22 November 2023

Dear Committee Members

Audit Completion Report – Year ended 31 March 2023

We are pleased to present our Audit Completion Report for the year ended 31 March 2023. The purpose of this document is to summarise our audit conclusions.

The scope of our work, including identified significant audit risks and other areas of management judgement, was outlined in our Audit Strategy Memorandum which we presented on 6 October 2023. We have reviewed our Audit Strategy Memorandum and concluded that the original significant audit risks and other areas of management judgement remain appropriate.

We would like to express our thanks for the assistance of your team during our audit.

If you would like to discuss any matters in more detail then please do not hesitate to contact me on 07747764529.

Yours faithfully

Mark Kirkham

Section 01:

Executive summary

1. Executive summary

Principal conclusions and significant findings

The detailed scope of our work as your appointed auditor for 2022/23 is set out in the National Audit Office's (NAO) Code of Audit Practice. Our responsibilities and powers are derived from the Local Audit and Accountability Act 2014 and, as outlined in our Audit Strategy Memorandum, our audit has been conducted in accordance with International Standards on Auditing (UK) and means we focus on audit risks that we have assessed as resulting in a higher risk of material misstatement.

In section 4 of this report we have set out our conclusions and significant findings from our audit. This section includes our conclusions on the audit risks and areas of management judgement in our Audit Strategy Memorandum, which include:

- management override of controls;
- net defined benefit asset/liability valuation; and
- valuation of property, plant and equipment.

Misstatements and internal control recommendations

Section 5 sets out internal control recommendations and section 6 sets out audit misstatements; there are no unadjusted misstatements. Section 7 outlines our work on the Council's arrangements to achieve economy, efficiency and effectiveness in its use of resources.

Status and audit opinion

We have substantially completed our audit in respect of the financial statements for the year ended 31 March 2023. At the time of preparing this report, there are significant matters remaining outstanding as outlined in section 2. We will provide an update to you in relation to the significant matters outstanding through issuance of a follow up letter.

Subject to the satisfactory conclusion of the remaining audit work, we have the following conclusions:

Audit opinion

We anticipate issuing an unqualified opinion, without modification, on the financial statements. Our proposed audit opinion is included in the draft auditor's report in Appendix B.

Value for money arrangements

We anticipate having no significant weaknesses in arrangements to report in relation to the arrangements that the Council has in place to secure economy, efficiency and effectiveness in its use of resources. Further detail on our work is provided in section 7 of this report.

Whole of Government Accounts (WGA)

We anticipate completing our work on the Council's WGA submission, in line with the group instructions issued by the NAO, by the deadline of 22 December 2023. We anticipate reporting that the WGA submission is consistent with the audited financial statements.

Wider powers

The 2014 Act requires us to give an elector, or any representative of the elector, the opportunity to question us about the accounting records of the Council and to consider any objection made to the accounts. There have been no matters arising for the 2022/23 audit.

02

Section 02:

Status of the audit

2. Status of the audit

Our work is substantially complete and there are currently no matters of which we are aware that would require modification of our audit opinion, subject to the outstanding matters detailed below.

Audit area	Risk of material adjustment or significant change	Description of the outstanding matters
Cost of services – expenditure	Low	We are finalising our work on the housing benefit control account reconciliation. We are also working with officers to address our final queries in respect of our payroll testing.
Property, plant and equipment	Medium	We are finalising our testing of the valuation, existence and rights and obligations of property, plant and equipment. We are also finalising our testing of capital additions, minimum revenue provision, as well as the revised asset lives applied to infrastructure assets and the associated impact on depreciation charged.
Pensions	High	We are working with officers to ascertain whether an asset ceiling calculation is required for the asset surplus recognised within the draft accounts and, if required, the level of that asset ceiling. Officers are liaising with Hymans Robertson (the actuary) to determine the asset ceiling that should be applied to the pension fund asset. We are also awaiting assurance from the pension fund auditor.
IT testing	Low	We are finalising our work on the implementation of Unit 4, the Council's new general ledger system, which went live from 1 April 2022. We are also completing our standard procedures in respect of IT.
WGA	Low	We have yet to complete our procedures in respect of the Council WGA return.
Audit quality control and completion procedures	Low	Our audit work is undergoing final stages of review. In addition, there are residual procedures to complete, including agreeing the expected amendments to the final Statement of Accounts, updating post balance sheet event considerations to the point of issuing the opinion and reviewing managements going concern assertion.

High - Likely to result in material adjustment or significant change to disclosures within the financial statements.

Medium - Potential to result in material adjustment or significant change to disclosures within the financial statements.

Low - Not considered likely to result in material adjustment or change to disclosures within the financial statements.

03

Section 03:

Audit approach

3. Audit approach

Changes to our audit approach

We provided details of our intended audit approach in our Audit Strategy Memorandum in October 2023. We have not made any changes to our audit approach since we presented our Audit Strategy Memorandum.

Materiality

Our provisional materiality at the planning stage of the audit was set at £8.6m using a benchmark of 2% of gross revenue expenditure (at surplus/deficit on provision of services level). No changes to the materiality level set at the planning stage have been made.

Use of experts

We provide information below on the use of experts as part of the audit. There were no changes to the planned approach as outlined in the ASM.

Item of account	Management's expert	Our expert
Defined benefit asset/liability	Actuary (Hymans Robertson)	PwC actuarial experts provided a review of the key assumptions used by Hymans Robertson.
Property, plant and equipment valuation	In-house valuer District Valuer	We used available third party information to challenge the key valuation assumptions.
Financial instrument disclosures	Link Asset Services	No expert required.

04

Section 04: **Significant findings**

4. Significant findings

In this section we outline the significant findings from our audit. These findings include:

- our audit conclusions regarding other significant risks and key areas of management judgement outlined in the Audit Strategy Memorandum;
- our comments in respect of the accounting policies and disclosures that you have adopted in the financial statements. On page 15 we have concluded whether the financial statements have been prepared in accordance with the financial reporting framework and commented on any significant accounting policy changes that have been made during the year;
- any further significant matters discussed with management; and
- any significant difficulties we experienced during the audit;

4. Significant findings

Significant risks

Management override of controls**Description of the risk**

In all entities, management at various levels within an organisation are in a unique position to perpetrate fraud because of their ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur, we consider there to be a risk of material misstatement due to fraud and thus a significant risk on all audits.

How we addressed this risk

We addressed this risk by carrying out audit work in the following areas:

- accounting estimates impacting amounts included in the financial statements;
- consideration of identified significant transactions outside the normal course of business; and
- journals recorded in the general ledger and other adjustments made in preparation of the financial statements.

Audit conclusion

Subject to satisfactory completion of the outstanding work noted in section 2 of this report, there are no matters to report in respect of the risk of management override of controls.

4. Significant findings

Net defined benefit asset/liability valuation**Description of the risk**

The net pension asset/liability represents a material value within the Council's balance sheet. The Council is an admitted body of the East Riding of Yorkshire Pension Fund, which had its last triennial valuation completed as at 31 March 2022.

The valuation of the Local Government Pension Scheme relies on a number of assumptions, most notably around the actuarial assumptions, and actuarial methodology which results in the Council's overall valuation.

There are financial and demographic assumptions used in the calculation, such as the discount rate, inflation rates and mortality rates. The assumptions should also reflect the profile of the Council's employees and should be based on appropriate data. The basis of the assumptions is derived on a consistent basis year to year, updated to reflect any changes.

There is a risk that the assumptions and methodology used in valuing the pension obligation are not reasonable or appropriate to the Council's circumstances. This could have a material impact on the net pension asset/liability in 2022/23.

How we addressed this risk

We addressed this risk by:

- evaluating the Council's arrangements (including relevant controls) for making estimates in relation to pension entries within the financial statements;
- evaluating the competency, objectivity and independence of the scheme Actuary, Hymans Robertsons; and
- considering the reasonableness of the actuary's assumptions that underpin the relevant entries made in the financial statements, through the use of an expert commissioned by the National Audit Office.

Audit conclusion

We still have the outstanding work noted in section 2 of this report to complete. It is possible that on conclusion of this work there are matters to report in respect of the net defined benefit/liability valuation risk. We will provide an update to you on this matter through issuance of a follow up letter.

4. Significant findings

Valuation of property, plant and equipment**Description of the risk**

The financial statements contain material entries on the Balance Sheet as well as material disclosure notes in relation to the Council's holding of property, plant and equipment.

Although the Council employs a valuation expert to provide information on valuations, there remains a high degree of estimation uncertainty associated with the revaluation of property, plant and equipment as a result of the significant judgements and number of variables involved. We have therefore identified the revaluation of property, plant and equipment to be an area of risk.

How we addressed this risk

We addressed this risk by:

- considering the Council's arrangements for ensuring that property, plant and equipment values are reasonable;
- challenging the reasonableness of the valuations provided by the Council's valuer using other sources of data;
- assessing the competence, skills and experience of the valuer and the instructions issued to the valuer; and
- where necessary, performing further audit procedures on individual assets to ensure the basis of valuation is appropriate.

Audit conclusion

Subject to satisfactory completion of the outstanding work noted in section 2 of this report, there are no matters to report in respect of the risk of valuation of property, plant and equipment.

4. Significant findings

Qualitative aspects of the Council's accounting practices

We have reviewed the Council's accounting policies and disclosures and concluded they comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23, as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets, published in November 2022, appropriately tailored to the Council's circumstances.

Draft accounts were received from the Council on 31 May 2023 and were of a good quality.

Significant matters discussed with management

We discussed the need to determine whether an asset ceiling should be applied to the net defined benefit asset recognised within the draft accounts, as well as the need to ascertain the value of the asset ceiling to be applied.

We discussed with management whether there was any new litigation or claims which could give rise to liabilities for the Council.

We made enquiries of officers in respect of Reinforced Autoclaved Aerated Concrete (RAAC) being present in any Council-owned buildings and obtained assurance that there was no indication of any material issues affecting the Council's assets.

Significant difficulties during the audit

During the course of the audit we did not encounter any significant difficulties and we have had the full co-operation of management.

Wider responsibilities

Our powers and responsibilities under the 2014 Act are broad and include the ability to:

- issue a report in the public interest;
- make statutory recommendations that must be considered and responded to publicly;
- apply to the court for a declaration that an item of account is contrary to law;
- make an application for judicial review; and
- issue an advisory notice under schedule 8 of the 2014 Act.

We have not exercised any of these powers as part of our 2022/23 audit.

The 2014 Act also gives rights to local electors and other parties, such as the right to ask questions of the auditor and the right to make an objection to an item of account. No such objections have been raised.

05

Section 05:

Internal control recommendations

5. Internal control recommendations

As part of our audit of the financial statements, we obtained an understanding of internal controls sufficient to plan our audit and determine the nature, timing and extent of testing performed. Although our audit was not designed to express an opinion on the effectiveness of internal control, we are required to communicate to the Audit Committee any significant deficiencies identified during the course of our work.

The purpose of our audit was to express an opinion on the financial statements. As part of our audit we have considered the internal controls in place relevant to the preparation of the financial statements in order to design audit procedures to allow us to express an opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of internal control or to identify any significant deficiencies in their design or operation.

The matters reported are limited to those deficiencies and other control recommendations that we have identified during our normal audit procedures and that we consider to be of sufficient importance to merit being reported. If we had performed more extensive procedures on internal control we might have identified more deficiencies to be reported or concluded that some of the reported deficiencies need not in fact have been reported. Our comments should not be regarded as a comprehensive record of all deficiencies that may exist or improvements that could be made.

No significant findings or recommendations in relation to internal controls have been noted as at the date of this memorandum.

Priority ranking	Description	Number of issues
1 (high)	In our view, there is potential for financial loss, damage to reputation or loss of information. This may have implications for the achievement of business strategic objectives. The recommendation should be taken into consideration by management immediately.	0
2 (medium)	In our view, there is a need to strengthen internal control or enhance business efficiency. The recommendations should be actioned in the near future.	0
3 (low)	In our view, internal control should be strengthened in these additional areas when practicable.	0

5. Internal control recommendations

Follow up on previous internal control points

Description of deficiency

Leases – Level 3

Review of the leases disclosure and supporting working papers highlighted there is no consistent de minimis value applied to the accounting for leases.

Potential effects

Lease disclosures within the accounts are understated.

Recommendation

The Council set a de minimis value over which all leases are recorded in the financial statements.

2022/23 update

Leases have been reviewed and a de minimis of £100 has been set. A protocol has been written to guide the preparer on how to create the note and which leases should/should not be excluded.

06

Section 06:

Summary of misstatements

6. Summary of misstatements

This section outlines the misstatements identified during the course of the audit, above the trivial threshold for adjustment of £258k.

Unadjusted misstatements

To date there are no unadjusted misstatements identified through the course of our audit.

Adjusted misstatements

To date there are no adjusted misstatements identified through the course of our audit (other than the minor disclosure amendments noted below)

Disclosure Amendments

We identified the following disclosure amendments during our audit that have been corrected by management:

Note 14 Property, plant and equipment – the table showing the property, plant and equipment held on the asset register valued at historical cost or at the current value of the asset at the time of valuation, has been updated. The amendment is to exclude the land value for those assets where indexation had been applied as at 31 March 2023, as the indexation only applies to the building value. As such the value of land and buildings valued at current value as at 31 March 2023 has been reduced from £385,736k to £378,862k and the value as at 31 March 2022 and as at 31 March 2021 has been increased from £47,393k to £53,923 and from £12,896k to £13,240k respectively.

Note 37 Leases – the disclosure of future minimum lease payments receivable under non-cancellable leases in future years has been updated to amend for a new lease that had been included at twice its lease value. The total value of the amendment is £272k.

07

Section 07:

Value for money arrangements

7. Value for money arrangements

Our approach

We are required to consider whether the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The NAO issues guidance to auditors that underpins the work we are required to carry out and sets out the reporting criteria that we are required to consider. The reporting criteria are:

- **Financial sustainability** - How the Council plans and manages its resources to ensure it can continue to deliver its services.
- **Governance** - How the Council ensures that it makes informed decisions and properly manages its risks.
- **Improving economy, efficiency and effectiveness** - How the Council uses information about its costs and performance to improve the way it manages and delivers its services.

At the planning stage of the audit, we undertake work to understand the arrangements that the Council has in place under each of the reporting criteria and we identify risks of significant weaknesses in those arrangements. Although we describe this work as planning work, we keep our understanding of arrangements under review and update our risk assessment throughout the audit to reflect emerging issues that may suggest significant weaknesses in arrangements exist.

Our work has not identified a risk of significant weakness in arrangements.

Where our risk-based procedures identify actual significant weaknesses in arrangements we are required to report these and make recommendations for improvement. Where such significant weaknesses are identified, we report these in the audit report.

The primary output of our work on the Council's arrangements is the commentary on those arrangements that forms part of the Auditor's Annual Report. We intend to issue the Auditor's Annual Report within three months of issuing the audit opinion on the financial statements.

Status of our work

We are yet to complete our work in respect of the Council's arrangements for the year ended 31 March 2023. At the time of preparing this report, we have not identified any significant weaknesses in arrangements that requires us to make a recommendation but we continue to undertake work on the Council's arrangements.

Our draft audit report at Appendix B outlines that we have not yet completed our work in relation to the Council's arrangements. As noted above, our commentary on the Council's arrangements will be provided in the Auditor's Annual Report.

XX November 2023

Dear Mark

North Lincolnshire Council - Audit for Year Ended 31 March 2023

This representation letter is provided in connection with your audit of the financial statements of North Lincolnshire Council the Council for the year ended 31 March 2023 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 (the Code), as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (“the Code Update”), published in November 2022 and applicable law.

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy ourselves that I can properly make each of the following representations to you.

My responsibility for the financial statements and accounting information

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the financial statements in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 (the Code), as amended by the Code Update and applicable law.

My responsibility to provide and disclose relevant information

I have provided you with:

- access to all information of which I am aware that is relevant to the preparation of the financial statements such as records, documentation and other material;
- additional information that you have requested from us for the purpose of the audit; and
- unrestricted access to individuals within the Council you determined it was necessary to contact in order to obtain audit evidence.

Appendix A: Draft management representation letter

I confirm as Director of Finance & S151 Officer (Interim) Governance and Communities that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information.

As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

Accounting records

I confirm that all transactions that have a material effect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Council and committee meetings, have been made available to you.

Accounting policies

I confirm that I have reviewed the accounting policies applied during the year in accordance with International Accounting Standard 8 and consider these policies to faithfully represent the effects of transactions, other events or conditions on the Council's financial position, financial performance and cash flows.

Accounting estimates

I confirm that any significant assumptions used by the Council in making accounting estimates, including those measured at fair value, are reasonable.

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the company have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Code, as amended by the

Appendix A: Draft management representation letter

Code Update and applicable law.

Laws and regulations

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom.

Fraud and error

I acknowledge my responsibility as Director of Finance & S151 Officer (Interim) Governance and Communities for the design, implementation and maintenance of internal control to prevent and detect fraud and error and I believe I have appropriately fulfilled those responsibilities.

I have disclosed to you:

- all the results of my assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the Council involving:
- management and those charged with governance;
- employees who have significant roles in internal control; and
- others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Council's financial statements communicated by employees, former employees, analysts, regulators or others.

Related party transactions

I confirm that all related party relationships, transactions and balances, have been appropriately accounted for and disclosed in accordance with the requirements of the Code, as amended by the Code Update and applicable law.

I have disclosed to you the identity of the Council's related parties and all related party relationships and transactions of which I am aware.

Future commitments

The Council has no plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Appendix A: Draft management representation letter

Subsequent events

I confirm all events subsequent to the date of the financial statements and for which the Code, as amended by the Code Update and applicable law, require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

Impacts of Russian Forces entering Ukraine

I confirm that I have carried out an assessment of the potential impact of Russian Forces entering Ukraine on the Council, including the impact of mitigation measures and uncertainties, and that the disclosure in the Narrative Report fairly reflects that assessment.

Covid-19

I confirm that I have carried out an assessment of the potential impact of the Covid-19 Virus pandemic on the business, including the impact of mitigation measures and uncertainties, and that the disclosure in the Narrative Report fairly reflects that assessment.

Going concern

To the best of my knowledge there is nothing to indicate that the Council will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Unadjusted misstatements

I confirm that the effects of the unadjusted misstatements are immaterial, both individually and in aggregate, to the financial statements as a whole. Please make sure the appendix is attached to the letter and not cross-referenced to the appendix in the ACR.

Yours faithfully

Director of Finance & S151 Officer (Interim) Governance and Communities

Appendix B: Draft audit report

Independent auditor's report to the Members of North Lincolnshire Council

Report on the audit of the financial statements

Opinion on the financial statements

We have audited the financial statements of North Lincolnshire Council ("the Council") for the year ended 31 March 2023, which comprise the Comprehensive Income and Expenditure Statement, the Movement in Reserves Statement, the Balance Sheet, the Cash Flow Statement, Collection Fund and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23, as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets ("the Code Update"), published in November 2022.

In our opinion, the financial statements:

- give a true and fair view of the financial position of the Council as at 31st March 2023 and of its expenditure and income for the year then ended; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 as amended by the Code Update.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities section of our report. We are independent of the Council in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Director of Finance & S151 Officer (Interim) Governance and Communities use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, and taking into account the requirements of the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 as amended by the Code Update, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Council's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Appendix B: Draft audit report

Our responsibilities and the responsibilities of the Director of Finance & S151 Officer (Interim) Governance and Communities with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the Annual Governance Statement and information included in the Statement of Accounts, other than the financial statements and our auditor's report thereon. The Director of Finance & S151 Officer (Interim) Governance and Communities is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of the Director of Finance & S151 Officer (Interim) Governance and Communities for the financial statements

As explained more fully in the Statement of the Director of Finance & S151 Officer (Interim) Governance and Communities Responsibilities, the Director of Finance & S151 Officer (Interim) Governance and Communities is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 as amended by the Code Update, and for being satisfied that they give a true and fair view. The Director of Finance & S151 Officer (Interim) Governance and Communities is also responsible for such internal control as the Director of Finance & S151 Officer (Interim) Governance and Communities determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Director of Finance & S151 Officer (Interim) Governance and Communities is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 as amended by the Code Update and prepare the financial statements on a going concern basis on the assumption that the functions of the Council will continue in operational existence for the foreseeable future. The Director of Finance & S151 Officer (Interim) Governance and Communities is responsible for assessing each year whether or not it is appropriate for the Council to prepare its accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

Appendix B: Draft audit report

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Based on our understanding of the Council, we identified that the principal risks of non-compliance with laws and regulations related to the Local Government Act 2003 (and associated regulations made under section 21), the Local Government Finance Acts of 1988, 1992 and 2012, and the Accounts and Audit Regulations 2015, and we considered the extent to which non-compliance might have a material effect on the financial statements.

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

- inquiring with management and the Audit Committee, as to whether the Council is in compliance with laws and regulations, and discussing their policies and procedures regarding compliance with laws and regulations;
- communicating identified laws and regulations throughout our engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- considering the risk of acts by the Council which were contrary to applicable laws and regulations, including fraud.

We evaluated the Director of Finance & S151 Officer (Interim) Governance and Communities incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates and significant one-off or unusual transactions.

Our audit procedures in relation to fraud included but were not limited to:

- making enquiries of management and the Audit Committee on whether they had knowledge of any actual, suspected or alleged fraud;
- gaining an understanding of the internal controls established to mitigate risks related to fraud;
- discussing amongst the engagement team the risks of fraud; and
- addressing the risks of fraud through management override of controls by performing journal entry testing.

Appendix B: Draft audit report

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management and the Audit Committee. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

We are also required to conclude on whether the Director of Finance & S151 Officer (Interim) Governance and Communities use of the going concern basis of accounting in the preparation of the financial statements is appropriate. We performed our work in accordance with Practice Note 10: Audit of financial statement and regularity of public sector bodies in the United Kingdom, and Supplementary Guidance Note 01, issued by the National Audit Office in February 2023.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on the Council's arrangements for securing economy, efficiency, and effectiveness in its use of resources

Matter on which we are required to report by exception

We are required to report to you if, in our opinion, we are not satisfied that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2023.

We have not completed our work on the Council's arrangements. On the basis of our work to date, having regard to the guidance issued by the Comptroller and Auditor General in January 2023, we have not identified any significant weaknesses in arrangements for the year ended 31 March 2023.

We will report the outcome of our work on the Council's arrangements in our commentary on those arrangements within the Auditor's Annual Report. Our audit completion certificate will set out any matters which we are required to report by exception.

Responsibilities of the Accounting Officer

The Council is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in the Council's use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities for the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources, and to report where we have not been able to satisfy ourselves that it has done so. We are not required to consider, nor have we considered, whether all aspects of the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Appendix B: Draft audit report

We have undertaken our work in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in January 2023.

Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014; or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

Use of the audit report

This report is made solely to the Members of North Lincolnshire Council, as a body, in accordance with part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the Members of the Council those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Members of the Council, as a body, for our audit work, for this report, or for the opinions we have formed.

Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate until we have completed:

- the work necessary to issue our assurance statement in respect of the Council's Whole of Government Accounts consolidation pack;
- the work necessary to satisfy ourselves that the Council has made proper arrangements for securing economy, efficiency, and effectiveness in its use of resources.

Appendix C: Independence

As part of our ongoing risk assessment we monitor our relationships with you to identify any new actual or perceived threats to our independence within the regulatory or professional requirements governing us as your auditors.

We can confirm that no new threats to independence have been identified since issuing the Audit Strategy Memorandum and therefore we remain independent.

Appendix D: Other communications

Other communication	Response
 Compliance with Laws and Regulations	<p>We have not identified any significant matters involving actual or suspected non-compliance with laws and regulations. Or detail significant matters identified.</p> <p>We will obtain written representations from management that all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements have been disclosed.</p>
 External confirmations	<p>We are still awaiting the 3rd party confirmation for the short-term investments held with Bank of Scotland as at 31 March 2023.</p>
 Related parties	<p>We did not identify any significant matters relating to the audit of related parties.</p> <p>We will obtain written representations from management confirming that:</p> <ol style="list-style-type: none">they have disclosed to us the identity of related parties and all the related party relationships and transactions of which they are aware; andthey have appropriately accounted for and disclosed such relationships and transactions in accordance with the requirements of the applicable financial reporting framework.
 Going concern	<p>We have not identified any evidence to cause us to disagree with the Director of Finance & S151 Officer (Interim) Governance and Communities will be a going concern, and therefore we consider that the use of the going concern assumption is appropriate in the preparation of the financial statements.</p> <p>We will obtain written representations from management, confirming that all relevant information covering a period of at least 12 months from the date of approval of the financial statements has been taken into account in assessing the appropriateness of the going concern basis of preparation of the financial statements.</p>

Appendix D: Other communications (continued)

Other communication	Response
 <p>Subsequent events</p>	<p>We are required to obtain evidence about whether events occurring between the date of the financial statements and the date of the auditor’s report that require adjustment of, or disclosure in, the financial statements are appropriately reflected in those financial statements in accordance with the applicable financial reporting framework.</p> <p>We will obtain written representations from management that all events occurring subsequent to the date of the financial statements and for which the applicable financial reporting framework requires adjustment or disclosure have been adjusted or disclosed.</p>
 <p>Matters related to fraud</p>	<p>We have designed our audit approach to obtain reasonable assurance whether the financial statements as a whole are free from material misstatement due to fraud. In addition to the work performed by us, we will obtain written representations from management, and the Audit Committee, confirming that</p> <ol style="list-style-type: none"> a. they acknowledge their responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud; b. they have disclosed to the auditor the results of management’s assessment of the risk that the financial statements may be materially misstated as a result of fraud; c. they have disclosed to the auditor their knowledge of fraud or suspected fraud affecting the entity involving: <ol style="list-style-type: none"> i. Management; ii. Employees who have significant roles in internal control; or iii. Others where the fraud could have a material effect on the financial statements; and d. they have disclosed to the auditor their knowledge of any allegations of fraud, or suspected fraud, affecting the entity’s financial statements communicated by employees, former employees, analysts, regulators or others.
