Criteria	Notes
1	This proposal meets the need for electoral equality as the proposed number of voters in the ward falls within the accepted elector to member ratio
2	<p>The council proposes to redistribute polling districts KLG1, KLG2 and KLG5 from the former Kingsway with Lincoln Gardens Ward. It also proposes to remove polling districts BRU2 and BRU4 from the former Brumby ward.</p> <p>The rationale behind this decision is that Old Brumby is an historic part of Scunthorpe whose heritage the council wishes to preserve. Old Brumby connects West Common Lane where local communities access shops, health services and leisure facilities.</p> <p>Polling districts KLG1 and KLG2 have a natural synergy with the Scunthorpe West ward (mentioned later) and KLG5 has been transferred to the new Town and University ward, where again the communities access local services and amenities.</p>
3	These ward proposals create a coherent ward and so allows for effective and convenient local government.
