Tom and Anna delivered a wide-ranging presentation on the report and the service, describing the outcome of the October 2022 Ofsted inspection, ongoing work to recruit and train foster carers, the supported accommodation scheme, and other efforts to deliver an excellent local service within North Lincolnshire, reducing the need for external placements.

The Chairman then led a discussion on the presentation, with the panel asking questions about the assessment process for prospective foster carers, specialist carers for children with complex needs, practical arrangements for fostering, and educational outcomes for young people in foster care. Tom and Anna responded accordingly, confirming that there were many examples of young people proceeding to further and higher education. Anna clarified the situation around complex commissioning, confirming that regional arrangements were in place, although they were rarely required locally.

Resolved – (a) That Tom Hewis and Anna Heath be thanked for the presentation and for responding to Members' questions; and (b) that the report and presentation be noted and welcomed.
