CABINET

ANNUAL REPORT OF LOCAL ARRANGEMENTS TO SAFEGUARD AND PROMOTE THE WELFARE OF CHILDREN AND YOUNG PEOPLE 2021/22

1. OBJECT AND KEY POINTS IN THIS REPORT

- 1.1 Cabinet to note the publication of the Annual Report of Local Arrangements to safeguard and promote the welfare of children and young people 2021/22, and to consider the review in relation to planning, commissioning and budget setting.
- 1.2 The Annual Report demonstrates that the Children's Multi Agency Resilience and Safeguarding (MARS) Board:
 - effectively meets its statutory obligations
 - benefits from strong and consistent leadership
 - has made good progress against its 'shine a light' areas of focus
 - listens to and takes account of the voices of children, young people and families

2. BACKGROUND INFORMATION

- 2.1 North Lincolnshire is aspirational for children, young people and families in this area and there is a long history of working together to improve outcomes. As early adopters of multi-agency safeguarding arrangements, the North Lincolnshire Children's MARS Local Arrangements, were originally published on 31 October 2018. We have continued to listen, learn, review and adapt and our Local Arrangements have been reviewed on an annual basis thereafter.
- 2.2 As per Working Together to Safeguard Children 2018, there is a statutory requirement to publish an annual report, which sets out what has been done as a result of the Local Arrangements and how effective these arrangements have been in practice. The Annual Report of Local Arrangements to safeguarding and promote the welfare of children and young people 2021/22 has been endorsed by the Children's MARS Board on behalf of the three safeguarding partners from North Lincolnshire Council, North Lincolnshire Clinical Commissioning Group (now the North Lincolnshire Health and Care Partnership) and Humberside Police. The Annual Report is then required to be distributed through relevant governance routes across the three safeguarding partner organisations and relevant partnership arrangements, to be considered in relation to planning, commissioning and budget setting.

- 2.3 In 2021/22, we have continued to fulfil all functions across our Local Arrangements, and we have responded to the needs of individuals and diverse communities, prioritising the most in need, to help and protect children, young people and families, while we support and develop our workforce. We have built on our outstanding partnerships and practice to ensure that everyone is able to recognise and fulfil their responsibilities. Through our One Family Approach, which aims to create a system that works for all children, young people and families, we have contributed to achieving our ambition for children to be in their families, in their schools and in their communities.
- 2.4 The Annual Report provides a review of activity and impacts in respect of the Children's MARS functions, including funding, performance, voice and stakeholder engagement, training, scrutiny and assurance (including independent scrutiny) and child safeguarding practice reviews.
- 2.5 The two 'shine a light' areas of focus for 2021/22 were to develop the multi-agency approach to risk outside the home; and to further develop the multi-agency approach to child sexual abuse in the family environment. The Annual Report outlines the significant partnership action pertaining these 'shine a light' areas of focus which has impacted positively on children, young people and families. Key headlines in relation to performance and populations, and progress against key developments also indicate that our system is working and making a difference to children, young people and families.
- 2.6 As part of our commitment to listen, learn, review and adapt and in response to an amplified government focus on safeguarding arrangements, we undertook an enhanced programme of independent scrutiny activity to seek assurance of the Children's MARS Local Arrangements. Overall, independent scrutiny officers found that multi agency safeguarding arrangements in North Lincolnshire are strong and that partnership working is valued at all levels.
- 2.7 In 2022/23, safeguarding partners will continue to listen, learn, review and adapt in order deliver the core functions, ensure that effective safeguarding arrangements are in place and continue to seek assurance that further work is progressing in relation to the 'shine a light' areas of focus identified in the Annual Report.
