CONCESSIONARY FARES 2023/24 - PUBLICATION OF FINAL SCHEME

1. OBJECT AND KEY POINTS IN THIS REPORT

- 1.1 To approve a “Final Scheme” for concessionary fares reimbursement.
- 1.2 The final scheme has to be published by 3 March 2023.

2. BACKGROUND INFORMATION

- 2.1 The Council, as a Travel Concession Authority, has a duty to provide free travel for older people and people with disabilities between 9.30am and 11.00pm, Monday to Friday and all day at weekends and bank holidays. This is part of the English National Concessionary Travel Scheme (ENCTS). We reimburse bus operators for concessionary passengers that travel on local registered bus services boarding within North Lincolnshire.
- 2.2 With effect from 2017/18, we have moved to a voluntary capped fund arrangement with bus operators. We have used the Department for Transport’s (DfT) reimbursement calculator as the basis for negotiations. For 2023/24 the Council will reimburse operators at 100% of pre-COVID payments, in line with guidance from the DfT issued in November 2022. Any new operators shall be reimbursed using the published DfT guidance and calculator using actual ENCTS pass usage.
- 2.3 Smaller operators with infrequent services (eg once per week) and community transport providers will have simpler arrangements which is permitted in DfT guidance.
- 2.4 The law requires us to issue passes to eligible residents. Bus operators are reimbursed for carrying concessionary passholders, on a “no better off and no worse off” basis.

2.5 There are currently 23003 North Lincolnshire passes in circulation. The breakdown of the passes is:

- Elderly 20838
- Disabled 1305
- Disabled with companion 860

2.6 The qualifying age for the elderly pass is issued in line with the state pension age (currently 66). This has seen a reduction in passes issued in North Lincolnshire over the past decade as it has increased from the age of 60 since 2010.

2.7 Local Authorities acknowledge the current situation regarding COVID-19 and the measures that have been in place to reimburse bus operators for concessionary travel at pre-COVID levels since April 2020, as encouraged by the Department for Transport. The standard method of reimbursement in North Lincolnshire is aligned with national guidance issued by the Department for Transport.

3. OPTIONS FOR CONSIDERATION

3.1 The recommendation is for the Cabinet Member to approve the proposed “Final Scheme” as attached.

4. ANALYSIS OF OPTIONS

4.1 The “Final Scheme” as set out in the appendix follows the DfT guidance. The final scheme has to be published by 3 March. If we do not publish a scheme then we will not have a method of reimbursing bus and rail operators for concessionary bus passes.

4.2 To not publish the “Final Scheme” would leave the Council open to challenge from bus operators.

5. FINANCIAL AND OTHER RESOURCE IMPLICATIONS (e.g. LEGAL, HR, PROPERTY, IT, COMMUNICATIONS etc.)

5.1 **Financial:** Adopting the “Draft Scheme” as set out in the appendix will allow delivery of the concessionary fares scheme for 2023/24.

5.2 There are no other resource implications to consider.

6. OTHER RELEVANT IMPLICATIONS (e.g. CRIME AND DISORDER, EQUALITIES, COUNCIL PLAN, ENVIRONMENTAL, RISK etc.)

6.1 There are no other relevant implications

7. OUTCOMES OF INTEGRATED IMPACT ASSESSMENT (IF APPLICABLE)

7.1 The Integrated Impact Assessment (IIA) recognised there is the potential for an adverse impact on the subsidised bus routes if there were reductions to the concessionary fare reimbursement payment. Any decision should understand the potential for a reduction in the bus network. If we were to remove any of the discretionary elements of the bus pass scheme then this could lead to reputational risks.

7.2 There are however no impacts in adopting the “Draft Scheme”

8. OUTCOMES OF CONSULTATION AND CONFLICTS OF INTERESTS DECLARED

8.1 At the stage no consultation has taken place with operators.

9. RECOMMENDATIONS

9.1 That the Cabinet Member approves the “Draft Scheme” as attached.

9.2 That the Cabinet Member considers whether to amend any aspects of the scheme before the final scheme is published in early March 2023.

- 1.2 It replaces the scheme statement which came into operation on 1 April 2022.
- 1.3 This scheme is intended to cover the financial year 2023/24.

2. Travel Concessions for Elderly and Disabled People

Where and When the Scheme Applies

- 2.1 The scheme covers the whole of the Unitary Authority of North Lincolnshire.
- 2.2 For holders of English National Concessionary Travel Scheme (ENCTS) passes issued by other authorities who may board buses in North Lincolnshire, the scheme applies between 9.30am and 11.00pm Monday to Friday and all day on Saturdays, Sundays and bank holidays.
- 2.3 For holders of passes issued by North Lincolnshire Council, the scheme provides free travel as above, but may offer additional discretionary entitlement journeys beginning within the boundary of North Lincolnshire.

Statutory Minimum Requirement and Discretionary Enhancements

- 2.4 The Council provides the statutory minimum requirement to provide free travel on any local bus services between 9.30am and 11.00pm Monday to Friday and at all times on Saturdays, Sundays and bank holidays.
- 2.5 In addition to the statutory scheme, the Council provides the following discretionary enhancements for those with North Lincolnshire issued passes:
 - Free travel on local bus services before 9.30am and after 11.00pm Monday to Fridays;
 - Free or discounted local train travel; and
 - Free bus travel or discounted local rail travel for companions of disabled people who cannot use buses or trains on their own.

Bus Services on which the Scheme Applies

- 2.6 The concession provides free travel for passholders on all local bus services running wholly or partly within North Lincolnshire.
- 2.7 "Local Bus Service" has the meaning defined by Section 2 of the Transport Act 1985.

- 2.8 JustGo services: The concession is available on JustGo running wholly or partly within North Lincolnshire to meet the needs of the pass holders.. The operator of the JustGo buses will not be reimbursed.

- 2.10 The concession is not available on long distance coach or bus routes which are not registered as local services or on excursions, tours, private hire vehicles, special services and any others which are not open to the general public.
- 2.11 Bus operators will be allowed to join the scheme or add services to the scheme at any time. Failure to provide adequate advance notice of this to the Council may result in delayed reimbursement payments.

Rail Services on which the Scheme Applies

- 2.12 A holder of a valid North Lincolnshire pass (see paragraph 2.23) and companions of people with disabilities may be allowed a reduction of:
- 50% of the cost of a standard class return rail ticket: and

General Requirements

- 2.17 The pass is not transferable and may only be used by the person to whom it was issued.
- 2.18 The concession is only available to people who normally live within North Lincolnshire. They will be:

- 2.20 All people travelling using a concessionary pass are subject to the conditions of carriage of the public transport operators. They will be asked to show proof of eligibility on boarding any bus and may also be asked to show proof of eligibility at any time on any journey. Where a bus is fitted with electronic pass recognition equipment, the passholder must ensure that the electronic transaction is completed. The Council accepts no liability for any loss, injury or inconvenience incurred as a result of using a concessionary pass.
- 2.21 Passes are typically valid for up to five years. The validity of some passes issued on the grounds of disability may vary due to the category of disability. There will be a charge of £10 for replacement passes unless the pass has been stolen and a crime number is provided. This includes a change of name or a new photograph during the tenure of the card. We will provide one replacement during the tenure of the card if it is faulty and is presented for inspection and is in good condition. Card renewals will be replaced free of charge.

- 2.24 Applicants with disabilities must have an impairment which is permanent or likely to last at least 12 months.
- 2.25 The Council will also provide concessionary travel for companions of people who are unable to travel on public transport by themselves. This will be indicated by a “+C” symbol on the disabled person’s pass, not by the issue of a separate pass to the companion. Separate guidance is issued on eligibility for companion passes. Companion passes will not be given to children until they reach secondary school.

3 Participation of Public Transport Operators in the Scheme and Reimbursement of Revenue Forgone

General Conditions

- 3.1 Section 145 (1) of the Transport Act 2000 and Section 1 of the Concessionary Bus Travel Act 2007 require operators to provide free concessionary travel on local bus services for people in possession of an ENCTS pass.
- 3.2 All operators participating in the scheme shall recognise and accept a valid ENCTS pass as reasonable proof of the holder’s entitlement to concessionary travel within the defined boundaries of the scheme.
- 3.3 Where a bus or vehicle is fitted with electronic pass recognition equipment, the operator should ensure that the electronic transaction is completed.
- 3.4 Before allowing travel at concessionary rates, the driver, conductor, inspector or ticket office clerk shall exercise reasonable care that the pass shown is being used by the person whose photograph it bears and the pass is not beyond its expiry date. We will hotlist on a regular basis all expired and invalid passes.
- 3.5 Operators are required to provide accurate and timely records of the number of passholders boarding their services in North Lincolnshire.

- 3.6 All operators will inform the Council of any changes in services or fares on any services on which concessions are available. This information shall be given not later than seven days before any change is made.
- 3.7 Normal reimbursement arrangements may be amended by specific terms or requirements set out in local bus service contracts issued by the Council.

Principles

- 3.8 The Council will reimburse local bus operators for:
- journeys made by holders of ENCTS passes issued in other areas starting within North Lincolnshire after 9.30am, Monday to Friday and all day on Saturday, Sunday and bank holidays; and
 - discretionary journeys made in accordance with the scheme by North Lincolnshire passholders starting within North Lincolnshire at any time on any day.
- 3.9 The Council will also reimburse operators of local bus services for free travel by companions of disabled people who hold ENCTS travel passes issued by:
- Hull City Council,
 - The East Riding of Yorkshire Council,
 - South Yorkshire Passenger Transport Executive, and
 - North East Lincolnshire Council
- for journeys returning from North Lincolnshire to their home authority area after 9.30am, Mondays to Fridays and without time limit on Saturdays, Sundays and bank holidays.
- These passholders will have a pass bearing the same “+C” symbol which is used by North Lincolnshire Council.
- 3.10 The Council is required by law to reimburse bus operators for carrying concessionary passengers, on the principle that the operators are “no better off and no worse off” by taking part in a concessionary travel scheme.

Methodology

- 3.11 North Lincolnshire Council acknowledges the current situation regarding COVID-19 and the measures that have been in place to reimburse bus operators for concessionary travel at pre-COVID levels since April 2020, as encouraged by the Department for Transport. Throughout the 2023-24 scheme, operators will be reimbursed for ENCTS trips originating in North Lincolnshire at pre-COVID levels.

Where an operator does not operate a minimum of 99% of scheduled local bus mileage within a given monthly period, the Council reserves the right to reduce reimbursement payments in line with the level of reduction of scheduled mileage operated. For the avoidance of doubt, if an operator operated 95% of scheduled local bus mileage in a given monthly period, reimbursement payments will be adjusted to 95% of pre-COVID levels for that period

- 3.12 Where an operator did not operate local bus services in North Lincolnshire before April 2020, and where the service did not exist before April 2020, operators will be reimbursed based on actual ENCTS usage using the published DfT reimbursement guidance and calculator.

Payments

- 3.13 The Council recognises the importance of prompt concessionary fare payments in maintaining operators' cash flow.
- 3.14 Where the estimated total sum due to the operator during the period of the scheme exceeds £10,000, the Council will make payments in the middle of each four-week period throughout the year.
- 3.15 For existing operators, these payments will be approximately one thirteenth of the total sum payable.
- 3.16 For existing operators whose reimbursement claims are under £10,000, payments will be made quarterly. These payments will be approximately one quarter of the total sum payable.
- 3.17 For new operators, each payment will comprise:
- An on-account payment of 85% of the estimated total for the period
 - A balancing payment which will be calculated by using this methodology.
- 3.18 The Council may withhold up to 15% of the monthly payment if any operator fails to provide within four weeks of the previous month end accurate records of the number of passholders boarding their services at stops within North Lincolnshire.

Confidentiality

- 3.19 The Council will treat any information provided by any operator in the utmost confidence and this information shall be used for the purposes of administering the North Lincolnshire concessionary travel scheme only.

Access for Survey

- 3.20 All operators will be required to allow the Council's officers to have access, free of charge, with reasonable frequency to their vehicles on which concessions are available to:
- survey, count or estimate the number of passholders carried and the fares paid; and
 - obtain any other information which the Council considers necessary to enable it to calculate or verify payments due under the concessionary fare scheme.

Access for Audit

- 3.21 In order that the Council may verify claims for reimbursement, operators may be required to make available to officers of the Council books, vouchers, records (including computer records) and documents relating to their claims.
- 3.22 Operators may also be required to provide such further information and explanations relating to the above books, vouchers, records and documents as the Council thinks necessary.
