446 DEBATE NOT HATE UPDATE - THE IMPACT OF ABUSE ON LOCAL DEMOCRACY

The Director: Governance and Communities submitted a report providing an update on work arising from consideration of the recent Local Government Association (LGA) publication "Debate Not Hate" on preventing abuse and intimidation in public and political settings. The LGA report was considered at a previous meeting (minute 434 refers) and it was resolved that officers conduct further work on potential improvements, feeding back to the Standards Committee.

The report confirmed that, following internal discussions, the following actions had now been implemented or were planned.

- A dedicated system had been established within the Group Offices to record abusive, intimidatory or threatening communications. There was an option to pass these communications to Humberside Police's

- Single Point of Contact (SPOC) where required.
- Discussions continued to explore the possibility of the Confidential Counselling and Welfare Service being made available to the council's elected members, in line with staff. Members would be able to self-refer or be referred via Group Secretaries.
 - Discussions continued with Humberside Police to ascertain the Force's response to Recommendation 3 of the LGAs report which requires: "Police forces should work to improve the consistency of responses to abuse and threats made against councillors and take a risk-based approach that accounts for the specific risks that councillors face, as they do with other high-risk individuals, such as MPs. This should include identifying best practice in relation to councillor support and safety and sharing it across the country." To this end, the Monitoring Officer had extended an invitation to the Police designated SPOC to attend the next Committee to provide an update on such matters.

The Standards Committee discussed these improvements and debated further steps to address the abuse and intimidation of elected members.

Resolved – That the Standards Committee note and welcome the improvements described by the Monitoring Officer and that additional measures continue to be explored and embedded.

447 COMPLAINTS SCHEDULE - UPDATE.
