CABINET

Annual Education Report 2020/22

1. OBJECT AND KEY POINTS IN THIS REPORT

- 1.1 The Annual Education Report 2020/22 sets out the achievements and key priorities for children's education from early childhood to the end of Key Stage 5, providing an overview of educational outcomes, and work across the council and wider partnerships to improve children's outcomes and improve their future opportunities.

2. BACKGROUND INFORMATION

- 2.1 North Lincolnshire Council regularly publishes an Annual Education Report which sets out the key achievements and celebrates the work taken across the council and in schools and settings to improve outcomes for children.
- 2.2 Due to the impact of the COVID pandemic on testing arrangements there was very little academic data available in 2021 and none in 2020. Consequently, the new Education Report covers two years. The report is produced retrospectively due to the timings of publications of national and local data by the Department for Education.
- 2.3 The report celebrates the achievements of children and the rich range of opportunities in which the curriculum enhanced, and the impact of actions being taken to improve outcomes. It also identifies the next steps in our local partnership approaches to improving outcomes for children in schools and settings across North Lincolnshire.

3. OPTIONS FOR CONSIDERATION
