Hello we were recently sent an email asking for our views on gambling. This is a grave matter that we have many concerns about, the number of gambling outlets in around Scunthorpe especially the Crosby area (an area of high poverty) is very alarming. I site a recent report from the guardian newspaper regarding how it is proliferating in the UK, and the need to protect young people has never been greater. We strongly urge you to restrict any more gambling licenses especially in the poverty stricken area of Crosby and nearby town ward, And tighten existing ones.
