

Objection against premises licence

Mon 26/07/2021 00:51

To: Licensing <Licensing@northlincs.gov.uk>

Dear licensing department,

I am sending this email to you
on behalf of the local mosque/residents of parkinson ave.

A premises licence application has been submitted on the 5th July 2021 to the north lincs Council . The applicants name is Barham Mahmoud and the address in question is situated at 103 Frodingham Road scunthorpe. I have already spoken to the local mosque who have expressed their concerns. Prayers are 5 times a day and mon- fri between 4-45pm-7pm

100+ children aged 5- 12 attend the mosque . As you maybe aware we already have many issues on Frodingham Road and to grant them a premises licence would add further issues. Local residents have already informed me that at the rear of the lidl car park (parkinson Ave) people are already congregating and drinking there . So I would hope that you can understand the concerns of the local residents/mosque if the premises application was granted . I have been contacted by Mrs Akhtar, miss Windley

& Mrs Cattrall all of parkinson avenue.

Also I have been informed that the applicant Mr Barham Mahmoud has previously been prosecuted over the sale of illegal tobacco at a different address on Frodingham Road. There are already several shops which already sell alcohol in the Frodingham Road and nearby vicinity i.e. Lidl boozemaster

Therefore would you please on behalf of your local residents not grant the applicant the premises licence. I have informed my local Town ward councillors about the situation in hand. One final point I'd like to mention is that on 3 occasions I have seen the property with all its shutters down so that the public notice which is up for 28 days cannot be seen . This is a blatant disregard for the public notices act in my opinion

If u require any more information please feel free to call me directly on my mobile:

Kind regards

Immi

on behalf of the following residents
Parvin Akhtar, B Windley, J cantrell &
Islamic centre all of parkinson avenue
