9. CRIMESTOPPERS

- 9.1 Crime stoppers Yorkshire and the Humber Regional Manager (shared with four other areas) ensures continued engagement with hard-to-reach communities who cannot, or will not, talk to the police; as well as delivering successful campaigns in line with local Police and Crime Plan priorities. The PCC has approved partial funding of the Regional Manager post to March 2026.

10. EXTERNAL FUNDING

- 10.1 The Police and Crime Plan contained a target of securing £4m external funding to enhance the PCC's investment in crime and community safety. Following recent successful funding bids, the total funding secured since the start of the PCC's term now stands at nearly £15m, made up of the following:

External Grant Funding	£	10,407,299.50
Drug Confiscation	£	198,500.00
Property Disposed	£	52,215.00

11. HUMBER VIOLENCE PREVENTION PARTNERSHIP

- 11.1 Since the last update, work has continued to develop the VPP's Response Strategy in collaboration with partners. This includes developing a "theory of change" to ensure the VPP's impact is systematically identified and understood.
- 11.2 A programme of focus groups with young people has been completed, with the final report currently being prepared ready for presentation to the VPP Board in October. Preparations for the next Hope Hacks (13 November in Bridlington and 22 November in Grimsby) are well under way; these will bring together young people from the surrounding areas to discuss the issues affecting them and develop solutions. Panel members are welcome to join the events to listen to the young people's feedback in the final part of the day and can contact the office to arrange this.

11.3 The next intervention to be commissioned by the VPP will be Relationship Violence Prevention, working with schools. The tender for this will be issued shortly.

12. ANTI SOCIAL BEHAVIOUR (ASB)

12.1 One of the main areas that the public feed back on concerns to the PCC is regarding ASB. The PCC routinely monitors data with the force on levels of ASB and the force response. Some headlines as follows.

12.2 Total ASB - When analysing the data for the current year to date period (April 23 to Sept 23), Humberside Police has recorded 5,725 ASB incidents, which is 24.5% lower when comparing with the same period last year (April 22 to Sept 22).

12.3 ASB Personal - has recorded the largest year on year reduction of 57.8%, which is the equivalent of 1,095 less incidents and accounts for c.60% of the overall reduction, where 801 incidents have been recorded year to date.

12.4 ASB Nuisance - has recorded the second largest year on year reduction of 14.1%, which is the equivalent of 768 less incidents and accounts for c.40% of the overall reduction, where 4,675 incidents have been recorded year to date.

12.5 ASB Environmental – recorded 249 incidents year to date (April 23 to Sept 23), which is 2.9% higher when comparing with the same period last year (April 22 to Sept 22), the equivalent of 7 additional incidents.

12.6 The PCC is responsible for publishing a Community Remedy document which communicates to the public the ways in which they can expect crime and antisocial behaviour to be dealt with. There is a revised copy of this that will be published in October 2023.

13. REDUCING REOFFENDING

13.1 The PCC has funded the Lincolnshire Action Trust to deliver a navigator programme for females in custody on the South Bank. Support workers will meet women in custody and signpost them towards the holistic services they need.

13.2 We are now working with colleagues in Probation and the wider Criminal Justice Board to find a sustainable funding route for this initiative should it prove successful. A conference is planned in January to bring together partners who work with women and plan a Whole System Approach to women in or at risk of contact with the Criminal Justice System. This will ensure that the way that the CJS deals with females reflects the reasons for their offending, their unique vulnerabilities and recognises the impact of sentencing decisions on their families.

14. PUBLIC HEALTH APPROACH TO DOMESTIC ABUSE (PHADA)

14.1 Membership of this group has recently expanded and work is currently underway to re-visit planned interventions with perpetrators and children.

The Partnership are utilising the annual Perpetrator Prevalence Profile and a new Typology of Perpetrators. Both analytical products have been made possible due to the excellent shared work within the analytical team across the OPCC and VPP.

- 14.2 Current interventions for PHADA include the HU9 Trauma-Informed Education pilot (research report due to publish in November), DA and Substance use project (led via Stewart Atkinson), DA Perpetrator signposting pilot, Books in Custody aimed at male suspects/perpetrators, Therapeutic support for children in the East Riding – in addition to cross-over work within the VPP such as the Healthy Relationships Programme development.

15. SAFER STREETS

- 15.1 A Safer Streets 4 celebration event was held in the East Marsh Grimsby on Friday 29th September 2023. This event not only marked this project's success and closure but was also an opportunity through informal discussion to seek any additional information / material for the legacy website (currently under construction) relating to both the Safer Streets projects delivered in NEL. Here is the link to the Safer Streets documentary film that is now broadcast on the Clee TV channel <https://www.youtube.com/watch?v=iObTTKBN674>, the film has also been posted in a news bulletin on the Clee TV facebook page <https://www.facebook.com/Cleetyv>
- 15.2 Safer Streets 5 funding has been announced and Humberside have acquired further monies. Details of the projects were presented in the previous report, the OPCC were officially notified of successful application last week. This equates to £1.3m investment across Hull and Northern Lincolnshire

1 FOREWORD FROM THE CHAIR

I am delighted to present the fourth annual report of the Humberside Police and Crime Panel (PCP), which covers its activities during the 2022-23 Municipal Year; a year which was my second as Panel Chair.

This year saw unexpected demands on police resources due to the sad death of our late sovereign, Queen Elizabeth to new national protest campaigns, some of which impacted on the county. These demands were against a background of an inflation rate unprecedented in recent times. The challenges of policing continue to rise and the availability of sufficient funding, a significant proportion of which is raised from council taxpayers, continues to be one of those challenges.

In November 2022, the Panel invited the Police and Crime Commissioner and Chief Constable to present the report of His Majesty's Inspectorate of Constabulary and Fire and Rescue Services (HMICFRS) following its most recent Police Effectiveness, Efficiency and Legitimacy (PEEL) Inspection of Humberside Police. The findings of HMICFRS provide an objective, independent assessment of the shape of the Force. The Panel was delighted to hear that Humberside Police had been awarded one of the highest grades of any UK Police Force by HMICFRS following its inspection, which took place between January and June (2022).

A total of six outstanding grades and two good grades were awarded across the key pillars, the most outstanding grades given to any force to-date. The Panel was absolutely delighted with the report and the assessment from HMICFRS and the outstanding grades the force had been awarded. I was a member of the Panel when Chief Constable Mr Freeman was appointed in June 2017. At that point, the force was in 'special measures' and remained so until 2018. Mr Freeman, at his Confirmation Hearing, stated that his ambition was that local communities had a right to be policed by one of the best performing forces in the country. His legacy is that the residents of Humberside now have that very Force.

This report from His Majesty's Inspectors is testament to years of hard work, planning and dedication by everyone at Humberside Police, from the outstanding leadership shown by Chief Constable Mr Freeman and his senior team through all officer ranks, police staff and volunteers. Humberside Police has been on a continuous journey of improvement since 2017 which has not been without its challenges but everyone in the force can rightly be proud of HMICFRS inspection report.

In February 2023, the Panel accepted the Commissioner's proposed increase of £14.99 (5.9%) in the local policing precept for an average Band D property (and equivalent percentage increase for other bands). In doing so, the Panel recognised the difficult choices presented by current economic circumstances, including the effects of rising inflation, escalating energy prices, and pressure on household finances. The Panel also noted the impact of economic pressures on police finances, including the need to ensure fair wage increases for those working for Humberside Police to contend with the cost of living.

In its response, the Panel acknowledged that with rising inflation and the impact of the cost of living crisis, members were acutely aware of the impact the increase in the precept may have on some residents in Humberside. Despite funding from central Government and local tax payers, a further £6.2m would be required from police financial reserves next year to allow the Commissioner to proceed with current plans and cover increased costs in the present financial climate. The Panel agreed with the Commissioner that this was not the time to reduce the resources available to Humberside Police, instead investing in further developments to drive the force forward. The Panel did respectfully request that the members be provided with an update in six months' time on the implementation/continuation of the eleven commitments made by the Commissioner.

The Police and Crime Panel has sought to engage positively with the Police and Crime Commissioner, offering a balance of support and constructive challenge and acting as a critical friend whilst also scrutinising decisions and actions he has taken.

As Panel Chair, I am a huge advocate of members moving away from just sitting in traditional committee meeting rooms discussing official business. Panel Members have visited operational buildings at 'Melton 2' (Humberside Police corporate headquarters) and Courtland Road (Humberside Police training and development centre) as well as meeting and understanding what each member of the Office of the Police and Crime Commissioner contributes to making Humberside a safer place to live, work and play. Visiting and meeting operational staff has been a huge success, assisting Panel Members in developing their knowledge and understanding of their role.

I would like to thank the Police and Crime Commissioner for his attendance, honesty and co-operation with the Panel.

I must also thank the Chief Executive and all her staff at the Office of the Police and Crime Commissioner, who have attended every meeting, produced reports and answered Panel Members questions in an open and honest way.

My final comments are to give enormous thanks firstly to my Vice Chair Councillor Bernard Gateshill, with whom I enjoyed an excellent relationship with, for his tremendous support, and to all the members of the Panel who bring with them a commitment and wealth of knowledge and experience. I must also thank the Panel Secretariat for the professional way they administer the Panel and the support they have provided.

Mrs S Whittaker
Chair – Humberside Police and Crime Panel 2022-23

2 WHAT IS THE HUMBERSIDE POLICE AND CRIME PANEL?

Humberside Police and Crime Panel came into being in November 2012, at the same time as elections for Police and Crime Commissioners were held across the country. Both were part of the new police governance arrangements whereby Commissioners and Panels replaced the old Police Authority and took over respectively its governance and scrutiny functions under the Police and Social Responsibility Act 2011.

Police and Crime Panels are joint scrutiny bodies of the local authorities in the police force area and are mainly composed of elected members from these authorities. All Panels have the right to co-opt independent members who are not local councillors.

Councillor membership of a Police and Crime Panel must be geographically and politically proportionate.

The PCC has responsibility for setting the direction, objectives and budget of Humberside Police, and for holding the Chief Constable to account. The Police and Crime Panel's role is to scrutinise and support the performance of the PCC over a range of policy areas, including the delivery of the Police and Crime Plan.

The key functions of the Panel are:

- To review the PCC's Police and Crime Plan.
- To hold the PCC to account for the delivery of the Police and Crime Plan – the panel has powers to request any necessary information from the PCC on his decisions.
- To review and report on the appointment of the Chief Constable and other senior appointments – the Panel has powers to veto the appointment of the Chief Constable.
- To review the Commissioner's proposed police precept – the Panel has powers to veto the precept
- To scrutinise the PCC's annual report.
- To consider complaints against the PCC.

The Panel comprises ten elected members of local authorities across Humberside working alongside two independent co-opted members. Together the Panel members reflect the breadth of communities in Humberside. Further information is available on the Panel's website at: [Democracy | \(moderngov.co.uk\)](http://Democracy | (moderngov.co.uk))

3 PANEL MEMBERSHIP 2022-23

In Humberside the number of members from each authority and each political party was agreed by council leaders as follows: -

- **3** members each from East Riding of Yorkshire Council and Hull City Council
- **2** members each from North East Lincolnshire Council and North Lincolnshire Council
- **2** Independent members

In 2022-23, Panel members were:

East Riding of Yorkshire Council:

Councillor Julie Abraham
Councillor Bernard Gateshill (**Vice-Chair**)
Councillor Claire Holmes

Hull City Council:

Councillor Maria Coward
Councillor Abhimanyu Singh
Councillor Linda Tock

North East Lincolnshire Council:

Councillor Hayden Dawkins
Councillor Kevin Shutt

North Lincolnshire Council

Councillor John Davison
Councillor Richard Hannigan

Independent Members:

Mrs Susan Whittaker (**Chair**)
Mrs Hazel Chase

Officer support to the Panel is provided by the host authority, North Lincolnshire Council, on behalf of all the Humberside Local Authorities. The additional costs incurred in supporting the Police and Crime Panel are funded from a specific Home Office grant made available for this purpose.

4 PANEL ACTIVITIES AND ACHIEVEMENTS IN 2022-23

During 2022-23, the Humberside Police and Crime Panel held five formal Panel meetings, on 5 July 2022, 6 September 2022, 29 November 2022, 8 February 2023 and 29 March 2023. The Panel also met informally as they attended operational Humberside Police buildings to assist their knowledge and understanding of the work of the Force. All formal meetings were held 'in-person', allowing Panel Members to meet face to face.

Details of the formal meetings and the agendas and papers for them are available online: [Democracy | \(moderngov.co.uk\)](https://www.moderngov.co.uk)

In addition to the formal Panel meetings, the Panel held a number of informal workshops. The informal workshops focus primarily on scoping the key focus areas for the upcoming Panel meeting, briefing members on the subject matter to assist in their preparation, and highlighting any key points to bring to the attention of the PCC's Office prior to the meeting.

There have also been several other meetings during the year involving one or more Panel members, such as planning and briefing meetings with the Chair and Vice-Chair, regular informal meetings between the Chair and the PCC and attendance at operational Humberside Police buildings to assist their knowledge and understanding of the work of the Force.

Panel members and the support officer have also attended national and regional conferences and network meetings. These have provided an opportunity to share best practice with other Panels and to increase knowledge and understanding of key issues and developments.

The Vice-Chair, two Panel members and the support officer attended the eleventh National Conference for Police (Fire) and Crime Panels at Warwick University. The conference, which was accessible virtually, included keynote addresses on the strategic review of policing and a variety of interactive workshops focusing on good practice and Panel development.

The Panel's key activities and achievements during 2022-23 are summarised below:

5 July 2022

1) Humberside Police and Crime Panel – Panel Arrangements

The Secretary to the Panel submitted its Panel Arrangements for consideration by members. It was proposed that the arrangements be amended to include a paragraph on how the Panel would proceed if a member(s) do not attend meetings.

The Panel unanimously agreed to amend its arrangements.

2) Balanced Appointment Objective

The Secretary to the Police and Crime Panel circulated a report on the requirement to retain a balanced membership that reflected the political make-up of the Humberside Police force area – the Balanced Appointment Objective.

Schedule 6 of the Police Reform and Social Responsibility Act 2011 outlined the responsibilities councils had in establishing and maintaining a Police and Crime Panel.

Where a force area consisted of 10 or fewer authorities, the minimum number of members of the Police and Crime Panel would be 10. This does not include the two required independent co-opted members. It was up to the Panel to agree the allocation of seats.

The report provided a précis of the number of seats in the Humberside Force area, and identified how they could be allocated. The allocation was at the discretion of the Panel.

The Chairman invited members to discuss the Panel membership.

It was agreed that the Humberside Police and Crime Panel be represented by ten councillors, three seats each to East Riding of Yorkshire Council and Hull City Council, and two seats each to North Lincolnshire Council and North East Lincolnshire Council, and that the Panel consist of six Conservative, two Labour and two Liberal Democrat councillors.

6 September 2022

1) Humberside Police and Crime Commissioner – Update

The Chairman welcomed Jonathan Evison, Humberside Police and Crime Commissioner (PCC) to the meeting. The Police and Crime Commissioner informed the Panel of the following –

- The Humber Violence Prevention Partnership was launched in late July and joined 18 other Violence Reduction Units across England and Wales which had been operating since 2019. A total of £3.5m would be provided by the Home Office to develop and operate the partnership over the next three years to identify the causes of violent crime and lead the local response to preventing and reducing violence through targeted interventions.
- To assist the Humber Violence Prevention Partnership, the Joint Strategic Needs Assessment was being re-written to assist with the allocation of the monies.
- His Majesty's Inspectorate of Constabulary and Fire and Rescue Services had now concluded its Police Efficiency, Effectiveness and Legitimacy (PEEL) inspection into Humberside Police. The Inspector had fed back to the Police and Crime Commissioner, with the initial conclusions being positive.

- The Commissioners Community Safety Fund offered grants towards the costs of community safety and crime reduction projects across the Humber area. It was designed to support community organisations to kick-start local projects that would cut crime and antisocial behaviour and improve feelings of safety. The Fund could provide funding of between £500 and £35,000 towards projects that meet the scheme criteria. A total of £1.1m had been allocated to the Fund between 2022/23 and 2024/25. 74 applications had been received in round 1, with 20 applications shortlisted. Round 2 opened on 1 September and would close on 3 October 2022.
- The PCC's Annual Report would be presented before the next meeting of the Panel.
- Humberside Police had implemented a new system in the Control Centre to triage complaints, which saw civilians more involved.
- The impact of the decision of the Home Office to close the Initial Police Learning and Development Programme (IPLDP) recruitment route from next April following requests from the College of Policing.
- An update on the recruitment of additional police officers.
- The domestic abuse campaign ran over the summer had been a huge success: 331,000 people had accessed information, over one million people saw the promotional information, 648 people accessed online services and 372 new victims came forward.
- The Commissioner was holding an online "meet the Commissioner" event.
- Despite calls for service increasing for the first time since the pandemic, average call handling times had increased too.

Following the Commissioner's verbal presentation, the Chairman facilitated a discussion between the Panel Members and Mr Evison, with particular attention being paid to the decision of the Home Office to close the Initial Police Learning and Development Programme recruitment route. Resolved.

The Panel unanimously agreed that the Chair, on behalf of the Panel, write to the Minister of State for Crime, Policing and Fire to share the Panel's concern following the closure of the Initial Police Learning and Development Programme (IPLDP) recruitment route and its impact on Humberside Police.

2) Understanding Violence Against Women and Girls in the Humber Area

The Police and Crime Commissioner for Humberside informed the meeting that he had recently commissioned leading research and training organisation VictimFocus, led by Dr Jessica Taylor, who had extensive experience of working with victims and survivors to run a survey of women and girls aged 16+ in the Humber area to help build a real picture of what violence against women and girls looked like in the Humber region.

The aim of the study was to help facilitate discussion and ultimately long-term outcomes in addressing male violence against women and girls.

The Chief Executive Officer at the Office of the Police and Crime Commissioner guided the Panel through a presentation, which identified the key findings from the survey, which were –

Of the 1425 adult women participants aged 18 years old +

52% of women had been slapped or punched in adulthood

2) Police Precept for 2023-24 and Medium Term Resource Strategy 2022-23 to 2027-28

The Vice-Chair welcomed Jonathan Evison, Police and Crime Commissioner for Humberside and Kevin Wilson, Chief Finance Officer at the Office of the Police and Crime Commissioner to the meeting. Mr Evison and Mr Wilson were in attendance to guide members through the proposed police precept for 2023-24 and Medium Term Resource Strategy for 2023-24 to 2027-28.

Mr Evison informed the meeting that as part of the budget setting process, the Commissioner was required to consider whether or not to propose any changes to council tax. The amount of the council tax precept was a decision for the Commissioner who would take account of the views of the Police and Crime Panel and the Government's Council Tax increase limit in making that decision.

The Commissioner had proposed a precept increase of 5.9%. The financial implications for residents were that the Band D Council Tax amount would increase to £268.19 for 2023-24, an increase of £14.99.

The panel considered the Medium-Term Resource Strategy (MTRS) of the Police and Crime Commissioner for Humberside, which covered a period of five years. It described the financial direction of the organisation and outlined financial pressures.

The MTRS provided options for delivering a sustainable budget and capital programme over the medium term. It also sets out how the Commissioner could provide the Chief Constable with the resources to deliver the priorities in the Police and Crime Plan within the challenging financial climate.

The MTRS sets the financial context for the Commissioner's revenue budget, capital programme and precepting decisions.

The overall financial strategy sought to deliver the Commissioner's Police and Crime Plan, 2021 - 2025 and meet the requirements of the National Strategic Policing Requirement.

The Funding formula used to distribute Grant between Forces (Police Allocation Formula (PAF)) was introduced in 2006-07 and much of the data used had not been updated. Members heard that there had been recognition for many years that the formula no longer reflected needs, but previous attempts at reform of the PAF had not come to fruition due to various technical/political considerations. No change was anticipated to the PAF formula until at least 2024-25 at the earliest and therefore, the MTRS had made no assumptions in this regard.

Members were informed that the Government had made a commitment to increase police officer numbers nationally by 20,000 by March 2023. The profile for Humberside Police was as follows:

2020-21 - 97 Officers.
2021-22 - 96 Officers.
2022-23 - 129 Officers.

Funding had been allocated towards the costs of police officer salaries, additional police staff to facilitate the recruitment and training of officers and the necessary kit and equipment they needed.

The Provisional Police Finance Settlement for 2023-24 was announced on 14 December 2022. The final Police Finance Settlement would be released in February 2023.

Members were informed of the following headlines from the Police Finance Settlement for Humberside:

Police core grants of £139.1m
Legacy grants of £10m
Ring-fenced grant of £4.4m relating to achievement of Operation Uplift targets

Members were reminded that the Secretary of State determined the maximum increase PCCs could make to the council tax precept without requiring a referendum and in 2023-24, was more than £15 per year on a Band D property. The Band D council tax precept set by the Commissioner for the year 2023-24 was £268.19.

The Commissioner had also ran a public consultation on the level of the council tax precept for 2023-24. There had been 1,590 responses to the consultation. 69% of these responses agreed with a £9.99 increase or more in a Band D council tax precept.

The MTRS included an increase in the precept of £14.99 for a Band D property for 2023-24 and an increase of £9.99 in future years. A final decision on the actual precept would be made each year by the Police and Crime Commissioner based on the financial circumstances at the time.

Members were informed that the Ministry of Justice (MOJ) allocated a grant to the Commissioner each year for local commissioning of victim services. The grant was allocated between Police and Crime Commissioners on the basis of population. A total of £1.090m was allocated to the Police and Crime Commissioner for Humberside for 2022-23. The amount for 2023-24 was yet to be confirmed.

The MOJ grant was held outside of the Police General Fund and the Commissioner made decisions on the commissioning of services on an annual basis, within the grant funding available. The commissioning of victim services therefore had no impact on Force budgets.

Members were informed of the following pressures –

Indicative budget forecasts for 2023-24 to 2027-28 reflected the impact of inflation on budgets wherever possible such as energy, business rates and rent increases along with known contract increases. In addition, estimates for future pay awards at 3% for 2023-24 and 2% for the following years.

The MTRS also included estimates of the impact of the annual cost of officer pay progression under police regulations and the triennial review of the Local Government Pension Scheme (LGPS), this review was completed for 2023- 24 and the following two years and an increase in contributions was not required. Humberside Police would also face financial pressures due to the additional costs incurred following the recruitment of additional Police Officers and Police Staff as a result of Operation Uplift.

A revised five-year capital programme had been produced. The implications of this programme were fully reflected in the MTRS.

In considering the rationale behind the proposed increase in the police precept, the Commissioner had committed to the following –

1. Humberside Police would continue its programme of placing 24-hour response teams in every town in the force area – including the return of 24-hour policing teams in Driffield and Brigg.
2. This growth would be in addition to preserving existing bases and protecting officer numbers in Hull, Grimsby, Scunthorpe, Epworth, Beverley, Bridlington, Withernsea, Pocklington, Goole and Hedon (which were at their highest in ten years)
3. Humberside Police would be able to afford to keep 148 dedicated PCSO's embedded in every ward in East Riding, Hull, North and North East Lincolnshire
4. Humberside Police would be able to increase the number of dedicated community police officers working alongside PCSO colleagues
5. The force also recognised that rural communities want an increase in dedicated rural policing, and the continued support and development of dedicated Rural Task Force teams in the East Riding and in North and North East Lincolnshire would be achievable.
6. The dedicated Rural Task Force would be enhanced to 1 Sergeant and 8 Constables, based in the East Riding and Northern Lincolnshire
7. Humberside Police were also asked by local communities to invest more resources in tackling dangerous driving, illegal and uninsured drivers and driving that was leading to death and serious injury across the whole region.
8. Humberside Police would increase the number of police officers in its Roads Policing Unit to increase patrols, visibility and capability to proactively target offenders who continue to reduce safety on the roads for other users
9. Humberside Police had a key role to play in ensuring that victims of domestic abuse were protected and offenders were brought to justice. The impact such behaviour had on victims and children was generational and nothing other than providing an outstanding response every time should be accepted.
10. Ensure that the new dedicated Domestic Abuse Investigation and Safeguarding Teams could be fully resourced in 2023 whilst not reducing officer numbers elsewhere

11. Invest the additional officers as planned into local CID teams, to further improve the force's ability to investigate more crimes and provide a service that increased public trust and confidence in their local force Following the Commissioners verbal update, the Vice-Chair facilitated a discussion between Panel Members and Mr Evison and Mr Wilson on the Commissioners proposed precept increase of 5.9 %. The financial implications for residents were that the Band D Council Tax amount would increase to £268.19 for 2023-24, an increase of £14.99.

Following the Commissioners verbal update, the Vice-Chair facilitated a discussion between Panel Members and Mr Evison and Mr Wilson on the Commissioners proposed precept increase of 5.9 %. The financial implications for residents were that the Band D Council Tax amount would increase to £268.19 for 2023-24, an increase of £14.99.

The Panel, having considered the evidence submitted by the Police and Crime Commissioner and Mr Wilson, Chief Finance Officer at the Office of the Police and Crime Commissioner, and their responses to questions from members, unanimously agreed that the Humberside Police and Crime Panel support the Commissioner's proposal to increase the precept for 2023- 24, by 5.9% (from £253.20 to £268.19 for a Band D property, an increase of £14.99).

The Panel also agreed that, having considered the evidence submitted by the Commissioner and Mr Wilson, the Panel –

- Acknowledged that with rising inflation and the impact of the cost of living crisis, members were acutely aware of the impact the increase in the precept may have on some residents in Humberside. Despite funding from central Government and local tax payers, a further £6.2m would be required from police financial reserves next year to allow the Commissioner to proceed with current plans and cover increased costs in the present financial climate.
- Noted that Humberside Police had made great progress in improving the service it provided to local communities, resulting in last November's announcement from His Majesty's independent Inspectorate that the force had been graded Outstanding in most areas of its operations.
- Agreed with the Commissioner that this was not the time to reduce the resources available to Humberside Police, instead investing in further developments to drive the force forward.
- Stated that in supporting the precept proposal, the Panel respectfully asks that the members be provided with an update in six months' time on the implementation/continuation of the eleven commitments made by the Commissioner.

3) Police, Fire and Crime Panels: Independent Member Recruitment Guidance

The Secretary circulated the Police, Fire and Crime Panels: Independent Member Recruitment Guidance which the Home Office had published in January 2023. Mr Evison guided the Panel through the document.

It was agreed that the Office of the Police and Crime Commissioner for Humberside Delivery Plan for 2023-24 be adopted and implemented.

3) Community Safety Fund - Update

The Chair invited the Police and Crime Commissioner to update the Panel on the Community Safety Fund. Members heard that the Community Safety Fund offered grants towards the costs of community safety and crime reduction projects across the Humber area. It was designed to support community organisations to kick-start local projects that would cut crime and antisocial behaviour and improve feelings of safety.

The Fund provided grants of between £500 and £35,000 towards projects that meet the scheme criteria. A total of £1.1m had been allocated to the Fund between 2022-23 and 2024-25. Funding would be distributed via bidding Rounds until the full allocation had been committed to projects. To date two rounds had been allocated and a further round was currently live for applications.

Since its establishment, a constant membership has been a feature of the Panel in Humberside. 7 PANEL'S FINANCES

In 2022-23, as in previous years, a Home Office Grant of up to £65,260 provides the finance to North Lincolnshire Council for the maintenance of the Humberside Police and Crime Panel.

For the period 1 April 2022 to 30 September 2022, the total costs submitted to the Home Office for re-imburement were £24,652.

For the period 1 October 2022 to 31 March 2023, the total costs submitted to the Home Office for reimbursement were £23,590.

These costs include –

- staff support to the Panel;
- specialist professional advice and support;
- meeting management;
- financial and administration management;
- updating of information about the Police and Crime Panel on its website;
- Members' expenses;
- Conference attendance fees and subscription to the Yorkshire and Humber Regional Police and Crime Panel Network.

As part of the Home Office agreement, the host authority is asked to submit a report highlighting the progress of the Police and Crime Panel in achieving outcomes and targets against specified "critical success factors" including how value for money is being achieved (e.g. benefits, savings, efficiencies etc.). The summary was as follows:

Critical Success Factors

The Humberside Police and Crime Panel's work continues to be focused around:

- Approximately quarterly formal public meetings and the considerable informal preparatory work involved;
- Regular statutory reviews including the PCC's annual precept and any formal variation to the PCC's Police and Crime Plan;
- Regular discussion on the PCC's Police and Crime Plan Objectives;
- The Panel holds all its meetings in a central location to provide the best opportunity for members of the public to attend.
- The Panel is comprised of 10 local authority councillor representatives, representing each of the local authority areas within Humberside. To further enhance the capacity of the Panel to carry out its scrutiny function the Panel also has two co-opted Independent Members, making a total membership of 12.

Each Member brings with them skills and expertise and a knowledge of the local policing issues within their area of the County. In a County which comprises both urban and rural areas, lived experience and an understanding of policing priorities from the perspective of local residents are invaluable in holding the PCC to account.

- The Panel receives reports from the PCC at each Panel meeting and makes comments and recommendations on those reports as appropriate.
- The PCC submits regular annual reports in relation to his Annual Report and his Budget Precept. The PCC also submits reports on any senior appointments he wishes to make. Following scrutiny of these reports the Panel publishes a report with any relevant recommendations.
- All reports and papers for Panel meetings are published in advance of the meeting with the exception of any material that is sensitive and confidential as set out in the “Local Government Act 1972 – Exclusion of the Public” regulations.
- The PCC and the Chief Executive Officer at the Office of the Police and Crime Commissioner attend every public meeting of the Panel to respond to questions, accompanied by relevant staff appropriate to the items being discussed. In its consideration of all reports the Panel questions the PCC in relation to his strategic role and provides challenge and support as appropriate.
- Members of the public are invited to attend all meetings in public and are able to access the agenda, reports and minutes on the host authority website. Representatives from the press regularly attend Panel meetings and the Panel’s work has received significant coverage by the local media, raising public awareness and stimulating wider debate in relation to the work of the PCC.

The Humberside Police and Crime Panel continues to offer value for money in the following ways:-

- No Special Responsibility Allowances are paid to Panel Members.
- Panel meetings are held at local authority owned premises to keep costs to a minimum;
- Meeting papers are sent electronically to Panel Members and substitute members to ensure that any substitute members continue to be fully conversant with the business and able to take an active and informed role.
- Members are encouraged to make use of technology for reading agendas and reports. Reports routinely include hyperlinks to more detailed information which affords members the opportunity to drill deeper into a topic area and helps keep production costs to a minimum.
- Professional updating is generally undertaken via the internet and through peer group networking rather than attendance at specific training events. Where members and officers attend paid for training, the value and benefits are considered in advance and are related to the overall value to the Panel.

8 WORK PROGRAMME

The Panel have a work programme that is reviewed every 4-6 weeks as part of the pre-agenda planning with the Commissioner. As you would expect the Programme covers the statutory responsibilities of the Panel, alongside other key issues of importance to the public of Humberside.

Humberside Police and Crime Panel will continue its commitment to support, and to scrutinise the decisions of the PCC in order to secure an efficient and effective Police Force for the people of Humberside.

Over the next twelve months the Panel will focus on the following key areas:

- Review the PCC's Annual Report.
- Work with the Office of the Police and Crime Commissioner (OPCC) to ensure the delivery of the Police and Crime Plan 2021-25.
- Hold the PCC to account for the delivery of his precept commitments.
- Maintain a work programme in consultation with the OPCC.
- Have regard to the Policing and Crime Act and the legislative changes, including emergency services collaboration.
- Ensure that the PCC and Chief Constable recruit, retain and progress a workforce which reflects the communities it serves.
- Support the PCC to maximise opportunities for joint working.
- Liaise with HMICFRS to improve the Panel's understanding of Humberside Police's performance.
