (a) As far as possible officers will provide information that enables the committee to reach a decision at the meeting. Site visits by the committee have a place in the planning process. They are intended to be a means of providing members of the committee with an opportunity to inspect the application site and its surroundings in order to gather information which enables them to gain a better understanding of the proposal. Site visits are expensive and time-consuming and delay the determination of the

application. They should be viewed as an exception to the usual process which can be justified only by the importance or complexity of the application.

A site visit is only likely to be necessary if:

- the impact of the proposed development is difficult to visualise from the plans and any supporting material, including photographs taken by officers.
 - the comments of the applicant and objectors cannot be expressed adequately in writing or
 - the proposal is particularly contentious.
- (b) With the exception of Major planning applications, site visits will be arranged only by resolution of the committee. Any member proposing a site visit should identify the benefit that will accrue from such a visit. The reasons for holding a site visit will be recorded in the minutes of the meeting.
- (c) The procedure governing the conduct of site visits is set out in the Council's Constitution. However, in future the Group Manager: Development Management (or as titled) and the Chairman can consider whether or not a site visit is necessary for each individual major application and it can be foregone should it be perceived that no benefit will be gained from attending.
- (d) Site visits are for observing the site and gaining a better understanding of the issues. Visits made by committee members, with officer assistance, are normally the most fair and equitable approach. They should not be used as a lobbying opportunity by objectors or supporters.
- (e) This should be made clear to any members of the public who are there. Once a councillor becomes aware of a proposal they may be tempted to visit the site alone. In such a situation, a councillor is only entitled to view the site from public vantage points and they have no individual rights to enter private property. Whilst a councillor might be invited to enter the site by the owner, it is not good practice to do so on their own, as this can lead to the perception that the councillor is no longer impartial.
- (f) Only members who take part in the site visit or who have sufficient relevant knowledge and familiarity with the site can take part in the decision making process.

E5.17 CONTACT WITH THE MEDIA

- (a) Media comment is usually co-ordinated by the Council's Communications Team. Whether advising the Team or responding directly, if asked to

comment on a planning application before its determination, members and officers should adopt the general approach outlined in this Guide and avoid saying anything which commits, or appears to commit, the Council, or any group, to a particular course of action.

- (b) If commenting to the media after a decision is taken, members and officers should avoid saying anything that is likely to compromise the Council's ability to defend that decision successfully.

E5.18 PRE-MEETING BRIEFINGS

- (a) Before each committee meeting the officers who will attend the meetings will hold a briefing with the Chairman and Vice Chairman. If requested, arrangements will be made for a similar briefing to be held with a representative of any minority political grouping represented on the committee.
- (b) The purpose of such briefings will be:
 - (i) to bring those members present up-to-date with any information received since the officer's report was printed;
 - (ii) to ensure that the rationale behind the recommendations are understood;
 - (iii) to allow members to identify issues of particular concern and where additional information or explanation is necessary;
 - (iv) to identify any special procedural or other practical arrangements that may need to be made.

E5.19 DELEGATION OF DECISION-MAKING TO OFFICERS

- (a) Planning applications are delegated to officers except in those circumstances specified in the Council's Scheme of Delegation, which will be reviewed from time to time.
