communities.

239 SELF EVALUATION - USING THE NASACRE SELF EVALUATION TOOLKIT - KEY AREA 1B - SACRE MEETINGS

The SCARE Self-Assessment Tool had been circulated prior to the meeting.

Mrs J Taylor advised members the tool is provided by the National Association of Standing Advisory Councils on Religious Education (NASACRE). The tool had been created to help SACREs in their essential role to advise the Local Authority (LA) in meeting the entitlement of pupils across the LA to engage in high quality Religious Education (RE) and Collective Worship (CW) and to support the LA to reflect on its practice.

This toolkit is an amended version of the 2015 document. It takes account of changes in inspection arrangements and in the role of LAs, and of the development of maintained schools independent of their LA. It is designed to help individual SACREs evaluate their effectiveness, including considering their impact on pupils' educational experience and learning. It also helps SACREs review their organisational patterns and structures, and their partnership with the LA and other key stakeholders.

The SACRE self-evaluation toolkit focuses on the following five aspects of the work of SACREs:

Management of the SACRE and building the partnership between the SACRE, the LA and other key stakeholders

- I. Promoting improvement in the standards, the quality of teaching, and provision in RE
- II. Evaluating the effectiveness of the locally agreed syllabus
- III. Promoting improvement in the provision and quality of collective worship
- IV. Contributing to cohesion across the community and the promotion of social and racial harmony.

Recommended – That (a) the SACRE website be refreshed and developed (b) a Task and Finish Group be arranged with an open invite to other relevant professionals (c) members of the SCARE send contact of faith groups to Mrs J Taylor to be included on the Task and Finish Group.
