

**NORTH LINCOLNSHIRE COUNCIL
OFFICER DECISION NOTICE AND RECORD
(PUBLISHED)**

1. DECISION TAKEN

To go out to tender for the Oral Health Promotion Service in partnership with North East Lincolnshire Council

EXECUTIVE	✓	NON-EXECUTIVE		(Please tick either)	
IS THIS A 'KEY DECISION' ? (see definition overleaf)				Yes	No

2. OFFICER DECISION TAKER	<p>NAME Penny Spring</p> <p>POSITION/POST Director of Public Health</p> <p style="text-align: center;"><i>Penny Spring</i></p> <p>SIGNATURE</p> <p>DATE 03 February 2020</p>
--------------------------------------	--

3. REASONS FOR THE DECISION (Please ref to any report/minute/background documents attached)	<p>To enable the council to commission an oral health promotion service which has an appropriate service specification and contract The service specification will facilitate service transformation</p> <p>Through contract management the council will be able to direct the service to the areas of greatest need and the most vulnerable groups whose oral health is most at risk</p> <p>Contract management will also enable upstream, midstream and downstream interventions that involve both targeted and universal approaches</p> <p>It will also enable the Council to ensure the most relevant workforces are trained to promote oral health in their day-to-day contacts – Making Every Contact Count</p>
--	---

4. ALTERNATIVE OPTIONS CONSIDERED AND REJECTED (BY DECISION TAKER(S))	<p>The service will continue to be provided but without a current service specification or contract</p> <p>This will impact on North Lincolnshire Council's ability to effect service transformation and direct the service to areas of greatest need or vulnerable groups</p> <p>The current oral health promotion service is part of the Community Dental Service which reflects historic commissioning practice. This creates challenges for service delivery as when there are pressures to deliver clinical services, oral health promotion activity has taken second place; therefore there is a risk to the Councils that the service may not be achieving optimum activity levels</p>
