The purpose of this decision record is to make minor amendments to the contract procedure rules. The amendments are

1. Paragraph 1.1.5.2 be amended to include Business Services as part of a project group were the procurement relates to construction or highways works.
2. 1. Contract Procedure Rules

1.1. Introduction

- 1.1.1. The Local Government Act 1972 section 135 requires the Council to have standing orders setting out for how it will enter into contracts. These Contract Procedure Rules (CPRs) are the framework of mandatory procurement procedures that must be followed by officers and members when entering into contracts on behalf of the Council. They form an integral part of the Council's Constitution.
- 1.1.2. These CPR's govern **ALL** purchases of works, goods, services and supplies across the whole Council, which must be adhered to by Council officers, duly authorised third persons and members.
- 1.1.3. All Council procurements **MUST** demonstrate; true and fair competition, public accountability, an open, fair and transparent process, seek to prevent bribery and corruption, whilst ensuring probity. All procurements **MUST** demonstrate a full audit trail.
- 1.1.4. If the Council fails in this duty to adhere to these CPR's and legislative requirements, a potential supplier may have justifiable cause for complaint. The Council may be required to pay compensation if such a complaint were upheld. In addition, a contract or framework agreement may be rendered ineffective, either in whole or in part, and civil financial penalties may be imposed on the Council. Officers and members also have a personal responsibility to comply with these CPRs. Procurement practices are scrutinised by bidders and government (The Public Procurement Review Service).
- 1.1.5. These CPRs:
 - help the Council obtain value for money so that, in turn, value for money services may be provided to the public;
 - ensure the Council complies with the law governing spending of public money and the policy on transparency regarding Council expenditure;
 - provide a legal and auditable framework for the Council's procurement activities;
 - protect Council officers and members from undue criticism or allegation of wrongdoing; and
 - support the delivery of commissioning strategies.

- 1.4.1. The Council's Constitution requires all officers, to obtain the necessary approvals before commencing a procurement exercise and upon award of a contract.
- 1.4.2. The type of approval will vary depending on the value of the procurement exercise/contract as identified below (the values stated below are accumulated spend over the lifetime of the contract, including any extensions).
- 1.4.3. A key decision is an executive decision that is likely to:

 - Have significant effects on communities living or working in an area comprising of two or more electoral wards or electoral divisions in the area of the local authority.

1.5. Pre-Procurement Requirements

1.5.1. Calculating the Contract Value and Procedural Thresholds

- 1.5.1.1. It is important to ensure that the correct procedure is adopted and where there is a risk of a requirement falling above a threshold, the process for the higher threshold should be applied. Any procurement exercise or contract valued within 10% of the relevant threshold, the Service Area Lead should consider following a tendering process in accordance with the Procurement Regulations.
- 1.5.1.2. The thresholds that apply will be those advised by the Cabinet Office, as detailed below and as may be amended from time to time. The current thresholds set out below are valid from 1 January 2020:

Public Sector Contracting Authorities (excluding Schedule1 authorities)						
Supplies	Services	Light Touch Regime	Concessions	Works	Utilities (Works)	Utilities (Services)
£189,330	£189,330	£663,550	£4,733,252	£4,733,252	£4,733,252	£378,660

- 1.5.1.3. In determining which threshold applies, the whole-life costing including the cost of maintenance, spares, upgrades, decommissioning, and disposal but excluding VAT of the proposed contract or framework agreement must be considered. Any option to extend and potential future modifications to a contract must also be considered as to whether the thresholds would be exceeded with the extension value included, even if the option to extend or the foreseen modifications is not eventually exercised.
- 1.5.1.4. Where the duration of the contract is unknown or uncertain, its total cost over a four-year period should be estimated and the relevant procedure then followed to award the contract. Where requirements include a mix of supplies, services and/or works elements, advice should be sought from The Procurement Team as to which threshold is applicable and to determine the process to be followed.
- 1.5.1.5. The Council must not Disaggregate or sub-divide like or similar works by procuring multiple smaller or charter contracts to avoid the requirements of these CPRs, the Procurement Regulations or UK Legislation.
- 1.5.1.6. All monetary thresholds referred to in this document exclude VAT but include all other applicable taxes and charges.

1.5.2. Planning and Approvals

- 1.5.2.1. Service Area Leads must allow sufficient time to carry out a procurement exercise in order to be compliant with these CPR's and the Procurement Regulations.
- 1.5.2.2. For any procurement exercise or contract that is over the value of £189,330.00 Service Area leads are advised to establish a project team based on the complexity and risk. As a minimum it is advised that the following is to be included within the

project team:

- the Services Area Lead responsible for the managing and delivering the procurement exercise and contract;
- a representative from the Procurement Team;
- a representative from Legal Services;
- a representative from Finance;
- a representative from Business Services were the contract or procurement relates to construction and highways works; and
- a representative from Human Resources

1.5.2.3. Prior to commencing any procurement exercise the relevant approval should be obtained in accordance with the governance requirements set out at paragraph 1.4 above.

1.5.2.4. A timetable, for all procurement exercises, should be established and must take into account all mandatory timeframes, set out in paragraph 2 of these CPR's. It should also cover all pre-procurement planning, which includes everything from governance approval up to award of the contract.

1.5.2.5. The Service Area are responsible for the delivery of the procurement exercise, including ensuring contract management once the contract has been awarded.

1.5.3. Pre-Market Consultation

1.5.3.1. The Council encourages all Services Areas to consider undertaking Pre-Market Consultation, prior to defining the specification requirements of any procurement exercise where there is a need for:

- market research; and/or
- benchmarking; and/or
- a new approach to service delivery; and/or
- developing or evolving service delivery need.

1.5.3.2. Undertaking Pre-Market consultation with the market can help inform the specification, the evaluation criteria, and conditions of contract to ensure the Council's objectives can be best met by the market.

1.5.3.3. In all pre-market consultations, full regard should be had to the principles of equal treatment, transparency, proportionality, and non-discrimination to ensure an effective competition can take place once the procurement has commenced.

1.5.4. Identifying the right procedure and form of contract

It is important to ensure that any procurement exercise is undertaken under the most appropriate procedure for the Council to achieve the best possible outcome to meet its needs. The paragraphs below set out the procedures and contracts that can be used or followed, as appropriate, with advice from the Procurement Team and Legal Services.

1.5.5. Council-wide Contracts and established Frameworks or DPS

Where a Council-Wide Contract exists for supplies, services or works, it must be used except in

the following circumstances where the requirement;

- cannot be obtained through a council-wide contract; or
- cannot be obtained in the required timescale through a council-wide contract;
- or cannot be obtained with the required specification through a council-wide contract.

1.5.5.1. The following categories of supplies, services or works are managed on a council-wide basis:

1.5.5.3. For higher value purchases through a council-wide contract (£5k+) the value for money benefit of wider competition should be considered.

1.5.5.4. Where possible Framework Agreements or Dynamic Purchasing Systems (“DPS”) either established by Central Purchasing Bodies or other contracting authorities (as defined by the Procurement Regulations) must be used.

1.5.5.5. Prior to calling off under any established Framework Agreement or DPS, advice from the Procurement Team must be sought and the terms and conditions must also be approved by Legal Services.

1.5.6. Reserved Contracts

1.5.6.1. Certain contracts can be reserved so that the competition is not available to the wider market and is limited to certain types of providers, such as SMEs and Voluntary, Community and Social Enterprises, and/or based on supplier location, in order to allow the Council to further meet its objectives.

1.5.6.2. The threshold values for a reserved contract are £122,976 for supplies and services and £4,733,252 for works. The list of ‘qualifying organisations’ which can be subject to reserved contracts is prescribed and is predominately made up of health, social care or education services. Advice must be sought from the Procurement Team where there is an intent to reserve a contract and an exception should be obtained in accordance with paragraph 3 of these CPR’s.

1.5.7. Dynamic Purchasing Systems

- 1.5.7.1. A DPS is a completely electronic system which may be established to purchase commonly used supplies, services or works and must operate for a defined duration. It does not guarantee any services to the providers who may be admitted to it.
- 1.5.7.2. Advice from the Procurement Team must be sought should a DPS be established.

1.5.8. Framework Agreements

- 1.5.8.1. A Framework Agreement is a closed list of providers who have been ranked following a tender exercise and can be awarded contracts in line with the framework terms.
- 1.5.8.2. All Framework Agreements must comply with the following:

 - identify all Contracting Authorities that can access the agreement; and

- 1.5.8.3. No contractual commitment attaches from the creation of a framework itself, however contracts are formed when requirements are called-off under a purchase order or a call-off contract.
- 1.5.8.4. Any Framework Agreement must be established in accordance with the requirements of these CPRs and/or the Procurement Regulations. Service Areas must not disaggregate purchases to avoid them and guidance should be sought from the Procurement Team and Legal Services.

1.5.9. Light Touch Regime

- 1.5.9.1. The light-touch regime (“LTR”) is a specific set of rules for certain service contracts that tend to be of low interest to potential tenderers. Those service contracts mainly centre around social, health and education services.
- 1.5.9.2. The use of LTR must be undertaken on the advice of The Procurement Team.

1.5.10. Concession Contracts

- 1.5.10.1. Concession contracts are governed by the Concession Contracts Regulations 2016. They are used where the Council engages a third party to provide a service or works, with or without a fee payable by the Council.
- 1.5.10.2. Consideration for the service is in the form of the concessionaire being given a right to charge for the services being provided.
- 1.5.10.3. Advice from the Procurement Team must be sought before engaging in any procurement exercise relating to a concession contract.

1.5.11. Open, Competitive Dialogue, Negotiated Procedures, and Innovation Partnerships

- 1.5.11.1. The Open procedure should be used for all contracts and procurement exercises where the Service Area can clearly identify its requirements and the requirements can be suitably be met by the market.
- 1.5.11.2. The use of Competitive Dialogue can be used for procurement exercises where there are complex service requirements, and the preferred delivery option cannot be

determined from preliminary market consultation.

- 1.5.11.3. The Negotiated Procedure can be used in limited circumstances, principally where it is not clear at the outset that the Council cannot adequately specify its requirements as they need to be developed with the market.
- 1.5.11.4. The use of Innovation Partnerships can be for inherently innovative development such as core research or new technical advancement.
- 1.5.11.5. part two of these CPR's sets out the process for undertaking an Open procurement exercise (except for the supply of Works over £100,000 up to the relevant threshold) and the advice of the Procurement Team and Legal Services should be sought where the Service Area wishes to use any of the other procedures as set out above.

1.5.12. Transfer of Undertaking (Protection of Employment) Regulations 2006 (as amended) (TUPE)

- 1.5.12.1. Careful consideration must be given as to whether TUPE shall apply at commencement of any procurement exercise.
- 1.5.12.2. Where a procurement exercise may involve the TUPE transfer of Council officers, the advice of the Strategic HR Lead and Legal Services must be obtained prior to the start of the procurement.
- 1.5.12.3. Any procurement exercise involving the TUPE transfer of Council officers must be approved by the relevant Director on the advice of the Director Governance & Partnerships.
- 1.5.12.4. The application of TUPE should also be considered in respect of staff employed by existing contractor(s) when the Council is looking to re-procure the service currently provided by such contractor(s). Written guidance should be sought from the Legal Services.
- 1.5.12.5. An anonymised table of TUPE information and, where relevant, pension information, must be available for release with the tender documentation, using the TUPE matrix template which is available from the Procurement Team or Topdesk. Further information can be shared with interested parties on the successful completion of the appropriate non-disclosure agreement.

- 1.6.1. In all instances the Council's standard terms and conditions must be used except where:
 - 1.6.1.1. a Council Wide Contract is being used;
 - 1.6.1.2. an established Framework Agreement or DPS is being used;
 - 1.6.1.3. any Contract under the value of £25,000; or
 - 1.6.1.4. the relevant Director, in consultation with the Head of Legal Democracy, has confirmed it is appropriate for alternative terms and conditions to be used.

- 1.6.2. The Council's standard terms and conditions for contracts with a value of up to £100,000, can be accessed via the Procurement Team portal on Topdesk. Advice from Legal Services should be sought for:
 - 1.6.2.1. contracts over the value of £100,000;
 - 1.6.2.2. Framework Agreements and DPS (where they are not established);
 - 1.6.2.3. IT contracts; and
 - 1.6.2.4. low value contracts, where there is a specific need or bespoke requirement.
- 1.6.3. Pursuant to paragraph 2.6 of the Council's Scheme of Delegation, all Directors are authorised to sign contracts that do not exceed the value of £100,000, provided that:
