They will be asked to show proof of eligibility on boarding any bus and may also be asked to show proof of eligibility at any time on any journey. 3 Participation of Public Transport Operators in the Scheme and Reimbursement of Revenue Forgone

General Conditions

- 3.1 Section 145 (1) of the Transport Act 2000 and Section 1 of the Concessionary Bus Travel Act 2007 require operators to provide free concessionary travel on local bus services for people in possession of an ENCTS pass.
- 3.2 All operators participating in the scheme shall recognise and accept a valid ENCTS pass as reasonable proof of the holder's entitlement to concessionary travel within the defined boundaries of the scheme.
- 3.3 Where a bus or vehicle is fitted with electronic pass recognition equipment, the operator should ensure that the electronic transaction is completed.
- 3.4 Before allowing travel at concessionary rates, the driver, conductor, inspector or ticket office clerk shall exercise reasonable care that the pass shown is being used by the person whose photograph it bears and the pass is not beyond its expiry date. We will hotlist on a regular basis all expired and invalid passes.
- 3.5 Operators are required to provide accurate and timely records of the number of passholders boarding their services in North Lincolnshire.

- 3.6 All operators will inform the Council of any changes in services or fares on any services on which concessions are available. This information shall be given not later than seven days before any change is made.
- 3.7 Normal reimbursement arrangements may be amended by specific terms or requirements set out in local bus service contracts issued by the Council.

Principles

- 3.8 The Council will reimburse local bus operators for:
- journeys made by holders of ENCTS passes issued in other areas starting within North Lincolnshire after 9.30am, Monday to Friday and all day on Saturday, Sunday and bank holidays; and
 - discretionary journeys made in accordance with the scheme by North Lincolnshire passholders starting within North Lincolnshire at any time on any day.
- 3.9 The Council will also reimburse operators of local bus services for free travel by companions of disabled people who hold ENCTS travel passes issued by:
- Hull City Council,
 - The East Riding of Yorkshire Council,
 - South Yorkshire Passenger Transport Executive, and
 - North East Lincolnshire Council
- for journeys returning from North Lincolnshire to their home authority area after 9.30am, Mondays to Fridays and without time limit on Saturdays, Sundays and bank holidays.
- These passholders will have a pass bearing the same “+C” symbol which is used by North Lincolnshire Council.
- 3.10 The Council is required by law to reimburse bus operators for carrying concessionary passengers, on the principle that the operators are “no better off and no worse off” by taking part in a concessionary travel scheme.

Methodology

- 3.11 North Lincolnshire Council acknowledges the current situation regarding COVID-19 and the measures that have been in place to reimburse bus operators for concessionary travel at pre-COVID levels since April 2020, as encouraged by the Department for Transport. The Council will continue to support our local bus operators. In return for the continued extraordinary support for the local bus network, the Council expects local bus operators to maintain bus service provision at pre-COVID levels.
- 3.12 Following a letter from the Department for Transport in February 2022, the Council will reimburse operators based on pre-COVID reimbursement payments for the period of the 2022-23 scheme.

- 3.13 Where there has been a change of contracted bus service from one operator to another since 2019-20, the Council will determine the appropriate level of reimbursement, acting reasonably and using all available evidence, that should transfer from one operator to another. The Council will work with all impacted operators and communicate its findings with those operators.

Payments

- 3.14 The Council recognises the importance of prompt concessionary fare payments in maintaining operators' cash flow.
- 3.15 Where the estimated total sum due to the operator during the period of the scheme exceeds £10,000, the Council will make payments in the middle of each four-week period throughout the year.
- 3.16 For existing operators, these payments will be approximately one thirteenth of the total sum payable.
- 3.17 For existing operators whose reimbursement claims are under £10,000, payments will be made quarterly. These payments will be approximately one quarter of the total sum payable.
- 3.18 For new operators, each payment will comprise:
- An on-account payment of 85% of the estimated total for the period
 - A balancing payment which will be calculated by using this methodology.
- 3.19 The Council may withhold up to 15% of the monthly payment if any operator fails to provide within four weeks of the previous month end accurate records of the number of passholders boarding their services at stops within North Lincolnshire.

Confidentiality

- 3.20 The Council will treat any information provided by any operator in the utmost confidence and this information shall be used for the purposes of administering the North Lincolnshire concessionary travel scheme only.

Access for Survey

- 3.21 All operators will be required to allow the Council's officers to have access, free of charge, with reasonable frequency to their vehicles on which concessions are available to:
- survey, count or estimate the number of passholders carried and the fares paid; and
 - obtain any other information which the Council considers necessary to enable it to calculate or verify payments due under the concessionary fare scheme.

Access for Audit

- 3.22 In order that the Council may verify claims for reimbursement, operators may be required to make available to officers of the Council books, vouchers, records (including computer records) and documents relating to their claims.

- 3.23 Operators may also be required to provide such further information and explanations relating to the above books, vouchers, records and documents as the Council thinks necessary.
