INTRODUCING THE HUMBERSIDE OPCC DELIVERY PLAN

Welcome to the OPCC Delivery Plan for 2023/24. This document is the annual summary document for how the OPCC team work effectively towards achieving the aims of the Police and Crime Plan. The new Police and Crime Plan was published in October 2021 setting out Police and Crime Commissioner, Jonathan Evison's vision for the next three years. The Delivery Plan sets out the intended work programme for the Office of the Police and Crime Commissioner for the next twelve months.

The process for agreeing the work programme of the team is developed and refined each year using the following cycle:

In line with our office ethos to use a system of outcome based planning, this document details the outputs or products that the team seek to achieve over and above anything recognised as ongoing or business as usual. We have also produced a summary of the business as usual items to provide opportunity to inform the public of the work we do.

VISION, MISSION AND VALUES

The OPCC will replicate the Vision, Mission and Values as set out in the Police and Crime Plan. Since the Police and Crime Plan was produced the team have re-visited the organisations values and updated them to reflect the change in emphasis required.

We have a new acronym for our values of ACE IT!

Ambition, Compassion, Enabling, Integrity & Trust.

VISION, MISSION AND VALUES

We thought really carefully about our values and they are owned by everyone. They are used as the foundation for all we do and a fundamental part of how we undertake recruitment and selection. There is an expectation that collectively we will strive to achieve great things, enjoy our work, make one another proud and work with the public in mind at all times.

AMBITION

We see this as *"We challenge and drive the highest standards and aspirations for ourselves and others."*

- ▶ You are persistent and determined – using setbacks as a way to grow and improve further
- ▶ You never place ambition above maintaining high ethical standards and acting with integrity
- ▶ You want the best levels of service for the communities we serve

COMPASSION

We see this as *"We put people first, acting with kindness and understanding to listen and respond."*

- ▶ You don't hesitate to go the extra mile for others
- ▶ You stop and consider what is going on for other people, and amend your approach accordingly
- ▶ You want service delivery that places people first

ENABLING

We see this as *"We create an environment that empowers, facilitates, connects, and drives solutions."*

- ▶ You connect, collaborate, cooperate, consider, and contribute
- ▶ You see possibilities to bring people and resources together to make things happen
- ▶ You use the assets of the OPCC to create opportunities that benefit the public

INTEGRITY & TRUST

We see this as *"We demonstrate the highest ethical standards to uphold reliability, transparency, honesty, and respect."*

- ▶ You are authentic and build real rapport with others you work with and for
- ▶ You understand that your actions represent the OPCC at all times
- ▶ You work to the ethos of the Nolan principles of public life

Beyond our values, we have our 4 strategic pillars – these are the key ingredients for driving success.

We trust our people to strive for all our communities through their own leadership brand, searching for progressive solutions and acting with personal accountability in everything that we do.

ENDORSEMENTS, ACCREDITATIONS AND MEMBERSHIPS

The Office of the Police and Crime Commissioner are members of a variety of organisations to help support the activities of the office. The office is also signed up to endorse and proactively support several projects and initiatives that fit with the Police and Crime Plan direction and our Vision, Mission and Values. We have also sought to achieve accreditations against initiatives that align with our objectives. These are detailed below.

The Association of Police and Crime Commissioners (APCC) is the national body that supports Police and Crime Commissioners (PCCs), and other local policing bodies across England and Wales, to provide national leadership and influence change in the policing and criminal justice landscape.

The OPCC is a member of the Humber Bondholders and part of a 280-strong engaged and influential membership base, with a key focus on helping to improve the environment for local businesses, so that we attract investment, whilst retaining and harnessing the talent here, to create a thriving economy. Membership provides a unique opportunity to access resources supporting promotion of the Humber area and a means of communication with the Business Community.

The OPCC, through the Chief Executive, is a member of APACE which provides a national network for Chief Executives of Police and Crime Commissioner's Offices. As a member we benefit from sharing good practice, lessons learned as well as helpful access to policy development and ability to influence collectively on police developments. APACE also offers training opportunities for Chief Executives and staff of the office.

The OPCC is a member of the Hull and Humber Chamber of Commerce. The PCC is provided the opportunity to engage with the Business Community through a variety of events to understand their needs in regards to community safety issues as members of the public and as business owners. The Chamber provide a useful point of consultation with business leaders in the Humber area.

The PCC has signed a commitment to become a Scambassador as part of the Friends against Scams initiative. We proactively share materials and tools provided as part of our endorsement with the public.

The Office of the Police and Crime Commissioner is White Ribbon Accredited; White Ribbon is the UK's leading charity engaging men and boys to end violence against women and girls. The office is a keen promoter of the campaign that works to make sure all men realise that they can take responsibility for thinking about their own actions, promote equality and respect, and are prepared to call out harassing, sexist and violent behaviour when they see it in others.

In October 2017, the OPCC successfully received Living Wage Employer status accredited by the Living Wage Foundation. This demonstrates our commitment to paying the Living Wage to our employees and throughout our supply chain also. This initiative fits closely with our Police and Crime Plan values as well as helping create more resilient communities by paying a living wage.

The OPCC has supported the work of Crimestoppers and continues to be an advocate of the scheme and its work.

The OPCC is a member of the National Independent Custody Visitors Association and supports the work of ICVA through our ICV Scheme Manager. The OPCC values the support of the ICVA in providing tools for the management of an effective local scheme.

The OPCC is a proactive member of the Humber Modern Slavery Partnership. The partnership is a multi-agency approach to tackling modern slavery. The OPCC has supported the partnership in accessing resources to support activity to further their work.

The PCC has endorsed the Humber Watch Association which has been created to support closer working together of the Neighbourhood Watch schemes across the Humber area.

THE POLICE AND CRIME PLAN

The Police and Crime Plan runs from October 2021 – March 2025 and includes three aims / outcomes:

- 1. Engaged, Resilient and Inclusive Communities – our aim is to provide pathways for everyone to contribute to the safety of our communities**
- 2. Safer Communities – our aim is to focus activities on interventions that significantly impact on local crime levels**
- 3. Effective Organisations – our aim is to make the system work better for local communities**

Each of the aims has a series of outcomes, objectives and commitments that demonstrate what we will do to achieve the aims. The plan exists to provide strategic direction to the Force and all partners operating around community safety. The OPCC engage with partners to promote the aims of the Police and Crime Plan, notably the statutory partners of the Community Safety Partnerships and members of the Criminal Justice Board as well as other stakeholders of interest.

The Police and Crime Plan can be found on the Office of the Police and Crime Commissioner website. www.humberside-pcc.gov.uk/Our-Work/Police-and-Crime-Plan.aspx

The structure of the Office of the Police and Crime Commissioner will continue to flex and change to meet the needs of the Police and Crime Plan and any additional responsibilities provided to the Police and Crime Commissioner through legislative change.

The office was subject to full structural review in 2021 following the change in Commissioner and continues to adapt to the changing needs that emerge from the likes of the national Police and Crime Commissioner Review. Over the course of the 2022/23 financial year we received funding to create a Violence Reduction Unit and the OPCC now host several posts funded via that budget.

The structure agreed for the financial year 2023/24 is as follows:

TEAM STRUCTURE

MANAGING THE BUDGET

The funding available to the Police and Crime Commissioner is principally made up of the precept, Government grants and access to reserves to balance the budget. Much of the funding is delegated to the Chief Constable to be spent on operational policing with monies being retained to support community safety initiatives, victims' services and to pay for the costs of the OPCC. The PCC holds the Chief Constable to account for spending against the budget.

The total budget for 2023/24 is as follows:-

INCOME	2022/23 £'m	2023/24 £'m
Central Government Grants	£148.612	£149.100
Council Tax	£72.916	£77.357
Funding from Reserves	(£1.531)	£6.239
TOTAL	£219.997	£232.696

EXPENDITURE	2022/23 £'m	2023/24 £'m

Each year the PCC in collaboration with the Chief Constable updates the Medium-Term Resource Strategy (MTRS) covering a five year period based on financial and workforce plans and projections on the use of reserves. The MTRS aims to ensure that funding is available to finance agreed programmes and activities to support the delivery of the Police and Crime Plan. Details on the budget and MTRS can be found on our website. [What We Spend and How We Spend It \(humberside-pcc.gov.uk\)](#)

The Force Finance team prepare the annual accounts for the PCC, the Chief Constable and for the PCC Group and these are reviewed by the OPCC. The annual accounts are subject to external audit each year, who provide an opinion on the financial statements and the adequacy of the arrangements for securing value for money. The OPCC and the Force also manage the programme of work undertaken by the Joint Independent Audit Committee.

The Joint Independent Audit Committee consists of 5 paid members and is a key component of our corporate governance. The purpose of the Committee is to provide independent advice and assurance to the PCC and the Chief Constable on the adequacy of the governance and risk management arrangements, internal controls and financial reporting, internal and external audit, thereby helping to ensure efficient and effective procedures and practices are in place. The Committee meets 5 times a year (with additional meetings by exception if required). Members of the Committee regularly attend other meetings run by the PCC and the Chief Constable.

For more details on the work of the committee see:

KEY PARTNERSHIPS FOR THE OPCC

The Police and Crime Plan requires us to work closely with Local Authorities, Criminal Justice Agencies and other partners involved in community safety. There are key partnerships that we have identified as mechanisms to bring agencies together and effectively plan for improvements within the sector. The OPCC currently works with the following key partnerships:

COMMUNITY SAFETY PARTNERSHIPS (CSPs)

These are statutory bodies that bring together a range of organisations (such as Police, Fire and Rescue, Local Authority, Integrated Care Board etc). CSPs generally include other organisations in their meetings because they are concerned with improving community safety across a whole Local Authority area. We work with all four CSPs, North East Lincolnshire, North Lincolnshire, East Riding of Yorkshire and Hull. CSPs are a key partnership and the OPCC provides significant grant funding streams to enable the CSPs to develop and deliver their delivery plans.

HUMBERSIDE CRIMINAL JUSTICE BOARD (HCJB)

This is a non-statutory body that brings together the senior leaders from the local criminal justice agencies. There is typically a criminal justice board or equivalent in every Police Force area in England and Wales. HCJB also includes other organisations in their work such as those that provide services to victims of crime, witness service providers and representation from Criminal Defence firms. HCJB exists to improve the efficiency, effectiveness and fairness of the criminal justice system and is the responsible body for many national initiatives such as Digital Criminal Justice. The OPCC supports the HCJB through the provision of a Business Manager and other business support. The PCC is chair the Board.

YOUTH BOARDS / YOUTH CRIME BOARDS

At a national level there is a Youth Justice Board (YJB) which is a non-departmental public body, sponsored by the Ministry of Justice. The YJB is responsible for overseeing the youth justice system in England and Wales. At a local level, each of the four Local Authorities has a Youth Board (aka Youth Crime Board) where the local Youth Offending Team or Youth Justice Service comes together with other interested parties (such as Police, Probation, Local Authority Children Services, local Schools etc). These Youth Boards play a significant part in helping to reduce the numbers of young people becoming involved in crime and provide intervention and support to those young people who do offend. The OPCC is a member of each of these Boards and ensures co-ordination between them.

SAFEGUARDING BOARDS AND PARTNERSHIPS

Statutory Safeguarding Adults Boards and Safeguarding Children Partnerships operate in each of the four Humber local authority areas, with agencies working collaboratively to prevent abuse and neglect. The PCC supports the operation of these partnerships with a grant funding contribution, while Humberside Police attend the meetings as a statutory partner.

SAFER ROADS HUMBER (SRH)

This is a non-statutory body that seeks to reduce road casualties in the Humber area. The partnership comprises of Humberside Police, East Riding of Yorkshire Council, Hull City Council, North East Lincolnshire Council, North Lincolnshire Council, Highways England and Humberside Fire & Rescue Service. SRH also works closely with the Military of Defence School of Transport in Leconfield. The OPCC is a non-voting member of the SRH Board. The OPCC developed a Community Speed Watch (CSW) scheme during 2019/20 to empower communities further. This scheme is now run through Humberside Police with support from the SRH Board.

PUBLIC HEALTH FOR SUBSTANCE MISUSE

The PCC has a representative to attend the now formalised Combatting Drugs Partnerships and recognises that the misuse of drugs and alcohol is identified as key drivers of crime and disorder. Offenders who regularly use heroin or crack cocaine are estimated to commit around 45% of all acquisitive crime. In recognition the PCC ensures local targeted investment in substance misuse services, both in the community and in custodial settings. This has made a significant contribution to reducing drug and alcohol related crime and improving health outcomes and has supported the vision of the Police and Crime Plan. This investment has achieved increased community safety by reducing the impact of substance misuse behaviour by engaging problematic substance misusers in treatment programmes. This has contributed towards and supported a much wider Council investment programme and in turn enabled partnerships to build on the wider Health and Wellbeing priorities, such as alcohol licensing conditions, safety in the night time economy, Community Safety, Adult and Children Services in both Safeguarding and Education.

NHS ENGLAND

The OPCC works alongside national NHS partners to ensure quality services for children's Sexual Assault (CSAAS). Hull and East Yorkshire Hospitals NHS Trust (HEY) are commissioned to provide the Humberside service. This service involves the partnership of health, care, justice, social care and third sector, requires them to work together to ensure judicial process and health care are well coordinated. This can often result in lifelong support for the damage and devastation caused by the assault, which are extremely varied and extremely traumatic for the victim. The aim of the service is to conduct a comprehensive Child / Young Person Protection Medical Assessment when child / young person Sexual Assault is alleged, has been disclosed or is suspected. This will include the taking of a clinical history and examination, looking for signs and symptoms of all forms of abuse. It may include the taking of forensic DNA samples, depending on the timing and nature of the suspected sexual abuse. There are both immediate and long-term health consequences of sexual assault, requiring coordinated responses in the short, medium and long term.

The OPCC works alongside national NHS partners to ensure quality services for Adult victims of sexual assault. The Humberside Sexual Assault Referral Centre is delivered by Mountain Health Care (MHC), delivering services from the CASA suite, designed to be comfortable and multi-functional, to support private interview and clinical examination. The service supports survivors of rape or sexual assault regardless of whether the survivor/victim chooses to reports the offence to the police.

THE BLUE DOOR

The OPCC directly commission the Blue Door, a third sector provider who deliver support and interventions to victims of sexual assault across the Humber region. This is the role of the Independent Sexual Violence Advisor (ISVA) and the Children's Independent Sexual Violence Advisor (CHISVA). The roles provides invaluable emotional support and guidance for victims who are either currently experiencing or have historically experienced the traumatic effects of sexual assault. In addition to the above service the OPCC commission the Blue Door to deliver Independent Domestic Violence Advocates (IDVA), these contribute towards the Local Authority commissioned domestic Abuse services. IDVAs are trained specialist support workers, trained to work with victims of domestic Abuse at risk of a high risk of harm from partners or family members. The resource is a partnership asset and is able to offer advice and guidance to practitioners within partner organisations to encourage supportive referral, victim engagement and case management.

EDUCATION PARTNERSHIP

Established by the OPCC following a commitment in the Police and Crime Plan, this brings together organisations with a role to play in coordinating and improving young people's education on crime and safety issues. The partnership is seeking to improve the quality and availability of resources, and work with schools and other partners to ensure children and young people benefit from them.

KEY PARTNERSHIPS FOR THE OPCC

VICTIM SUPPORT

Humberside and South Yorkshire PCC co commission the Victim Support service across Humberside and South Yorkshire for victims of crime, from low level through to enhanced need. The impact of crime is varied from person to person, depending on their circumstance, their support networks and their resilience. This requires victim support to deliver an assessment at initial contact (triage) with victims to understand the impact. It is important that any victim who has needs can get the help they require as soon as possible and made aware of the extent of services available. Currently Victim support make contact with 87% of enhanced level victims within 24 hours of the reported incident. Often when the victim has experienced a detrimental impact there is requirement for further engagement and ongoing case management. Where there are instances of serious crime such as domestic violence or sexual assault there is a requirement for referral to a specialist service area. The aim is to support victims from initial contact through to final healing and restoration, working in partnership to support victims to both cope and recover.

RESTORATIVE PRACTICE / JUSTICE SERVICES

Remedi are directly commissioned by the OPCC to deliver Restorative Justice (RJ) across the Humber region. RJ give's victims the opportunity to explain the impact of crime upon them to the offender, to seek an explanation or an apology from the offender or to seek restoration, reparation for the offender. RJ seeks to hold offenders to account and enable them to face the consequences of their actions and the impact on others. RJ ultimately delivers increased victim satisfaction and victim confidence. These outcomes can be complemented by feelings of safety, empowerment and confidence within accessing support. In addition to these outcomes RJ reduces offending. Additionally the PCC recognises the impact of prevention and early intervention to reduce repeat victimisation and vulnerability and increase resilience and as such have provided additional funds to Remedi for a Restorative Practice pilot to look at using Restorative approaches to supporting to dealing with issues prior to criminal activity taking place as a means of reducing demand on policing as a preventative measure.

HUMBERSIDE MODERN SLAVERY PARTNERSHIP (HMSP)

Humberside PCC provide grant funding for a Modern Slavery Coordinator post to facilitate the work of the Humberside Modern Slavery Partnership. HMSP is a strategic partnership of front line organisations from across Humberside dedicated to identifying and tackling all forms of modern slavery and exploitation. There are over 60 agencies that have joined together to fight Slavery and Trafficking. The partnership offers access to many resources to support the identification of modern slavery as well as awareness raising on how to report.

CRIMESTOPPERS

Humberside PCC provides a grant contribution to Crimestoppers to fund the national call centre infrastructure and local support. Crimestoppers are an independent charity that gives people the power to speak up and stop crime, 100% anonymously. By phone and online, 24/7, 365 days a year, Crimestoppers also share advice on how to protect the people you care about from crime.

HUMBER VIOLENCE PREVENTION PARTNERSHIP

The OPCC led the creation of the Humber VPP in 2022/23 after securing Home Office funding for a Violence Reduction Unit. The partnership is responsible for leading and co-ordinating local work to prevent and reduce serious violence through a public health approach. It conducts detailed analysis of the causes and ways of preventing violence, seeks to improve data sharing between agencies, and commissions and evaluates a range of evidence-based interventions. The VPP is working closely with CSPs on the implementation of the new Serious Violence Duty. For further information see www.humbervpp.org

ACHIEVING THE AIMS OF THE POLICE AND CRIME PLAN

ENDING VIOLENCE AGAINST WOMEN AND GIRLS (VAWG) PARTNERSHIP

A joint partnership formed alongside Humberside Police to engage partners locally in working together to look at collective action and responsibility to prevent and reduce violence perpetrated against women and girls, more information and shared resources can be found here: **Ending Violence Against Women and Girls (humberside-pcc.gov.uk)**

PHADA – PUBLIC HEALTH APPROACH TO REDUCING DOMESTIC ABUSE

An innovative strategic response that employs a long term approach to understanding and reducing the prevalence of domestic abuse and inter-familial violence. This partnership now works within the Violence Reduction Unit framework and engages with multi-agency partners at a strategic and operational level, further background information can be found here: **Public Health Approach (humberside-pcc.gov.uk)**

No single organisation can achieve the outcomes of the Police and Crime Plan alone. The OPCC is no exception to this. The office has identified a series of achievements they make in the coming year that will contribute to the working towards the outputs and outcomes of the Police and Crime Plan.

The office is focussed specifically in this plan on a process of outcome based planning that looks solely at activity that is above and beyond our statutory or business as usual activities. That should not be mistaken as these activities not taking place and the OPCC will ensure sufficient emphasis is placed on these areas of work including on our statutory responsibilities. These activities will be evidenced in updates provided to the Police and Crime Panel. These areas of work include:

- ▶ Improving the performance of the Force through an effective programme of assurance and robust governance arrangements
- ▶ The PCC being an effective voice of the public and thoroughly understanding the needs of the public
- ▶ Leading and shaping partnership working throughout the criminal justice and community safety sector thus creating more impact with less resource
