lowest since 1998.

2.2/1,000 in ML.

Sexual health - Performance very well.

Substance misuse - opiate focus

60% rehab, rather than 55%.

Could do more.

SG - Festivals issue?

JR - will find out?

Jc - Prescription drugs.

JR - can find out.

Support prisoners - very high performance.

Smoking cessation - Working with all pharmacists.

SR - Work from wellness hub?
JR - Yes.

Flu - 70.7% coverage.

Fall prevention - Top quartile.

lots of work with community support team.
Helps that they're 'in house'.

PU - free?

JR - some is, some from personal budgets.

suicider - Top quartile. 7.5/100k. NI
9.9/100k England.

JSA - Working on.

Smoking cessation

- Get Going Now. Working on.
Breakfast club, exercise.
8 a hour. 96% maintained or reduced BMI.

- MBS - lots of work.

Focus - TP, smoking, weight, breastfeeding.

Chr Collins - Alvirshan RA. closure.

Julie - Will find out. Temporary closure. ~~*~~ will find out? ~~*~~

JC - Transfer to Address. - ok?

Julie - will find out. ~~*~~

JC community support

JR - increased capacity - really helps.

JC - Helped OTac?

JR - Yes. Appropriate discharge

JC - MH Transition.

JR - Working with CCG/RDASH. Transition arrangements in place.
seen to influence.

SM - Care received very good.
Staff change continually

JR - Yes. Pressure in system. After winter should improve.
sm Great care.

WF - Child abuse. local concern?

JR - enhanced wellbeing service.
Have to work with families.

Prevalence rates - boys + girls.

Circulate child abuse report to schools ~~scribble~~

David - ofsted. Staff want to build on this

Move to early help - schools. Early identification + work

Down been to SEND, Time on school improvement / performance.

Children's services - working extremely well. More on safeguarding.
Youth council doing fantastic work. 'Be Smart.'

Great demand from external people.

DFE want us to be 'partner in practice' - declined.
But happy to do some limited support work. can help staff.

Unaccompanied asylum seekers, 20 in NL.

LAC slowly reducing
after disappear.

Foster care - fine. But dipping -

SG - less of foster care to assist?

DR - No. Do have to use them now and then
seek to support foster care.

SG - How effective are we? supporting asylum seekers.

DR - Need a pool. Difficult for permanence.

PW - Years difficult for full-time workers.

Adoption - Not part of regional ^{Asens} scheme.
might have to fund other areas. - share resources.
we can recruit people from outside NL
might still safeguarding lead.
Disadvantage NL.

Review of scarce nationally. NL will be involved
LGA / other interested.
ofsted - Annual 'conversations.'
Ofc - revisit.

sm - website up to date
DR - Local offer is neg.

Education - Remodels school effectiveness.
Peer model. - self led improvements.
invest in leaders
93% - secondary / Good A or
86% - primary / outstanding.

mandatory inclusion for SEND. -

ISM capital funds for SEND.
recurrent.

ISM for school exclusion - NL poor.
Academies exclude. Heads have to follow this policy.
could do this internally.

Early Help - Libras Trust.
Word count poetry.
Community libraries - Business partners.
Imagination library. 5 years.
Reviews positive accessible. } - All Positive.

JE - Tred - year 7 mixed ability classes
issue not picked up earlier? LD, SEND
- Primus reads. Should focus on there to build foundation.
DR - Early years is key. Imagination library Childrens centre etc.
Early identification of SEND
Standard Brain - evidence based. Hops to colleges.

JE - Childrens s. care. - concerns?
DR - No. looking to implement best practice to save money.
3 out of area nur - 750k.
looking to bring back - address locally. save money.

- Meads - take up of school meals.
DR - No. Meads was from policies level box.
Down to schools.

JE - A. Didn't appoint governors. Why?
Governance risk.

DR - Reasons but individual cases.
Get regular reports. Want to appoint.
Some governors better reduces in schools.

JE - Budgets reduced to 14 seats.
much more cutback.

SM - CAMHS. Early identification not always appropriate.

JR - Difficult at young age.

SM - Best teachers should be in nurseries / early years.

GM - Peer review.
How do we quality assure!

DR - Core team of officers who work along Heads.
support of Heads. lots of quality locally.
Heads best placed.

GM - sufficient early evidence?

DR - Think so. Officers identified all dips prior to their happenings.
Relatively small area. Knowledge is good.

GM - Leadership retention + recruitment?

DR - Retention very good.

Recruitment not so good. Keep to look at succession planning.
Recruitment difficult nationally.

GM - Innovation?

DR - Team first. section on leadership.

Various initiatives on building capacity - 'Towards excellence.'
Young teachers.

GM - Team first. On 2 year then leave.
Not working.

PU - Pay more starting!

DR - Academics can pay more.
maintained - national pay scale.

JE - Good - needs help.

GM - exceptional candidates go to London.
solutions are there - Home grown. Difficult but worth it.

SG - expand school to see - Brumby.
DR - will impact.

SG - Exclusions
Regional schools commission - role + impact on exclusions.
DR - can do things externally.
sent effect academies Minister.
will 'fine' lots.

schools commission could get -
Don't have local knowledge.

SG - obesity - Childhood Leiser.
Leicestershire.
local knowledge!

DR - no data. either way.
social work may do.

SM - Breakfast clubs - show this is an issue.
Definitely an issue.

JR - malnutrition - an issue.
will check with Public Health.

Alvington Rd opened in months. - ~~*~~
